No Optional Redemption for the Bonds

The Bonds are not subject to optional redemption prior to maturity.

Form of Bonds

The Bonds will be issued in the form of fully registered bonds, in denominations corresponding to the aggregate principal amounts due in each year of maturity. At the option of the purchaser, the Bonds may be either registered in the name of the purchaser or registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), as book-entry-only

bonds. If the Bonds are issued as book-entry-only bonds, the Bonds will be (i) registered in the name of Cede & Co., as nominee of DTC, and (ii) deposited with DTC to be held in trust until maturity. DTC is an automated depository for securities and clearinghouse for securities transactions, and it will be responsible for establishing and maintaining a book-entry system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfers of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the beneficial ownership interests of individual purchasers in any book-entry Bonds. Individual purchases of beneficial ownership interests in book-entry Bonds may only be made through book entries (without certificates issued by the Fire District) made on the books and records of DTC (or a successor depository) and its participants. Principal of and interest on book-entry Bonds will be payable by the Fire District or its agent by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Fire District will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. At the option of the purchaser, the Bonds may be issued in the form of serial bonds or a statutory installment bond.

Submission of Bids

Each proposal must be a bid of not less than \$300,000 for all of the Bonds. **The amount of the premium bid, if any, by any bidder for the Bonds, shall not exceed \$20,000.** Each proposal must state in a multiple of one-hundredth of 1% or a multiple of one-eighth of 1%, the rate or rates of interest per annum which the Bonds are to bear and may state different rates of interest for Bonds maturing in different calendar years, provided, however, that (i) only one rate of interest may be bid for all Bonds maturing in any one calendar year and (ii) variations in rates of interest so bid shall be in ascending progression in order of maturity so that the rate of interest on Bonds maturing in any particular calendar year shall not be less than the rate of interest applicable to Bonds maturing in any prior calendar year.

Proposals may be submitted electronically via Parity or via facsimile transmission at (631) 331-8834, in accordance with this Notice of Sale, until the time specified herein. No other form of electronic bidding services nor telephone proposals will be accepted. No proposal will be accepted after the time for receiving proposals specified above. Bidders submitting proposals via facsimile must use the "Proposal for Bonds" form attached hereto. Once the proposals are communicated electronically via Parity or via facsimile to the Fire District, each bid will constitute an irrevocable offer to purchase the Bonds pursuant to the terms therein provided.

No Good Faith Deposit

A good faith deposit is not required for a bid to be considered.

Bidding Using Parity

Prospective bidders wishing to submit an electronic bid via Parity must be contracted customers of Parity. Prospective bidders who do not have a contract with Parity must call (212) 849-5021 to become a customer. By submitting an electronic bid for the Bonds, a bidder represents and warrants to the Fire District that such bidder's bid for the purchase of the Bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Bonds.

Each prospective bidder who wishes to submit an electronic bid shall be solely responsible to register to bid via Parity. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Fire District nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the Fire District nor Parity shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Parity. The Fire District is using Parity as a communications mechanism, and not as the Fire District's agent, to conduct the electronic bidding for the Fire District's Bonds. The Fire District is not bound by any advice, opinion or determination of Parity as to whether any bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Parity are the sole responsibility of the bidders, and the Fire District is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Bonds, it should telephone Parity and notify the Fire District's Municipal Advisor, Munistat Services Inc. at (631) 331-8888 (provided that the Municipal Advisor and the Fire District shall have no obligation to take any action whatsoever upon receipt of such notice).

If any provisions of this Notice of Sale shall conflict with information provided by Parity, as approved provider of electronic bidding services, this Notice of Sale shall control. Further information about Parity, including any fee charged, may be obtained from Parity at (212) 849-5021. The time maintained by Parity shall constitute the official time with respect to all bids submitted.

Bidders submitting bids via facsimile do not need to register to bid.

