

**PRELIMINARY OFFICIAL STATEMENT DATED NOVEMBER 29, 2023**

**NEW ISSUE-BOOK ENTRY ONLY**

**RATINGS: See "Ratings" herein**

*In the opinion of Bond Counsel, assuming the accuracy of and continuing compliance by the Town with its representations and covenants relating to certain requirements contained in the Internal Revenue Code of 1986, as amended (the "Code"), based on existing law, interest on the Bonds and the Notes is excludable from gross income for federal income tax purposes and is not treated as an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals under the Code; however, such interest is taking into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on corporations under the Code. Interest on the Bond and the Notes may be includable in the calculation of certain taxes under the Code, as described under Appendix B – "Form of Legal Opinion of Bond Counsel and Tax Exemption for the Bonds" and Appendix C – "Form of Legal Opinion of Bond Counsel and Tax Exemption for the Notes" herein.*

*In the opinion of Bond Counsel, under existing statutes, interest on the Bonds and the Notes is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax.*

**TOWN OF MADISON, CONNECTICUT**  
**\$10,500,000 General Obligation Bonds, Issue of 2023**

**Dated: Date of Delivery**

**Due: Serially, December 15, as shown herein**

The \$10,500,000 General Obligation Bonds, Issue of 2023 (the "Bonds") will be general obligations of the Town of Madison, Connecticut (the "Town"), and the Town will pledge its full faith and credit to pay the principal of and interest on the Bonds when due. (See "Security and Remedies" herein). Interest on the Bonds will be payable semiannually on June 15 and December 15, in each year until maturity, commencing June 15, 2024.

The Bonds ARE subject to optional redemption prior to maturity as described herein. (See "Optional Redemption" herein).

**RATINGS: See "Ratings" herein**

**\$30,000,000 General Obligation Bond Anticipation Notes**

**Dated: December 21, 2023**

**Due: December 19, 2024**

The \$30,000,000 General Obligation Bond Anticipation Notes (the "Notes") will be general obligations of the Town of Madison, Connecticut (the "Town"), and the Town will pledge its full faith and credit to pay the principal of and interest on the Notes when due. (See "Security and Remedies" herein). The Notes will bear interest calculated on the basis of a 360-day year, consisting of twelve 30-day months, payable at maturity at the rate per annum as shown on the inside cover page.

The Notes are not subject to optional redemption prior to maturity.

The Notes are being offered for sale in accordance with an official Notice of Sale for the Notes dated November 29, 2023. Electronic bids via *PARITY*® for the Notes will be received until 11:00 A.M. (E.T.) on December 7, 2023, at the Office of the First Selectman, 8 Campus Drive, Madison, Connecticut 06443, as described in the official Notice of Sale for the Notes. (See Appendix G herein).

The Bonds and the Notes will be issued by means of a book-entry-only transfer system and registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), New York, New York. The Beneficial Owners of the Bonds and the Notes will not receive certificates representing their ownership interest in the Bonds and the Notes. Principal of, redemption premium, if any, and interest on the Bonds and the Notes will be payable by the Town or its agent to DTC or its nominee as registered owner of the Bonds and the Notes. Ownership of the Bonds and the Notes may be in principal amounts of \$5,000 or integral multiples thereof. DTC will act as security depository for the Bonds and the Notes. So long as Cede & Co. is the Bondowner or Noteowner, respectively, as nominee for DTC, reference herein to the Bondowner or owners or Noteowner or owners shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners (as defined herein) of the Bonds or the Notes. (See "Book-Entry-Only Transfer System" herein.)

The Registrar, Certifying Bank, Transfer, and Paying Agent for the Bonds and the Notes will be U.S. Bank Trust Company, National Association, of Hartford, Connecticut.

*The Bonds and the Notes are offered for delivery when, as and if issued, subject to the final approving opinions of Shipman & Goodwin LLP, Bond Counsel, of Hartford, Connecticut. It is expected that delivery of the Bonds and the Notes will be made in either book-entry form to DTC on or about December 21, 2023.*

This Preliminary Official Statement and the information contained herein are subject to completion and amendment without notice. These securities may not be sold nor may offers to buy be accepted prior to the time the Official Statement is delivered in final form. Under no circumstances shall this Preliminary Official Statement constitute an offer to sell, or a solicitation of an offer to buy, nor shall there be any sale of these securities in any jurisdiction in which said offer, solicitation or sale would be unlawful prior to registration or qualification under the laws of any such jurisdiction.

## I. SECURITIES OFFERED

---

### INTRODUCTION

This Official Statement, including the cover page, inside cover page and appendices has been prepared by the Town of Madison, Connecticut (the "Town"), in connection with the issuance and sale by the Town of \$10,500,000 General Obligation Bonds, Issue of 2023 (the "Bonds") and \$30,000,000 General Obligation Bond Anticipation Notes (the "Notes"). All quotations from and summaries and explanations of provisions of statutes, charters, or other laws and acts and proceedings of the Town contained herein do not purport to be complete and are qualified in their entirety by reference to the original official documents; and all references to the Bonds and the Notes and the proceedings of the Town relating thereto are qualified in their entirety by reference to the definitive form of the Bonds and the Notes and such proceedings.

This presentation of information is intended to show recent historical trends and is not intended to indicate future or continuing trends in financial or other positions of the Town. Except for information expressly attributed to other sources, all financial and other information presented herein has been provided by the Town.

Bond Counsel is not passing upon, and does not assume responsibility for, the accuracy or adequacy of the statements made in this Official Statement (other than matters expressly set forth in their opinions in Appendices B and C) and they make no representation that they have independently verified the same.

### DESCRIPTION OF THE BONDS

The Bonds will be dated the date of delivery and will mature in annual installments on December 15 in each of the years and in the principal amounts set forth on the inside cover page of this Official Statement. Interest will be payable on June 15, 2024 and semiannually thereafter on December 15 and June 15 in each year until maturity and will be payable to the registered owners of the Bonds as of the last business day of November and May in each year. A book-entry transfer system will be employed evidencing ownership of the Bonds in principal amounts of \$5,000 or integral multiples thereof, with transfers of ownership effected on the records of The Depository Trust Company, New York, New York ("DTC"), and its participants pursuant to rules and procedures established by DTC and its participants. (See "Book-Entry-Only Transfer System" herein). The Registrar, Certifying Bank, Transfer and Paying Agent for the Bonds will be U.S. Bank Trust Company, National Association, of Hartford, Connecticut. The legal opinion for the Bonds will be rendered by Shipman & Goodwin LLP, of Hartford, Connecticut. (See Appendix B herein). The Bonds shall NOT be designated by the Town as qualified tax-exempt obligations under the provisions of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, for purposes of the deduction by financial institutions for interest expense allocable to the Bonds.

### OPTIONAL REDEMPTION

The Bonds maturing on or before December 15, 2029 are not subject to redemption prior to maturity. The Bonds maturing on December 15, 2030 and thereafter are subject to redemption prior to maturity, at the option of the Town, on and after December 15, 2029, at any time, either in whole or in part, in such amounts and in such order of maturity, but by lot within a maturity, as the Town may determine, at the redemption prices (expressed as a percentage of the par amount of the Bonds to be redeemed) set forth in the following table, together with interest accrued and unpaid to the redemption date:

<u>Redemption Dates</u>	<u>Redemption Price</u>
December 15, 2029 and thereafter	100%

### NOTICE OF REDEMPTION

Notice of redemption shall be given by the Town or its agent by mailing a copy of the redemption notice by first-class mail at least twenty (20) days prior to the date fixed for redemption to the registered owner of the Bonds designated for redemption in whole or in part at the address of such registered owner as the same shall last appear on the registration books for the Bonds. Failure to give such notice by mailing to any registered owner, or any defect therein, shall not affect the validity of the redemption of any other Bonds. Upon the giving of such notice, if such funds available solely for redemption are on deposit with the Paying Agent, the Bonds or portions thereof so called for redemption will cease to bear interest after the specified redemption date. So long as Cede & Co., as nominee of the Depository Trust Company ("DTC") is the registered owner of the Bonds, notice of redemption will be sent only to DTC (or a successor securities depository) or its successor nominee.

