Book-Entry System

The Bonds will be issued to and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), as registered owner of the Bonds and each such bond shall be immobilized in the custody of DTC. DTC will act as securities depository for the Bonds. Individual purchases will be made in book-entry form only, in the principal amount of \$5,000 or any integral multiple thereof. Purchasers will not receive physical delivery of certificates representing their interest in the Bonds purchased. The winning bidder, as a condition to delivery of the Bonds, will be required to deposit the bond certificates with DTC.

Principal of and interest on the Bonds will be payable by the Town by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC ("Participants") will be the responsibility of Participants and other nominees of beneficial owners. The Town will not be responsible or liable for such transfers of payments or for maintaining, supervising, or reviewing the records maintained by DTC, Participants or persons acting through Participants.

Credit Rating

The Town has applied to S&P Global Ratings for a rating on the Bonds. Such rating reflects only the view of such rating agency, and any desired explanation of the significance of such rating should be obtained from such rating agency. Generally, a rating agency bases its rating on the information and materials furnished it and on investigation, studies and assumptions by the rating agency. There is no assurance that a particular rating will apply for any given period of time or that it will not be lowered or withdrawn entirely if, in the judgment of the agency originally establishing the rating, circumstances so warrant. Any downward revision or withdrawal of such rating, or either of them, could have an adverse effect on the market price of the Bonds. Such rating should not be taken as a recommendation to buy or hold the Bonds.

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, the purchase of any such insurance policy or the issuance of any such commitment therefor shall be at the sole option and expense of such bidder and any increased costs of issuance of the Bonds resulting by reason of the same shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued, shall not constitute cause for a failure or refusal by the purchaser of the Bonds to accept delivery of and pay for said Bonds in accordance with the terms of the purchase contract.

Interest Rates and Other Limitations

The Bonds will bear interest from December 21, 2021, and will mature on May 1 in the years and amounts stated above and will bear interest payable on May 1 and November 1 of each year, beginning on May 1, 2022, until maturity, at a rate or rates of interest to be specified by the bidder, in a multiple or multiples of one-eighth (1/8) or one-hundredth (1/100) of one per centum (1%) (rate of interest shall mean the rate of interest which does not take into account any original issue discount or premium). Each bid must be for all of said Bonds, and may state a single rate of interest or different rates of interest for bonds maturing in different calendar years, provided, however, that (1) all Bonds maturing on the same date shall bear interest at the same rate; and (2) no Bond shall bear interest at more than one rate, or at any contingent or variable rate. Yield shall mean yield to maturity taking into account any original issue discount or premium (and for this purpose only, yield need not be in a multiple of 1/8 or 1/100 of one percent).

Minimum Bid

Each bid must be for at least the total par amount of the Bonds.

Change of Bid Date and Closing Date

The Town reserves the right to postpone, from time to time, the date established for the receipt of bids and will undertake to notify registered prospective bidders not less than 24 hours prior to the time set forth for the opening of bids by means of a supplemental notice of sale to be transmitted over TM3 and via email notification sent by iPreo's Parity Electronic Bid Submission System ("Parity"). Bidders must bid to purchase all Bond maturities. No bid will be considered which does not offer to purchase all of the Bonds. Each bid must specify an annual rate of interest for each maturity and a dollar purchase price for the entire issue of Bonds.

Basis of Award

Subject to the right reserved to the Town to reject any or all bids, the Bonds will be awarded to the bidder complying with the terms of sale and offering to purchase the Bonds at the lowest true interest cost. In the event the Town receives two or more bids specifying the same lowest true interest cost, then the Bonds will be awarded to the bidder whose bid offers to purchase the Bonds at the highest premium dollar amount. Notwithstanding anything herein to the contrary, the Town reserves the right to waive any technical defects, omissions or other deficiency in the form of any proposal submitted for consideration.

Award of the Bonds to a successful bidder, or rejection of any bids, is expected to be made promptly after opening of the bids, but a successful bidder may not withdraw his proposal until after 5:00 o'clock P.M. (Prevailing Time) of the day of such bid-opening and then only if such award has not been made prior to the withdrawal.