Award of Bonds

The Bonds will be awarded and sold to the bidder complying with the terms of sale and offering to purchase the Bonds at such rate or rates of interest per annum as will produce the lowest net interest cost, and if two or more such bidders offer the same lowest net interest cost, then to one of said bidders selected by the Sale Officer by lot from among all said bidders. The successful bidder must also pay an amount equal to the interest on the Bonds, if any, accrued from the date of original issue of the Bonds to the date of payment of the purchase price.

The Fire District reserves the right to reject any and all bids (regardless of the interest rate bid), to reject any bid not complying with this official Notice of Sale and, so far as permitted by law, to waive any irregularity or informality with respect to any bid or the bidding process.

Award of the Bonds to the successful bidder, or rejection of all bids, is expected to be made promptly after opening of the bids, but the successful bidder may not withdraw its proposal until after 3:00 o'clock P.M. (Prevailing Time) on the day of such bid-opening and then only if such award has not been made prior to the withdrawal. The successful bidder will be promptly notified of the award.

Bond Insurance

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, the purchase of any such insurance policy or the issuance of any such commitment therefor shall be at the sole option and expense of such bidder and any increased costs of issuance of the Bonds resulting by reason of the same, unless otherwise paid, shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued, shall not constitute cause for a failure or refusal by the purchaser of the Bonds to accept delivery of and pay for said Bonds in accordance with the terms hereof.

Authorization and Purpose

The Bonds are being issued pursuant to the Constitution and statutes of the State of New York, including among others, the Town Law and the Local Finance Law, and a bond resolution duly adopted by the Fire District Board of Commissioners on October 15, 2019, and approved as a proposition by a majority of the qualified voters of the Fire District voting thereon at the Regular Election of the Fire District held on December 10, 2019, authorizing the issuance of bonds in the amount of \$300,000 for the acquisition of a parcel of land consisting of approximately .73 acres and located at 180 Whittier Drive, Mastic Beach. The Bonds are being issued pursuant to this authorization.

Payment and Security for the Bonds

The Bonds shall be general obligations of the Fire District. The Local Finance Law requires the Fire District to pledge its faith and credit for the payment of the principal of the Bonds and the interest thereon and to make annual appropriations for the amounts required for the payment of such interest and the redemption of the Bonds. For the payment of such principal of and interest on the Bonds, the Fire District has the power and statutory authorization to require the levy of ad valorem taxes on all taxable real property in the Fire District, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended (the “Tax Levy Limit Law”).

Delivery of the Bonds and Assignment of CUSIP Numbers

The Bonds will be delivered to the purchaser or to DTC and shall be paid for in Federal Funds on or about February 18, 2020, at such place in New York City, and on such business day and at such hour as the Sale Officer shall fix on three business days’ notice to the successful bidder, or at such other place and time as may be agreed upon with the successful bidder. The deposit of the Bonds with DTC under a book-entry system requires the assignment of CUSIP numbers prior to delivery. If the Bonds are issued as book-entry bonds, it shall be the responsibility of the successful bidder to obtain CUSIP numbers for the Bonds prior to delivery and the Fire District will not be responsible for any delay occasioned by the inability to deposit the Bonds with DTC due to the failure of the successful bidder to obtain such numbers and to supply them to the Fire District in a timely manner. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the Fire District; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the successful bidder.

Legal Opinion

The successful bidder will be furnished without cost with the approving opinion of the law firm of Hawkins Delafield & Wood LLP, New York, New York (“Bond Counsel”).

Tax Exemption

The successful bidder may at its option refuse to accept the Bonds if prior to their delivery the opinion of Bond Counsel is not delivered or if any income tax law of the United States of America is hereafter enacted which shall provide that the interest thereon is taxable, or shall be taxable at a future date, for federal income tax purposes, and in such case the successful bidder will be relieved of its contractual obligations arising from the acceptance of its proposal.

The Internal Revenue Code of 1986, as amended (the “Code”), establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds be and remain excludable from gross income under Section 103 of the Code. Concurrently with the delivery of the Bonds, the Fire District will execute a Tax Certificate, which will contain provisions and procedures relating to compliance with the requirements of the Code and a certification to the effect that the Fire District will comply with the provisions and procedures set forth therein and that it will do and perform all acts and things necessary or desirable to assure that interest paid on the Bonds is excludable from gross income under Section 103 of the Code.

