NOTICE OF PRIVATE COMPETITIVE BOND SALE

Sealed proposals will be received and considered by the undersigned Village Treasurer of the Village of Lake Success, Nassau County, New York, via iPreo's Parity Electronic Bids Submission System ("Parity") or by facsimile transmission at (631) 331-8834, at the offices of Munistat Services, Inc., 12 Roosevelt Avenue, Port Jefferson Station, New York 11776, until **11:00 A.M.**, Prevailing Time, on the **22nd day of January, 2020**, at which time and place the bids will be opened for the purchase AT PRIVATE COMPETITIVE SALE IN FEDERAL FUNDS at not less than par and accrued interest of

\$285,000 Public Improvement (Serial) Bonds, 2020, of said Village, dated February 5, 2020, and maturing as follows: \$60,000 on February 1 in each of the years 2021 to 2023, inclusive, and \$15,000 on February 1 in each of the years 2024 through 2030, with interest thereon payable on August 1, 2020 and semi-annually thereafter on February 1 and August 1.

The bonds will be initially issued in registered form in denominations such that one bond shall be issued for each maturity of bonds in such amounts as set forth above. At the option of the purchaser, the bonds will be issued in (i) certificated registered form registered in the name of the successful bidder with (1) one certificated bond for each maturity, or (2) as a statutory installment bond ("SIB") or (ii) registered book-entry-only form registered to Cede & Co. as the partnership nominee for The Depository Trust Company, New York, New York ("DTC"). Principal and interest will be payable in lawful money of the United States of America. Bonds will be fully registered and will be valid and legally binding general obligations of said Village, all the taxable real property within which will be subject to the levy of ad valorem taxes to pay said bonds and interest thereon, subject to applicable statutory limitations. The bonds may not be converted into coupon bonds or be registered to bearer.

The bonds maturing on or before February 1, 2027 will not be subject to redemption prior to maturity. The bonds maturing on February 1, 2028 and thereafter, will be subject to redemption, at the option of the Village, prior to maturity, in whole or in part, and if in part, in any order of their maturity and in any amount within a maturity (selected by lot within a maturity), on any date on or after February 1, 2027, at par plus accrued interest to the date of redemption.

If less than all of the bonds of any maturity are to be redeemed, the particular bonds of such maturity to be redeemed shall be selected by the Village by lot in any customary manner of selection as determined by the Village Treasurer. Notice of such call for redemption shall be given by transmitting such notice to the registered holders not more than sixty (60) days nor less than thirty (30) days prior to such date. Notice of redemption having been given as aforesaid, the bonds so called for redemption shall, on the date for redemption set forth in such call for redemption, become due and payable, together with interest to such redemption date, and interest shall cease to be paid thereon after such redemption date.

The State Constitution requires the Village to pledge its faith and credit for the payment of the principal of the bonds and the interest thereon and to make annual appropriations for the amounts required for the payment of such interest and the redemption of such bonds. The State Constitution also provides that if at any time the appropriating authorities fail to make the required appropriations for the annual debt service on the bonds and certain other obligations of the Village, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied for such purposes; also that the fiscal officer of the Village may be required to set apart and apply such revenues as aforesaid at the suit of any holder of such obligations.

Each bid must be for all of said \$285,000 bonds and may state a single rate of interest (if SIB format is chosen, a single rate must be bid) or different rates of interest for bonds maturing in different calendar years; provided, however, that (i) only one rate of interest may be bid for bonds of the same maturity, (ii) variations in rates of interest so bid shall be in ascending progression in order of maturity so that the rate of interest on bonds maturing in any particular calendar year shall not be less than the rate of interest applicable to bonds maturing in any prior calendar year, and (iii) all rates of interest bid must be stated in a multiple of one-eighth or one-hundredth of one per centum per annum. Unless all bids are rejected, the award will be made to the bidder complying with the terms of this private sale and offering to purchase said bonds at such rate or rates of interest as will produce the lowest net interest cost computed in accordance with the net interest cost method of calculation, that being the rate or rates of interest which will produce the lowest net interest cost computed in accordance with the net interest cost method of calculation, that being the rate which, compounded semi-annually, is necessary to discount all principal and interest payments on the bonds to the purchase price (including accrued interest) bid for the bonds. The net interest cost computation should be made as of the date of delivery of the bonds. If two or more such bidders offer to purchase the bonds at the same net interest cost, computed as described above, the bonds will be awarded to the bidder whose bid offers to purchase the bonds at the highest premium dollar amount. The right is reserved to reject any or all bids, and any bid not complying with this Notice of Private Competitive Bond Sale, except as provided above, will be rejected. Each bid must be addressed to the undersigned Village Treasurer, and should be marked "Proposal for Bonds". A GOOD FAITH DEPOSIT WILL NOT BE REQUIRED.