If less than all the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot in such manner as the Town in its discretion may determine; provided,

however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000.

The Town, so long as a book-entry system is used for the Bonds being called for redemption, will send any notice of redemption only to the DTC, or a successor securities depository, or its DTC nominee. Any failure of DTC to advise any Direct Participant or of any Direct Participant or Indirect Participant to notify any Indirect Participant or Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption of such Bonds called for redemption (see "Book-Entry-Only Transfer System" herein for discussion of DTC and definitions of "Direct Participant", "Indirect Participant", and "Beneficial Owners"). Redemption of portions of the Bonds of any maturity by the Town will reduce the outstanding principal amount of Bonds held by DTC. In such event it is the current practice of DTC to allocate by lot, through its book-entry system, among the interest held by Direct Participants in the Bonds to be redeemed, the interest to be reduced by such redemptions in accordance with its own rules or other agreements with Direct Participants. The Direct Participants and Indirect Participants may allocate reductions of the interests in the Bonds to be redeemed held by the Beneficial Owners. Any such allocation of interests in the Bonds to be redeemed will not be governed by the determination of the Town authorizing the issuance of the Bonds and will not be conducted by the Town or be the responsibility of the Town, the Registrar or Paying Agent.

**DESCRIPTION OF THE NOTES**

The Notes will be dated December 21, 2023 and will be due and payable as to both principal and interest at maturity on December 19, 2024. Interest will be calculated on the basis of a 360-day year, consisting of twelve 30-day months.

The Notes will be issued as fully-registered notes in denominations of \$5,000 or any integral multiples thereof. A book-entry transfer system will be employed evidencing ownership of the Notes with transfers of ownership on the records of The Depository Trust Company, New York, New York ("DTC"), and its participants pursuant to the rules and procedures established by DTC and its participants. See "Book-Entry-Only Transfer System" herein.

The certifying bank, registrar, transfer and paying agent for the Notes will be certified by U.S. Bank Trust Company, National Association, City Place I, 185 Asylum Street, 27<sup>th</sup> Floor, Hartford, Connecticut. The legal opinion on the Notes will be rendered by Shipman & Goodwin LLP of Hartford, Connecticut, in substantially the form set forth in Appendix C to this Official Statement. The Notes shall NOT be designated by the Town as qualified tax-exempt obligations under the provisions of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, for purposes of the deduction by financial institutions for interest expense allocable to the Notes.

The Notes are not subject to redemption prior to maturity.

**AUTHORIZATION AND USE OF PROCEEDS**

Authorization: The Bonds and the Notes were authorized and are being issued pursuant to bond resolutions approved at a referendum held on February 15, 2022 in accordance with the Town Charter.

Use of Proceeds: Proceeds of the Bonds and the Notes will be used to finance the following projects:

<b>Project</b>	<b>Total Amount of Authorization</b>	<b>Notes Maturing 12/21/2023</b>	<b>Additions/ Reductions</b>	<b>The Bonds (This Issue)</b>	<b>The Notes (This Issue)</b>

Academy Community Center & Municipal Building....	15,900,000	800,000	5,200,000	-	6,000,000
<b>Total</b>	<b>\$ 105,100,000</b>	<b>\$ 8,200,000</b>	<b>\$32,300,000</b>	<b>\$10,500,000</b>	<b>\$30,000,000</b>

**RATINGS**

The Bonds have been rated "Aaa" by Moody’s Investors Service, Inc. ("Moody’s"). The ratings on certain outstanding bond issues have recently been affirmed as "Aaa" by Moody’s. The Notes have been rated "MIG 1" by Moody’s. The ratings reflect only the views of such organization and an explanation of the significance of such ratings may be obtained from the rating agency at the following address: Moody’s Investors Service, Inc., 7 World Trade Center, 250 Greenwich Street, New York, New York. There is no assurance that such ratings will continue for any given period of time or that they will not be revised or withdrawn entirely by such agencies if, in the judgment of such rating agencies, circumstances so warrant. A

revision or withdrawal of such ratings may have an effect on the market price of the bonds and notes of the Town, including the Bonds and the Notes.

## **AVAILABILITY OF CONTINUING DISCLOSURE INFORMATION**

The Town will enter into Continuing Disclosure Agreements with respect to the Bonds and the Notes, substantially in the forms attached as Appendix D and E to this Official Statement (collectively, the "Continuing Disclosure Agreements"), to provide or cause to be provided, in accordance with the requirements of SEC Rule 15c2-12, (i) annual financial information and operating data with respect to the Bonds, (ii) timely notice of the occurrence of certain events with respect to the Bonds and Notes, not in excess of ten (10) business days after such occurrence of such events with respect to the Bonds and Notes, and (iii) timely notice of a failure by the Town to provide the required annual financial information on or before the date specified in the Continuing Disclosure Agreement for the Bonds. The purchaser's obligation to purchase the Bonds and the Notes shall be conditioned upon its receiving, at or prior to the delivery of the Bonds, an executed copy of the Continuing Disclosure Agreements for the Bonds and the Notes.

The Town has previously undertaken in Continuing Disclosure Agreements entered into for the benefit of holders of certain of its general obligation bonds and notes to provide certain annual financial information and event notices pursuant to SEC Rule 15c2-12(b)(5). In the past five years, the Town has not failed to comply in any material respect with its undertakings under such agreements.

## **CYBERSECURITY**

Town departments face cyber threats from time to time, including, but not limited to, hacking, viruses, malware, phishing, and other attacks on computers and other sensitive digital networks and systems. To mitigate the risk of business operations impact and/or damage from cyber incidents or cyber-attacks, the Town invests in various forms of cybersecurity and operational controls, including a comprehensive policy relating to the security of the Town's government networks. No assurances can be given, however, that such security and operational control measures will be completely successful to guard against cyber threats and attacks. The results of any such attack could impact business operations and/or damage the Town's digital networks and systems and the costs of remedying any such damage could be substantial.

## **ENVIRONMENTAL FACTORS**

Numerous scientific studies have detailed changing global weather patterns and the potential for increasing extreme weather events across the world. The Town's location in southern Connecticut on the Long Island Sound increases its vulnerability to flooding. In addition to flooding, the Town faces other threats due to climate change, including damaging wind that could become more severe and frequent. The Town cannot predict the timing, extent or severity of climate change and its impact on its operations and finances.

The Town has a long history of planning for resiliency, including the adoption of Coastal Zone Regulations in accordance with Connecticut General Statutes Section 22a-90 through 22a-111, inclusive. The Town participates in the South-Central Region Multi-Jurisdiction Hazard Mitigation Plan, which was originally adopted in 2014, was approved by the Federal Emergency Management Agency ("FEMA") in 2018 and is updated once every five-years. A Coastal Resiliency Plan was developed in 2016 by consultants at the direction of Town officials. The Coastal Resiliency Plan addresses current and future social, economic and ecological resilience of the Town's shoreline with respect to the impacts of sea level rise and anticipated increases in the frequency and severity of storm surge, coastal flooding, and erosion. The four basic steps of the Coastal Resilience Plan include: 1) generate awareness of coastal risks; 2) assess coastal risks and opportunities; 3) identify options or choices for addressing priority risks and vulnerabilities; and 4) develop and implement an action plan to put selected options or choices into place. Additionally, in 2019 the Board of Selectmen adopted a resolution establishing the Coastal Resiliency Commission to work closely with State agencies, including the Connecticut Institute for Resilience and Climate Adaptation ("CIRCA") and the Department of Energy & Environmental Protection ("CTDEEP"), to assist in the evaluation of projected impacts of climate change and sea level rise. The Coastal Resiliency Commission consists of seven members and aids in the recommendation of capital projects for inclusion in the Town's Capital Improvements Program ("CIP"). Some of the Town's priority projects include hard shoreline protection, infrastructure improvements and retrofits, and emergency operations and shelter improvements. During fiscal year 2021-22, the Town established a Coastal Resiliency Fund with an initial deposit of \$500,000. During fiscal year 2022-23, the Town made a special appropriation of \$100,000 towards the Coastal Resiliency Fund and expects to make a similar special appropriation by the end of fiscal year 2023-24. As of June 30, 2023, the Coastal Resiliency Fund had a balance of \$600,000.