Upon delivery of the Bonds, Bond Counsel will deliver an opinion that states that, under existing statutes and court decisions and assuming continuing compliance with the provisions and procedures set forth in the Tax Certificate, (i) interest on the Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Code and (ii) interest on the Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code. In addition, the opinion of Bond Counsel will state that, under existing statutes, interest on the Bonds is exempt from personal income taxes of New York State and its political subdivisions, including The City of New York.

Bank Qualification

The Fire District will designate the Bonds as "qualified tax-exempt obligations" pursuant to the provisions of Section 265 of the Code.

Obligation of Winning Bidder to Deliver an Issue Price Certificate at Closing

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Bonds, is a good faith offer which the bidder believes reflects current market conditions, and is not a "courtesy bid" being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the "issue price" of the Bonds pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirements"). The Municipal Advisor will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Bonds. **Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.**

The winning bidder shall, within one (1) hour after being notified of the award of the Bonds, advise the Municipal Advisor by electronic transmission or writing by facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Bonds (the "Initial Reoffering Prices") as of the date of the award.

By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public) that if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. *Such election must be made on the bid form submitted by each bidder. In the event a bidder submits a bid via Parity, such bidder must notify the Munistat Services, Inc. by email (tcartwright@munistat.com) as to such election at the time such bid is submitted.*

(1) **Hold the Price.** The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell to any person any Bonds within a maturity at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least 10 percent of the Bonds of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such

maturity or (ii) the close of business on the 5th business day after the date of the award of the Bonds, and

(c) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Bonds as set forth above.

(2) **Follow the Price**. The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide the Issuer with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Issuer information regarding the first price that at least 10 percent of the Bonds within each maturity of the Bonds have been sold to the public,

(c) will provide the Issuer with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Bonds, will continue until such date that the requirement set forth in paragraph (b) above for each maturity of the Bonds is satisfied, and

(d) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

For purposes of the “hold the price” or “follow the price” requirement, a “maturity” refers to Bonds that have the same interest rate, credit and payment terms.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Issuer a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Bonds stating the applicable facts as described above. *The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Municipal Advisor.*

If the winning bidder has purchased the Bonds for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which the purchase of the Bonds was made.

For purposes of this Notice, the “public” does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Bonds to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Bonds.

Documents Accompanying the Delivery of the Bonds

The obligation hereunder to deliver or accept the Bonds pursuant hereto shall be conditioned on the availability to the successful bidder and delivery at the time of delivery of the Bonds of the opinion of Bond Counsel and (i) a certificate of the Fire District Attorney, dated the date of delivery of the Bonds, to the effect that there is no controversy or litigation of any nature pending or threatened to restrain or enjoin the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any of the proceedings taken with respect to the issuance and sale thereof or the application of moneys to the payment of the Bonds, and further stating that there is no controversy or litigation of any nature now pending or threatened by or against the Fire District wherein an adverse judgment or ruling could have a material adverse impact on the financial condition of the Fire District or adversely affect the power of the Fire District to levy, collect and enforce the collection of taxes or other revenues for the payment of its Bonds; (ii) certificates signed by the Fire District Treasurer evidencing payment for the Bonds; (iii) a signature certificate evidencing the due execution of the Bonds, including statements that (a) no litigation of any nature is pending or, to the knowledge of the signers, threatened, restraining or enjoining the issuance and delivery of the Bonds or the levy and collection of taxes to pay the principal of and interest thereon, nor in any manner questioning the proceedings and authority under which the Bonds were authorized or affecting the validity of the Bonds thereunder, (b) neither the corporate existence or boundaries of the Fire District nor the title of the signers to their respective offices is being contested, and (c) no authority or proceedings for the issuance of the Bonds have been repealed, revoked or rescinded, and (iv) a Tax Certificate executed by the Fire District Treasurer.