Sealed proposals may be submitted electronically via iPreo's Parity Electronic Bid Submission System ("Parity") or via facsimile transmission at (631) 331-8834, in accordance with this Notice of Private Competitive Bond Sale, until the time specified herein. No other form of electronic bidding services nor telephone proposals will be accepted. No proposal will be accepted after the time for receiving proposals specified above. Bidders submitting proposals via facsimile must use the "Proposal for Bonds" form attached hereto. Once the proposals are communicated electronically via Parity or via facsimile to the Village, each bid will constitute an irrevocable offer to purchase the bonds pursuant to the terms therein provided.

Prospective bidders wishing to submit an electronic bid via Parity must be contracted customers of Parity. Prospective bidders who do not have a contract with Parity must call (212) 849-5021 to become a customer. By submitting an electronic bid for the bonds, a bidder represents and warrants to the Village that such bidder's bid for the purchase of the bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the bonds.

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Parity. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Private Competitive Bond Sale. Neither the Village nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the Village nor Parity shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Parity. The Village is using Parity as a communications mechanism, and not as the Village's agent, to conduct the electronic bidding for the Village's bonds. The Village is not bound by any advice or determination of Parity as to whether any bid complies with the terms of this Notice of Private Competitive Bond Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Parity are the sole responsibility of the bidders, and the Village is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the bonds, it should telephone Parity and notify the Village's Municipal Advisor, Munistat Services, Inc. at (631) 331-8888 (provided that the Village shall have no obligation to take any action whatsoever upon receipt of such notice).

If any provisions of this Notice of Private Competitive Bond Sale shall conflict with information provided by Parity, as approved provider of electronic bidding services, the provisions of this Notice of Private Competitive Bond Sale shall control. Further information about Parity, including any fee charged, may be obtained from Parity at (212) 849-5021. The time maintained by Parity shall constitute the official time with respect to all bids submitted.

Said bonds are issued pursuant to the Constitution and statutes of the State of New York, including among others, the Village Law and the Local Finance Law, for the following purposes: purchase of heavy equipment (\$150,000) and the purchase of police vehicles for the Village's Police Department (\$135,000).

THE VILLAGE RESERVES THE RIGHT TO CHANGE THE TIME AND/OR DATE FOR THE OPENING OF BIDS. NOTICE OF ANY SUCH CHANGE SHALL BE PROVIDED IN SUCH MANNER AS SHALL BE DETERMINED BY THE VILLAGE.

If the bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, the purchase of any such insurance policy or the issuance of any such commitment therefor shall be at the sole option and expense of such bidder and any increased costs of issuance of the bonds resulting by reason of the same, unless otherwise paid, shall be paid by such bidder. Any failure of the bonds to be so insured or of any such policy of insurance to be issued, shall not constitute cause for a failure or refusal by the purchaser of the bonds to accept delivery of and pay for said bonds in accordance with the terms of the purchase contract.

In the event that prior to the delivery of the bonds, the income received by owners thereof from bonds of the same type and character becomes includable in the gross income of such owners for Federal income tax purposes, the successful bidder may, at his election, be relieved of his obligations under the contract to purchase the bonds, and in such case, the deposit accompanying his bid will be returned.

The purchase price of the bonds, in accordance with the purchaser's bid, shall be paid IN FEDERAL FUNDS or other funds available for immediate credit on said delivery date, in an amount equal to the par amount of such bonds, plus the premium, if any, plus accrued interest from the date of such bonds until said day of delivery. The closing on said bonds will take place at the offices of Orrick, Herrington & Sutcliffe LLP, 51 West 52nd Street, New York, New York, on or about February 5, 2020.

CUSIP identification numbers will be printed on said bonds if the purchaser provides Bond Counsel with such numbers by telefax or any other mode of written communication (verbal advice will not be accepted) by 3:00 o'clock P.M. on the date following the date of sale of the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for said bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on said bonds shall be paid for by the issuer; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

The bonds will be available for inspection by the purchaser at DTC, not less than 24 hours prior to the time set for the delivery thereof. It shall be the responsibility of the purchaser to verify the CUSIP numbers at such time.