## **SECURITY AND REMEDIES**

The Bonds and the Notes will be general obligations of the Town, and the Town will pledge its full faith and credit to pay the principal of and interest on the Bonds and the Notes when due.

Unless paid from other sources, the Bonds and the Notes are payable from general property tax revenues. The Town has the power under the Connecticut General Statutes to levy ad valorem taxes on all taxable property in the Town without limit as to rate or amount, except as to certain classified property such as certified forest land taxable at a limited rate and dwelling houses of qualified elderly persons of low income or of qualified disabled persons taxable at limited amounts. There are approximately 6,200 acres of such certified forest land on the last completed Grand List of the Town. The Town may place a lien on the property for the amount of tax relief granted, plus interest, with respect to dwelling houses of qualified elderly persons of low income or qualified disabled persons. Under existing statutes, the State of Connecticut is obligated to pay the Town the amount of tax revenue which the Town would have received except for the limitation under certain of the statutes upon its power to tax dwelling houses of qualified elderly persons of low income.

Payment of the Bonds and the Notes is not limited to property tax revenues or any other revenue source, but certain revenues of the Town may be restricted as to use and therefore may not be available to pay debt service on the Bonds and the Notes.

There are no statutory provisions for priorities in the payment of general obligations of the Town. There are no statutory provisions for a lien on any portion of the tax levy or other revenues to secure the Bonds and the Notes, or judgments thereon, in priority to other claims.

The Town is subject to suit on its general obligation bonds and notes and a court of competent jurisdiction has the power in appropriate proceedings to render a judgment against the Town. Courts of competent jurisdiction also have the power in appropriate proceedings to order payment of a judgment on such bonds or notes from funds lawfully available therefor or, in the absence thereof, to order the Town to take all lawful action to obtain the same, including the raising of the required amount in the next annual tax levy. In exercising their discretion as to whether to enter such an order, the courts may take into account all relevant factors including the current operating needs of the Town and the availability and adequacy of other remedies.

Enforcement of a claim for payment of principal of or interest on the Bonds and the Notes would also be subject to the applicable provisions of Federal bankruptcy laws as well as other bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and to the exercise of judicial discretion. Section 7-566 of the Connecticut General Statutes, amended in 1993, provides that no Connecticut municipality shall file a petition in bankruptcy without the express prior written consent of the Governor. This prohibition applies to any town, city, borough, metropolitan district and any other political subdivision of the State having the power to levy taxes and issue bonds or other obligations.

## **QUALIFICATION FOR FINANCIAL INSTITUTIONS**

The Bonds and the Notes shall NOT be designated by the Town as qualified tax-exempt obligations under the provisions of Section 265(b) of the Internal Revenue Code of 1986, as amended, for purposes of the deduction by financial institutions of interest expense incurred to carry the Bonds and the Notes.

## **BOOK-ENTRY-ONLY TRANSFER SYSTEM**

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds and the Notes. The Bonds and the Notes will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds and one fully-registered Note certificate will be issued for each interest rate of the Notes in the aggregate principal amount of such maturity and interest rate, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through

electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of: AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Bonds and the Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds and the Notes on DTC's records. The ownership interest of each actual purchaser of each Bond and Note ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds and the Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds and the Notes, except in the event that use of the book-entry system for the Bonds and the Notes is discontinued.

To facilitate subsequent transfers, all Bonds and Notes deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds and the Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds and the Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds and Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Bonds and the Notes within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds and the Notes unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Town as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds and the Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on, and redemption premium, if any, with respect to the Bonds and the Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Town or the Paying Agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent, or the Town, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest, and redemption premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Town or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds and the Notes at any time by giving reasonable notice to the Town or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond and Note certificates are required to be printed and delivered.

The Town may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond and Note certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been provided by DTC. The Town takes no responsibility for the accuracy thereof.

#### **REPLACEMENT BONDS AND NOTES**

The determination of the Town officials authorizing the issuance of the Bonds and the Notes provides for issuance of fully-registered Bond and Note certificates directly to Beneficial Owners of the Bonds and the Notes or their nominees in the event that: (a) DTC determines not to continue to act as securities depository for the Bonds and the Notes, and the Town fails to identify another qualified securities depository for the Bonds and the Notes to replace DTC; or (b) the Town determines to discontinue the book-entry-only system of evidence and transfer of ownership of the Bonds and the Notes. A Beneficial Owner of the Bonds and the Notes, upon registration of certificates held in such Beneficial Owner's name, will become the registered owner of the Bonds and the Notes.

#### **DTC PRACTICES**

The Town can make no assurances that DTC, Direct Participants, Indirect Participants or other nominees of the Beneficial Owners of the Bonds will act in a manner described in this Official Statement. DTC is required to act according to rules and procedures established by DTC and its participants which are on file with the Securities and Exchange Commission.

## II. THE ISSUER

### DESCRIPTION OF THE TOWN

The Town was first settled in 1641 as part of Guilford. It was organized as a separate community in 1707 and incorporated in 1826. The Town was the one hundred twenty-eighth town established in Connecticut. The Town encompasses approximately 36.3 square miles within New Haven County, approximately 15 miles east of New Haven and 35 miles south of Hartford. Interstate 95 and state highways 80 and 1 (Boston Post Road) intersect the Town for east and west transportation access, while state highway 79 provides north-south access. Madison is bounded on the east by Clinton and Killingworth; on the north by Durham; on the south by Long Island Sound; and on the west by Guilford. The Town is primarily a suburban, residential community with single-family homes.

Since the 1860s, the Town has maintained a large summer resident community attracted to the Town's beaches and Long Island Sound. Most year-round residents are in the executive, professional, technical, and managerial categories, with employment in Hartford, New Haven, Fairfield and New London Counties and New York. According to the 2021 U.S. Census the Town's population was 17,742. Bus, air and rail service are available from New Haven, Hartford, Providence, Rhode Island and New York. The Town has a railroad stop near the central business district provided by Shore Line East, a State of Connecticut Department of Transportation Commuter Railroad that provides commuter service between New London and New Haven during rush hours. Other Metro-North and Amtrak connections are available from New Haven's Union Station.

Located within the Town are two state parks: the Cockaponset State Forest in the northern portion of Town, and Hammonasset State Park and Beach located on the southeastern edge of Madison. Hammonasset Park consists of 930 acres and 558 campsites and provides concessions, bathhouses, a pavilion and picnic areas. Parking for 7,000 vehicles is available for bathers and campers alike, with overall park capacity rated to serve 16,000 people. The Park also provides a fishing jetty for surf and boat fishing.

The Town utilizes an adopted Plan of Conservation and Development to maintain the Town's rural and seashore character. Under the Town Charter, the Planning and Zoning Commission is responsible for approval of all projects. Current zoning regulations were adopted on April 10, 1953, with various revisions adopted since that time. The Town is completely zoned with approximately 96% of the land zoned residential, with one to two acre lots. The balance of the Town is zoned commercial or light industrial. The areas zoned for one acre can include apartment or condominium units. As part of the

Town Plan of Conservation and Development, open space and preservation of the seashore and rural character of the Town are major goals. To that end, the Town has provided for four parks, including the Surf Club Beach area, a 45-acre beach/recreation facility owned by the Town that provides beaches, picnic area, basketball and volleyball courts, as well as baseball, softball, football and soccer fields; Rockland Preserve, a 650 acre park which includes walking, hiking and single-track mountain bike trails, a mountain bike pump track and skills park and a family bike area; and Salt Meadow Park, a 42-acre passive and active recreation facility, including three multi-purpose playing fields, conversation areas, shared path and trail system and a canoe/kayak launch.

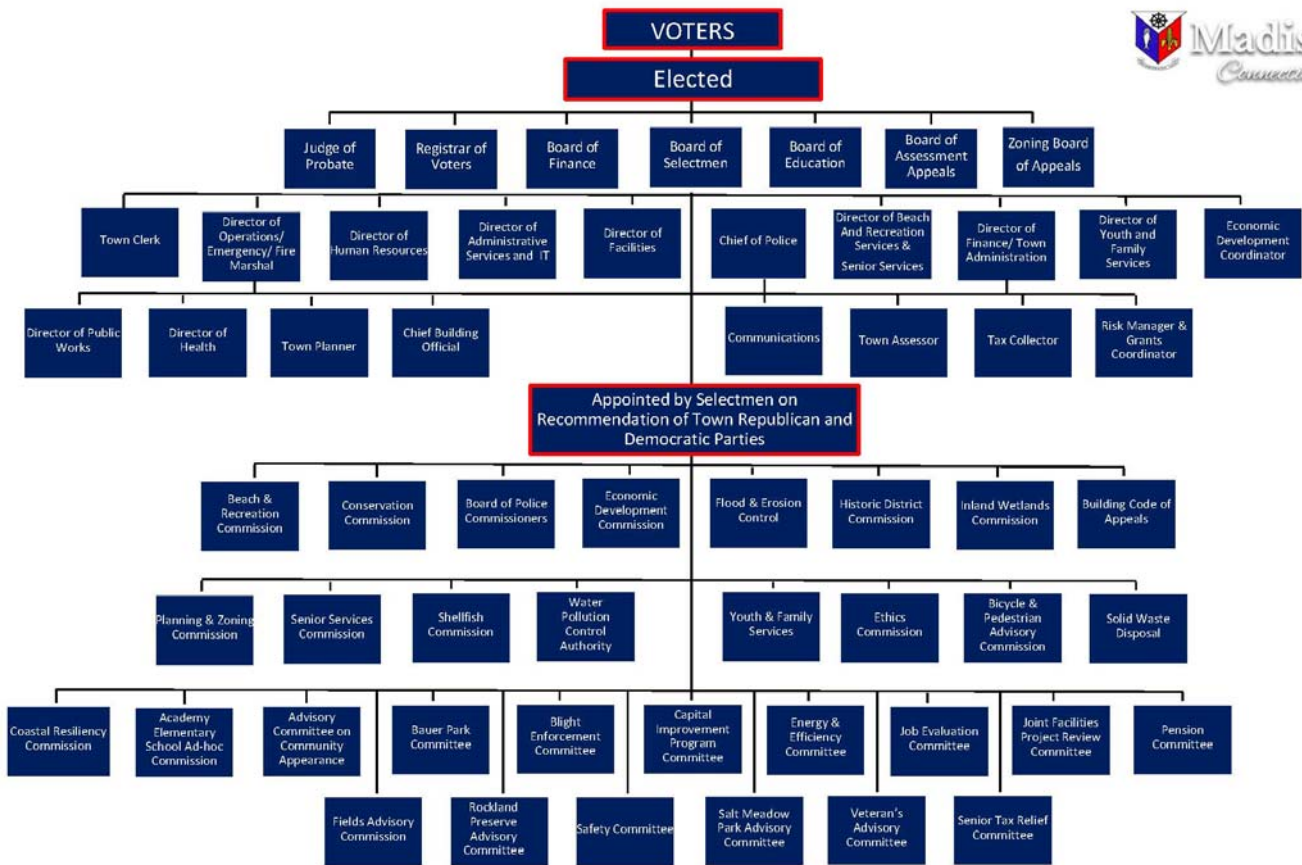

From January 1, 2022 to January 1, 2023, there were approximately 251 single family home sales, including condominiums, with prices ranging from \$150,000 to \$4,100,000. The average selling price was approximately \$784,903. There were two recorded new construction, single family home sales during that period with values of \$817,000 and \$1,750,000, respectively.

The Madison downtown business district has an active Chamber of Commerce organization, Business Council Group and an active shopping and commercial area located in the south-central part of the community, extending both east and west along the Boston Post Road. In addition to the many businesses in Town, there are numerous banking institutions, including Wells Fargo, Bank of America, M&T Bank, Citizens Bank, Webster Bank, Key Bank, Liberty Bank, Guilford Savings Bank and Essex Savings Bank.

The Town provides educational opportunities with public school grades PreK-12. In addition, within the Town there are three private schools with grades Pre-K-8 and one private school with grades K-8, along with eight different pre-school programs. There are colleges and universities located within a short distance from the Town, including Middlesex Community College and Wesleyan University, both in Middletown, approximately 20 miles north of Madison. To the west are Quinnipiac University, Albertus Magnus College, South Central Community College, Southern Connecticut State University, the University of New Haven, and Yale University, all of which are located in the Greater New Haven area.

## ORGANIZATIONAL CHART

### FORM OF GOVERNMENT

The Town of Madison operates under the provisions of its Charter, most recently revised on November 8, 2022, and the General Statutes of the State of Connecticut. The legislative body is the Town Meeting. Starting in calendar year 2023, the executive body consists of a five-member Board of Selectmen, with the First Selectman acting as the chief executive officer. Election to the Board of Selectmen is for a four-year term. A seven-member Board of Finance is responsible for presenting fiscal operating budgets to the Annual Town Meeting. Board of Finance members are elected for four-year terms. A nine-member elected Board of Education is responsible for the operation of the school system.

The Madison Planning & Zoning Commission works to evaluate and implement state and local statutes and regulations regarding residential and commercial development within the municipality while protecting natural and cultural resources. The Planning & Zoning Commission is guided by the 2013 Plan of Conservation & Development, which is updated every 10 years with input from Madison residents and representatives of different community organizations. A comprehensive update to this Plan is underway and adoption is anticipated in the first quarter of calendar year 2024.

The Economic Development Commission is a seven-member board appointed by the Board of Selectmen. The Commission’s role is to monitor economic conditions, research trends affecting Town revenue/expenses, and prepare recommendations to strengthen and diversify the Town’s tax base. This board seeks options for increasing revenue growth without mill rate increases by identifying and improving under-performing areas seeking opportunities to diversify the tax base to increase the grand list, identifying other revenue opportunities, suggesting viable and acceptable incentives for revenue positive development and uncovering revenue productive strategies for residential and commercial development.

### SUMMARY OF MUNICIPAL SERVICES

**Police:** The Town is provided with 24-hour police coverage by a force consisting of 30 full-time officers, 1 part-time officer and 1 executive officer. There is one full-time animal control officer and one part-time animal control officer. Hammonasset State Park, located in Madison, is served by the Connecticut State Police Barracks at Westbrook, with occasional assistance by the local department.