The obligation hereunder to deliver or accept the Bonds pursuant hereto shall be conditioned on the delivery to the successful bidder at the time of delivery of the Bonds of: (i) the opinion of Bond Counsel; (ii) a certificate of the Village Attorney, dated the date of delivery of the Bonds, to the effect that there is no controversy or litigation of any nature pending or threatened to restrain or enjoin the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any of the proceedings taken with respect to the issuance and sale thereof or the application of moneys to the payment of the Bonds, and further stating that there is no controversy or litigation of any nature now pending or threatened by or against the Village wherein an adverse judgment or ruling could have a material adverse impact on the financial condition of the Village or adversely affect the power of the Village to levy, collect and enforce the collection of taxes or other revenues for the payment of its Bonds. (iii) a certificate signed by the Village Treasurer evidencing payment for the Bonds; (iv) a signature certificate evidencing the due execution of the Bonds, including statements that (a) no litigation of any nature is pending or, to the knowledge of the signers, threatened, restraining or enjoining the issuance and delivery of the Bonds or the

levy and collection of taxes to pay the principal of and interest thereon, nor in any manner questioning the proceedings and authority under which the Bonds were authorized or affecting the validity of the Bonds thereunder, (b) neither the corporate existence or boundaries of the Village nor the title of the signers to their respective offices is being contested, and (c) no authority or proceedings for the issuance of the Bonds have been repealed, revoked or rescinded, and (v) a Tax Certificate executed by the Village Treasurer.

The Village will designate the bonds as "qualified tax exempt obligations" pursuant to Section 265(b)(3) of the Code.

Following the sale of the bonds, on the Sale Date, the successful bidder will be required to provide to the Village and its Bond Counsel certain information regarding the reoffering price to the public of each maturity of the bonds. The successful bidder also must submit to the Village a certificate (the "Reoffering Price Certificate"), satisfactory to Bond Counsel, dated as of the day of the delivery of the bonds, which assuming three bids from underwriters are received, states:

(a)(i) on the date of award, such successful bidder made a bona fide public offering of all bonds of all maturities at initial offering prices corresponding to the prices or yields indicated in the information furnished in connection with the successful bid, and (ii) as of such date, the first price or yield at which an amount equal to at least ten percent of each maturity of the bonds was reasonably expected to be sold to the public was, respectively, a price not higher or a yield not lower than indicated in the information furnished with the successful bid (the "first price rule"), and (iii) provides a copy of the pricing wire or equivalent communication for the bonds attached to the Reoffering Price Certificate. The public means any persons including an individual, trust, estate, partnership, association, company or corporation (other than the successful bidder or a related party to the successful bidder, being two or more persons who have greater than 50% common ownership directly or indirectly, or any person that agrees pursuant to a written contract or other agreement with the successful bidder to participate in the initial sale of the bonds to the public).

(b) the successful bidder was not given the opportunity to review other bids prior to submitting its bid.

(c) the bid submitted by the successful bidder constituted a firm offer to purchase the bonds.

In the event that at least three bids are not received by the Village on the Sale Date, and at least ten percent of each maturity of the bonds have been sold on the Sale Date, the successful bidder shall certify as to the first price or yield at which ten percent of each maturity was sold and provide a copy of the pricing wire or equivalent communication.

In addition, in the event that (1) at least three bids are not received by the Village on the Sale Date, and (2) ten percent of each maturity of the bonds have not been sold on the Sale Date (each an "Unsold Maturity"), the successful bidder (and any members of its underwriting group or syndicate) shall have the option (i) to provide to the Village (or its agents) ongoing pricing information, together with reasonable supporting documentation acceptable to bond counsel (such as the pricing wire), until 10% of each Unsold Maturity is sold (the "Follow-the-Price Requirement"), or (ii) shall be required to hold the initial reoffering price to the public of each such Unsold Maturity (as reported to the Village on the Sale Date) for the lesser of five (5) business days after the Sale Date or the date on which at least 10% of each such Unsold Maturity are sold (the "Hold-the-Offering-Price Requirement"). A certification as to the details of compliance with this requirement shall be part of the Reoffering Price Certificate.

The Village or its municipal advisor on its behalf shall advise the successful bidder on the Sale Date as to whether at least three bids were received. Delivery of a bid shall constitute the bidder's agreement to comply with the Hold-the-Offering-Price Requirement or the Follow-the-Price Requirement of this Notice of Bond Sale and to certify to compliance therewith under the circumstances described herein.

Such certificate shall state that it is made on the best knowledge, information and belief of the successful bidder after appropriate investigation.

Any party executing and delivering a bid for the bonds agrees, if its bid is accepted by the Village, to provide to the Village, in writing, within two business days after the date of such award, all information which said successful bidder determines is necessary for it to comply with SEC Rule 15c2-12, including all necessary pricing and sale information, information with respect to the purchase of municipal bond insurance, if any, and underwriter identification. The Village shall not be responsible or liable in any manner for the successful bidder's determination of information necessary to comply with SEC Rule 15c2-12 or the accuracy of any such information provided by the successful bidder.

The population of the Village is estimated to be 3,112. The average full valuation of real estate subject to taxation by the Village is \$1,411,342,798, producing a debt limit of \$98,793,996. The total net indebtedness, exclusive of the Bonds, of the Village subject to the debt limit is \$3,935,000. The proceeds of such bonds will increase the net indebtedness by \$285,000.