**Fire:** All areas of the Town are covered by 2 volunteer fire companies, Madison Hose Company #1, which covers the southern sector of Town south of Chestnut Hill Road, and the North Madison Volunteer Fire Company which serves the northern sector of the Town. Each company is a private, non-profit corporation which is substantially supported by the Town and owns land, buildings, and some equipment. Both companies are activated by radio contact with the Town Communications Center located in the Police Station, which operates on a twenty-four-hour basis. The companies belong to a mutual aid system with nearby towns. There are currently 47 volunteers in the Madison Hose Company #1, and 51 volunteers in the North Madison Volunteer Fire Company. Each company has a corps of Junior Fire Fighters.

**Emergency Medical Assistance:** The Town is served by a local private, non-profit association which is supported by a Town subsidy. Emergency medical services are also provided by the Madison Police Department, Madison Hose Company #1, and the North Madison Volunteer Fire Department. The area hospitals are the Middlesex Hospital, 20 miles north in Middletown; and Yale New Haven Hospital which is located in New Haven, 23 miles to the west. These facilities are aided by a Shoreline Clinic in the Town of Essex and the 30,000 square foot Yale New Haven Ambulatory Service Center in Guilford. These two facilities provide satellite emergency services.

**Health:** The Town engages a full-time Director of Health and a full-time Sanitarian. The Director is responsible for enforcing State and local public health laws.

**Sewers:** There is no sewage system as all businesses and homes have separate septic systems. As part of the Town's Comprehensive Plan of Development, the Town has had an active Water Pollution Control Authority that is approved and monitored by the State Department of Environmental Protection.

**Solid Waste:** The Town operates, jointly with the Town of Guilford, a municipal solid waste transfer station and recycling facility. Effective July 1, 2022, the Town, along with Guilford, entered into a five-year renewable contract with Covanta Bristol, Inc. for the transportation and disposal of solid waste and the transportation and processing of recyclables.

**Water:** The Connecticut Water Company ("Water Company") provides water service to the downtown area and areas south of Interstate 95. Other areas are served by private individual wells. Approximately 50% of all housing units are served by the Water Company.

**Electric:** Eversource Energy provides electrical service and maintains a regional maintenance facility in Madison.

**Beach & Recreation:** The Beach & Recreation Director works under the direction of the First Selectman, Beach & Recreation Commission and the Board of Selectmen. The staff consists of a year-round complement of four individuals to which approximately 75 are added in the summer season. Town recreation facilities include 3 beaches, 14 hiking trails, 15 miles of single bike trails, a learning pump track center, and numerous playgrounds and playing fields. The Town is currently in the process of undertaking renovations to a former school building and converting it into a Community Center which will be operated by the Beach & Recreation department. The Town operates more than 130 programs throughout the year, including action-oriented opportunities such as aerobics, backpacking, badminton, dancing, skiing, sailing and swimming. The Beach and Recreation Department also includes the Grounds Maintenance Department which manages cemeteries, parks, athletic fields and beaches. The Grounds Maintenance Department consists of grounds maintainers and a superintendent and is responsible for grounds as well as various assigned buildings.

**Senior Services:** Senior Services provides activities, transportation, lunch and other programs to citizens 60 years of age or older at the Town's Senior Center. Social services, support and advocacy are also provided under the direction of a Director of Senior Services who is supported by four full-time employees, three part-time employees and three part-time bus drivers. Currently, there is one Director who oversees both Senior Services and Beach and Recreation.

**Public Works:** The Department of Public Works & Engineering consists of the Engineering, Highway and Solid Waste divisions. The Department staff includes a Director of Public Works & Town Engineer, an Assistant Director of Public Works, an Administrative Assistant, a Highway Superintendent, an eleven-person Highway crew and two employees who work at the Town's Bulky Waste and Recycling Facility.

The Department provides engineering and land surveying services for the Town and Madison Public School projects. It also provides engineering assistance to other Town departments, boards and commissions. It maintains the Town's infrastructure including 120 miles of Town roads, parking areas, sidewalks, bridges and storm drainage systems. The Department also conducts winter snow and ice control operations for the Town's roadway system and parking areas, manages street and Town property, trees, manages the Town's vehicle and equipment fleet and operates the Town's Bulky Waste Disposal and Recycling Facility.

**Facilities:** The Facilities Department consists of building custodians and one Director of Facilities, who serves both the Town and the Board of Education. This Department is responsible for various Town buildings including, schools and the Town's new Community Center.

**Youth and Family Services:** Youth and Family Services' function is to foster the healthy development of the children of Madison and their families through progressive programs that offer prevention, community coordination, and treatment services. Social Service programs for adults are also contained with Youth and Family Services. There are nine full-time

and three part-time employees who work at Youth and Family Services Department including two school-based clinicians and one Director.

**Library:** The Library, established in 1900, is a private corporation which is mainly supported by Town funds. Additional funds are raised by the Library Board through donations. Located in downtown Madison, the Library is a center for life-long learning and exploration. The facility has a collection of books and audiovisual materials, computer access and Wi-Fi, early-literacy and discovery classes for children, programs and volunteer opportunities for teens, lecture series and musical performances for adults, monthly art exhibits, and free meeting space for community organizations. In July 2021, the Library completed a major renovation project including the construction of a 20,000 square foot addition which includes a new 90 seat community room. The renovations incorporated upgrades to the current Boston Post Road walkways and the construction of an approximately 47-car on-site parking lot. The total cost of the project was approximately \$14 million and the Town provided a \$9 million grant to the Library. The balance of the project costs were funded by a \$3 million grant from the State of Connecticut and \$2 million in donations.

General Statutes Sections 7-473c, 7-474 and 10-153a to 10-153n provide a procedure for binding arbitration of collective bargaining agreements between municipal employers and organizations representing municipal employees, including certified teachers and certain other employees. The legislative body of a municipality may reject an arbitration panel's decision by a two-thirds majority vote. The State of Connecticut and the employee organization must be advised in writing of the reasons for rejection. The State then appoints a new panel of either one or three arbitrators to review the decisions on each of the rejected issues. The panel must accept the last best offer of either of the parties. In reaching its determination, the arbitration panel gives priority to the public interest and the financial capability of the municipal employer, including consideration of other demands on the financial capability of the municipal employer. Effective October 1, 1997, for binding arbitration of teachers' contracts, in assessing the financial capability of a municipal entity, there is an irrefutable presumption that a budget reserve of 5% or less is not available for payment of the cost of any item subject to arbitration. For binding arbitration of all other municipal employee contract, there is an irrefutable presumption that 15% of the municipal employer's budget reserve is not available for payment of the cost of any item subject to arbitration. In light of the employer's financial capability, the panel considers prior negotiations between the parties, the interests and welfare of the employee group, changes in the cost of living, existing employment conditions, and the wages, salaries, fringe benefits, and other conditions of employment prevailing in the labor market, including developments in private sector wages and benefits.

**EDUCATION SYSTEM**

The schools are governed by a nine-member Board of Education. The current configuration of the school system consists of one school for Pre-K students, two schools for pupils in grades K through 3; one lower middle school for pupils in grades 4 through 5; one upper middle school for pupils in grades 6 through 8; and one high school for pupils in grades 9 through 12. The Town's Pre-K program is housed at the Town Campus Learning Center.

In the fall of 2019 the Board of Education voted unanimously to adopt a 4-school model that includes the new construction of a Pre-K-5 school on the Green Hill Road Campus that currently includes Daniel Hand High School and Polson Middle School; undertake improvements to Brown Intermediate School and transition to a K-5 school; maintain Polson Middle School for grades 6-8 and undertake improvements including a new Air Quality/HVAC system, renovations to the auditorium and various security upgrades; and maintain Daniel Hand High School for grades 9-12. Under the 4-school

model, the Town Campus Modulares as well as Ryerson and Jeffrey Elementary Schools will be closed to students. A referendum vote to undertake the aforementioned changes and authorize the issuance of up to \$89.2 million in bond to fund the improvements was approved by voters of the Town in February 2022.

### **ASSESSMENTS**

The Town of Madison had a general property revaluation for the grand list dated October 1, 2018. The Town is in the process of completing a revaluation for October 1, 2023. Under Section 12-62 of the Connecticut General Statutes, the Town must do a revaluation every five years based on generally accepted mass appraisal methods and a revaluation by physical inspection no later than 10 years from the preceding physical inspection. Prior to the completion of each revaluation, the Assessor shall conduct a field review. Public Act 06-148 permits a municipality, upon approval of its legislative body, to phase-in a real property assessment increase resulting from a revaluation over a period of up to five years.

The maintenance of an equitable tax base and the location and appraisal of all real and personal property within the Town for inclusion onto the Grand List is the responsibility of the Assessor's Office. The Grand List represents the total of assessed value for all taxable real and personal property and motor vehicles located within the Town on October 1. A Board of Assessment Appeals determines whether adjustments to the Assessor's list on assessments under appeal are warranted. Assessments for real property are computed at 70 percent of the estimated market value at the time of the last general revaluation.

When a new structure, or modification to an existing structure, is undertaken, the Assessor's Office receives a copy of the permit issued by the Building Inspector. A physical appraisal is then completed and the structure classified and priced from a schedule developed at the time of the revaluation. The property depreciation and obsolescence factors are also considered when arriving at an equitable value.

Motor vehicle lists are furnished to the Town by the State of Connecticut and appraisals of motor vehicles are accomplished in accordance with an automobile price schedule recommended by the Office of Policy and Management.

All personal property (furniture, fixtures, equipment, machinery and leased equipment) is assessed annually with manufacturers and businesses completing and returning to the Assessor's Office standard worksheets for computing value. An assessor's check and audit is completed periodically. Assessments for both personal property and motor vehicles are computed at 70 percent of present market value.

Section 12-124a of the Connecticut General Statutes permits a municipality, upon approval by its legislative body, to abate property taxes on owner-occupied residences to the extent that the taxes exceed eight percent (8%) of the owner's total income, from any source, adjusted for self-employed persons to reflect expenses allowed in determining adjusted gross income. The owner must agree to pay the amount of taxes abated with interest at six percent (6%) per annum, at such rate approved by the legislative body at such time that the residence is sold or transferred or on the death of the last surviving owner. A lien for such amounts is recorded in the land records but does not take precedence over any mortgage recorded before the lien. To date, the Town has one project where the 60% of the taxes are abated for the first five years. For the fiscal year ending June 30, 2024, the amount of taxes abated totaled \$10,500.

### **TAX COLLECTION PROCEDURE**

Taxes for the fiscal year are paid on the grand list of the prior October 1, and are due July 1, payable in two installments, one half on July 1 and one half on January 1. Payments not received by August 1 and February 1 become delinquent and interest will accrue at the rate of 1.5% per month (18% per annum). Outstanding real estate tax accounts are automatically liened each year prior to June 30 with legal demands and alias tax warrants used in the collection of personal property and motor vehicle tax bills. Delinquent motor vehicle and personal property accounts are transferred to suspense account after three years at which time they cease to be carried as receivables. Real estate accounts are transferred to suspense fifteen years after the due date in accordance with state statutes.

**MOTOR VEHICLE PROPERTY TAX RATE**

Connecticut General Statutes Section 12-71e creates a cap on the local property tax mill rate for motor vehicles. The statute provides that (1) for the assessment year October 1, 2016, the mill rate for motor vehicles shall not exceed 39 mills, and (2) for the assessment year October 1, 2017 to October 1, 2020, inclusive, the mill rate for motor vehicles shall not exceed 45 mills, and (3) for the assessment year commencing October 1, 2021, and each assessment year thereafter, the mill rate for motor vehicles shall not exceed 32.46 mills. No district or borough may set a motor vehicle mill rate that if combined with the motor vehicle mill rate of the town or city in which such district or borough is located would result in a combined motor vehicle mill rate in excess of these mill rate caps. The Town’s mill rate for motor vehicles for fiscal year 2023-2024 is 29.97.

For the fiscal year ending June 30, 2022, motor vehicle property tax grants to municipalities that impose mill rates on real property and personal property other than motor vehicles greater than 45 mills or that, when combined with the mill rate of any district located within the municipality, impose mill rates greater than 45 mills, shall be made in an amount equal to the difference between the amount of property taxes levied by the municipality and any district located within the municipality on motor vehicles for the assessment year October 1, 2020, and the amount such levy would have been if the mill rate on motor vehicles for that assessment year was 45 mills. For the fiscal year ending June 30, 2023, and each fiscal year thereafter, motor vehicle property tax grants to municipalities that impose mill rates on real property and personal property other than motor vehicles greater than 32.46 mills or that, when combined with the mill rate of any district located within the municipality, impose mill rates greater than 32.46 mills, shall be made in an amount equal to the difference between the amount of property taxes levied by the municipality and any district located within the municipality on motor vehicles for the assessment year October 1, 2021, and each assessment year thereafter, and the amount such levy would have been if the mill rate on motor vehicles for that assessment year was 32.46 mills.

## V. FINANCIAL INFORMATION

---

### FISCAL YEAR

The Town's fiscal year begins July 1 and ends June 30.

### BASIS OF ACCOUNTING

#### *Accounting Policies*

The financial statements of the Town of Madison, Connecticut have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. Please refer to Appendix A "Basic Financial Statements" herein for compliance and implementation details.

The reporting model includes the following segments:

*Management's Discussion and Analysis ("MD&A")* – provides introductory information on basic financial statements and an analytical overview of the Town's financial activities.

*Government-wide financial statements* – consists of a statement of net assets and a statement of activities, which are prepared on the accrual basis of accounting. These statements distinguish between governmental activities and business-type activities and exclude fiduciary activities (employee retirement system and agency funds). Capital assets, including infrastructure and long-term obligations are included along with current assets and liabilities.

*Fund financial statements* – provides information about the Town's governmental, proprietary and fiduciary funds. These statements emphasize major fund activity and, depending on the fund type, utilize a different basis of accounting.

*Required supplementary information* – in addition to the MD&A, budgetary comparison schedules are presented for the General Fund.

Please refer to Appendix A "Basic Financial Statements" herein for measurement focus and basis of accounting of the government-wide financial statements as well as the fiduciary fund financial statements of the Town of Madison.

### ANNUAL AUDIT

Pursuant to the provisions of the Municipal Auditing Act (Chapter 111 of the Connecticut General Statutes) and the Town of Madison Charter, the Town is obligated to undergo an annual examination by an independent certified public accountant. The current auditors, Mahoney Sabol & Company, LLP, were appointed by the Board of Finance and are required to conduct their examination under the guidelines issued by the State of Connecticut Office of Policy & Management, who receive a copy of said Audit Report when completed.

The most recent annual audit covers the fiscal year ended June 30, 2022, a portion of which is included in this document and made a part hereof as Appendix A. Included in Appendix A are the Town's Basic Financial Statements, Notes to the Financial Statements and Required Supplemental Information, together with the report of the independent auditor as prepared by Mahoney Sabol & Company, LLP, Certified Public Accountants, Glastonbury, Connecticut. The information contained in "Appendix A" is not the whole audit report. Individuals wishing a complete document should contact the Finance Director.

***Certificate of Achievement for Excellence in Financial Reporting:*** The Government Finance Officers' Association of the United States and Canada ("GFOA") has awarded a Certificate of Achievement for Excellence in Financial Reporting to the Town of Madison for its Comprehensive Annual Financial Reports for the fiscal years ending 2016 to 2022. The Certificate of Achievement is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government financial reports.

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized comprehensive annual financial report. The comprehensive annual financial report must satisfy both generally accepted accounting principles and applicable legal requirements.

## **BUDGETARY PROCEDURES**

The referendum adopted budget is used by the Board of Selectmen as a management control device during the year.

Each department head and/or board, commission, committee and agency chairperson must, prior to the end of the third week in December, submit budget requests for the upcoming fiscal year. The requests must be accompanied by a clear explanation of all requests together with an estimate of the current year's expenditures. At this time, all anticipated revenues are submitted with the requests.

During the month of January and February the Board of Selectmen reviews, with department heads and/or commission chairpersons, the individual budgets. Upon completion of the workshops the Board of Selectmen prepares its recommendations which are presented to the Board of Finance with the budget requests.

The Board of Finance, during the months of March and April, meets with department heads and/or commission chairpersons and reviews the budget requests. The final recommended budget is printed as a legal notice and goes to referendum for approval.

A public hearing is held by the Board of Finance at which the Board of Selectmen and the Board of Education shall present their budget recommendations, at which time the public is encouraged to speak out on the budget. The Board of Finance shall recommend a preliminary budget no later than April 15.

In the event that the Board of Finance considers adding to the recommended budget as submitted by the Board of Selectmen, the Board of Finance will confer with the Board of Selectmen concerning such additions. The decision of the Board of Finance will be final. During the last week of April, the Board of Finance will hold a public hearing on the preliminary budgets as recommended by the Board of Finance. After the public hearing, the Board of Finance will approve the final recommended budgets to be submitted for referendum. The Board of Finance shall publish the final recommended budget no less than ten days prior to the referendum. The Board of Selectmen shall set the date of the referendum vote on the budgets. The vote must take place no less than 20 days, or more than 30 days from the date of their action. In the event of a budget rejection, the Board of Finance will hold a public hearing. For the purposes of re-votes on the budget, the Board of Finance need only publish the details of changes of the budget that was previously published.

During the course of the year, the Board of Finance maintains supervision and control over expenditures and revenues through a monthly financial statement prepared by the Director of Finance.

All disbursements are handled by the assistant comptroller in the Finance Office. No appropriation may be used for any purpose other than for which it is made unless recommended by the Board of Selectmen and approved by the Board of Finance and referendum. A request for a Special Appropriation of \$250,000 or less may be recommended by the Board of Selectmen and approved by the Board of Finance without Town Meeting approval. All balances in the General Fund at the end of the fiscal year revert to the Fund Balance.

## **MUNICIPAL BUDGET EXPENDITURES CAP**

Connecticut General Statutes Section 4-661 creates a cap on adopted general budget expenditures for municipalities in Connecticut in order for municipalities to be eligible to receive the full amount of the State's municipal revenue sharing grant. Beginning in fiscal year ending June 30, 2018, and in each fiscal year thereafter, the Office of Policy and Management ("OPM") must reduce the municipal revenue sharing grant amount for those municipalities whose adopted general budget expenditures (with certain exceptions including but not limited to debt service, special education, implementation of court orders or arbitration awards, budgeting for an audited deficit, nonrecurring grants, capital expenditures of \$100,000 or more, or payments on unfunded pension liabilities, and certain major disaster or emergency expenditures) exceeds the spending limits specified in the statute. For each applicable fiscal year, OPM must determine the municipality's percentage growth in general budget expenditures over the prior fiscal year and reduce the grant if the growth rate is equal to or greater than 2.5% or the inflation rate, whichever is greater, each of those amounts adjusted by an amount proportionate to any increase in the municipality's population from the previous fiscal year. The reduction is generally equal to 50 cents for every dollar the municipality spends over this cap. Each municipality must annually certify to the Secretary of the OPM whether such municipality has exceeded the cap set forth in the statute and if so the amount by which the cap was exceeded. For fiscal year ending June 30, 2024 the Town received a municipal revenue sharing grant in the amount of \$446,798.

**Connecticut State Teachers' Retirement System**

The faculty and professional personnel of the Board of Education are eligible to participate in the State of Connecticut Teachers' Retirement System, a multiple employer public employees' retirement system described in the Connecticut

General Statutes Chapter 167a. The system has been established to provide retirement and other benefits for teachers, their survivors and beneficiaries. The financial report for this may be obtained through the State Teachers' Retirement Board.

For further information regarding Pension Plans, fund information and other relevant information, see Appendix A – “Notes to the Financial Statements” herein.

**OTHER POST-EMPLOYMENT BENEFITS**

The Town provides a single-employer other post-employment benefits plan to all Town employees retiring under the Town of Madison’s Retiree Medical Program. The level of these benefits is determined by contract for all union employees and by a Town ordinance for all non-represented employees. The Town currently pays for its other post-employment benefits on a pay-as-you-go basis.

The Town implemented GASB Statement No. 74. The following net OPEB liability of the Town OPEB Plan at June 30, 2022, determined by an actuarial valuation as of July 1, 2021 and based on actuarial assumptions as of that date, were as follows:

### **INVESTMENT POLICIES AND PROCEDURES**

Under the Town Charter and Connecticut General Statutes Sections 7-400, as amended by Public Act 94-190, 7-401 and 7-402, the Town may invest in (a) obligations of the United States of America, including joint and several obligations of the Federal Home Loan Mortgage Association, the Federal National Mortgage Association, the Federal Government National Mortgage Association, the Federal Savings and Loan Insurance Corporation, obligations of the United States Postal Service, all the federal home loan banks, all the federal land banks, the Tennessee Valley Authority, or any other agency of the United States government, (b) certain mutual funds and money market mutual funds investing in such obligations or repurchase agreements fully collateralized by such obligations; (c) certain state and municipal bonds and notes, and may make deposits with certain "qualified public depositories". Under the Town's investment policy, the Town may invest in any obligation authorized under the Connecticut General Statutes as well as State of Connecticut Investment Pools.

On January 21, 2004, the Town updated its investment policy for all financial assets of the Town, excluding assets of funds of any pension plan held by or managed by the Town. As previously adopted, the policy limits investments to instruments maturing within one year at the time of purchase for funds required during the course of the fiscal year. The average maturity of all funds invested shall not exceed six months at any time to insure liquidity of funds. The revised policy added a new provision which allows a portion of the fund balance reserve and non-cyclical funds to be invested in longer term securities with an objective of increasing the rate of return consistent with prudent risk management, subject to the following investment limitations: (a) maturities shall not exceed eight years, (b) securities shall have maturities evenly spread over the investment period ("laddering"), (c) the maximum dollar amount of the portion to be so invested shall be set by the Board of Finance and reviewed annually or as required; and (d) an investment committee, consisting of the First Selectman or Acting First Selectman and the Chairman of the Board of Finance shall oversee the investments. All investment securities purchased by the Town of Madison shall be held in third party safekeeping by an institution designated as the primary agent. The primary agent shall issue a safekeeping receipt to the Town of Madison listing the specific instrument, rate, maturity and other pertinent information. The Town does not invest in derivative products.

The Department of Finance is required to generate semi-annual reports for review by the Board of Selectmen and the Board of Finance. These reports shall indicate the specific instrument, rate and maturity of investments held as of that date.

All Town pension funds are invested with investment managers and for educators, the State of Connecticut Retirement Commission oversees the investment pool for teachers and administrators. For a further description of the Town's Pension Plans, see Appendix A, herein.

## LEGAL REQUIREMENTS FOR APPROVAL OF BORROWING

The Town has the power to incur indebtedness by issuing its bonds as authorized by the General Statutes of the State of Connecticut subject to statutory debt limitations and the requirements of the Town Charter for the authorization of indebtedness. Under the Charter, issuance of bonds and notes shall require approval by a town meeting except for notes issued in anticipation of taxes.

Pursuant to Section 7-370c of the General Statutes of the State of Connecticut, the elective legislative body of a municipality is empowered to authorize by resolution the issuance of refunding bonds.

## TEMPORARY FINANCING

When general obligation bonds have been authorized, bond anticipation notes may be issued maturing in not more than two years (CGS Sec. 7-378). Temporary notes may be renewed up to ten years from their original date of issue as long as all project grant payments are applied toward payment of project costs or temporary notes when they become due and payable, and the legislative body schedules principal reductions by the end of the third year and for each subsequent year during which such temporary notes remain outstanding, in an amount equal to a minimum of 1/20<sup>th</sup> (1/30<sup>th</sup> for sewer projects and certain school projects) of the estimated net project cost (CGS Sec. 7-378a). The term of the bond issue is reduced by the amount of time temporary financing exceeds two years.

Temporary notes must be permanently funded no later than ten years from their initial borrowing date, except sewer notes issued in anticipation of State and/or Federal grants. If written commitment exists, the municipality may renew the sewer notes from time to time in terms not to exceed six months until such time that the final grant payments are received (CGS Sec. 7-378b).

Temporary notes may also be issued for up to 15 years for certain capital projects associated with the operation of a waterworks system (CGS Sec. 7-244a) or a sewage system (CGS Sec. 7-264a). In the first year following the completion of the project(s), or in the sixth year following the original date of issue (whichever is sooner), and in each year thereafter, the notes must be reduced by 1/15<sup>th</sup> of the total amount of the notes issued by funds derived from sources of payment specified by statute. Temporary notes may be issued in one-year maturities for up to 15 years in anticipation of sewer assessments receivable, such notes to be reduced annually by the amount of assessments received during the preceding year (CGS Sec. 7-269a).

## LIMITATION OF INDEBTEDNESS

Municipalities shall not incur indebtedness through the issuance of bonds or notes, which will cause aggregate indebtedness by class to exceed the following:

General Purposes: .....	2.25 times annual receipts from taxation
School Purposes:.....	4.50 times annual receipts from taxation
Sewer Purposes:.....	3.75 times annual receipts from taxation
Urban Renewal Purposes: .....	3.25 times annual receipts from taxation
Pension Obligation Purposes:.....	3.00 times annual receipts from taxation

In no case however, shall total indebtedness exceed seven times the base. "Annual receipts from taxation," (the "base,") are defined as total tax collections (including interest, penalties, and late payment of taxes, and state payments for revenue loss under CGS Sections 12-129d and 7-528).

The statutes also provide for exclusion from the debt limit calculation debt issued in anticipation of taxes; for the supply of water, gas, electricity; for the construction of subways for cables, wires and pipes; for the construction of underground conduits for cables, wires and pipes; and for two or more of such purposes. There are additional exclusions for indebtedness issued in anticipation of the receipt of proceeds from assessments levied upon property benefited by any public improvement and for indebtedness issued in anticipation of the receipt of proceeds from State or Federal grants evidenced by a written commitment or contract but only to the extent such indebtedness can be paid from such proceeds. The statutes also provide for exclusion from the debt limitation any debt upon placement in escrow of the proceeds of refunding bonds, note or other obligations or other funds of the municipality in amount sufficient to provide for the payment when due of the principal and interest on such debt.

## VII. LEGAL AND OTHER INFORMATION

---

### LITIGATION

The Town of Madison, its officers, employees, boards and commissions are defendants in a number of lawsuits. After consultation with the Town's Corporation Counsel and other attorneys providing legal counsel to the Town, it is the opinion of the Town officials that there are no claims or litigation pending, or to their knowledge threatened, which would individually or in the aggregate result in final judgments against the Town, except as outlined below. which would have a material adverse affect on the finances of the Town. However, the Town considers disclosure of the following litigation to be appropriate.

The Town has been named in litigation regarding three former Police officers who were terminated after an independent investigation found them to have violated numerous standards of conduct. The Town has participated in separate arbitrations for the officers, and all three were reinstated with backpay. The Town has appealed these arbitration decisions to the Connecticut Superior Court, and a ruling is not expected until early 2024. The combined backpay at issue for the three officers is currently estimated to be in excess of \$300,000. Additionally, the Town would also be responsible for front pay for the three officers. At this time, an estimate for the amount of the potential front pay is unknown and will depend on the nature and timing of the Superior Court decision, and the decision regarding any future appeals of said decision. Any damages for pain and suffering would be covered under an existing insurance policy in place to cover such judgements.

### MUNICIPAL ADVISOR

The Town has retained Munistat Services, Inc. (the "Municipal Advisor") to serve as its municipal advisor in connection with the issuance of the Bonds and the Notes. The Municipal Advisor has not independently verified any of the information contained in this Official Statement and makes no guarantee as to its completeness or accuracy. The Municipal Advisor's fee for services rendered with respect to the sale of the Bond and the Notes is contingent upon the issuance and delivery of the Bonds and the Notes, and receipt by the Town of payment therefor. The Town may engage the Municipal Advisor to perform other services, including without limitation, providing certain investment services with regards to the investment of Bond or the Note proceeds.

### CLOSING DOCUMENTS

Upon the delivery of the Bonds and the Notes, the winning bidder(s) will be furnished with the following:

1. A Signature and No Litigation Certificate stating that at the time of delivery no litigation is pending or threatened affecting the validity of the Bonds and the Notes or the levy or collection of taxes to pay them;
2. A certificate on behalf of the Town, signed by the First Selectman and the Director of Finance, which will be dated the date of delivery and attached to a signed copy of the Official Statement, certifying that to the best of said officials' knowledge and belief, as of the date bids were received on the Bonds and the Notes, the descriptions and statements in the Official Statement (with such supplemental information concerning ratings, interest rates, and corrections) relating to the Town and its finances were true and correct in all material respects, and did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and that there has been no material adverse change in the financial condition of the Town from that set forth in or contemplated by the Official Statement;
3. The approving opinions of Shipman & Goodwin LLP, Bond Counsel, in substantially the forms set out in Appendices B and C hereto;
4. Executed Continuing Disclosure Agreements in substantially the forms set out in Appendices D and E hereto; and
5. Receipts for the purchase prices of the Bonds and the Notes;

The Town has prepared a Preliminary Official Statement for the Bonds and the Notes which is dated November 29, 2023. The Town deems such Preliminary Official Statement final as of its date for the purposes of SEC Rule 15c2-12(b)(1), but it is subject to revision or amendment. Within seven business days of the award for the Bonds and the Notes, the Town will furnish the winning bidder(s) with a reasonable number of copies of the Official Statement, as prepared for this issue at the Town's expense.

**CONCLUDING STATEMENT**

Additional information may be obtained upon request from the Office of the Director of Finance at (203) 245-6310 or from Munistat Services, Inc. at (203) 421-2880.

Any statements in this Official Statement involving matters of opinion or estimates, whether or not expressly so stated, are intended as such and not as representations of fact. No representation is made that any of such statements will be realized. This Official Statement is not to be constructed as a contract or agreement between the Town and the purchasers or holders of any of the Bonds or the Notes.

This Official Statement is submitted only in connection with the sale of the Bonds and the Notes by the Town and may not be reproduced or used in whole or part for any other purpose.

Shipman & Goodwin LLP are not passing upon and do not assume responsibility for the accuracy or completeness of the statements made in this Official Statement, other than as set forth in Appendix B and Appendix C, herein, and they make no representation that they have independently verified the same.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Finance  
Town of Madison, Connecticut

### Report on the Financial Statements

#### *Opinions*

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Madison, Connecticut (the Town), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Madison, Connecticut, as of June 30, 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinions*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 15 and the information on pages 64 through 78 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town's basic financial statements. The accompanying combining and individual fund financial statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements.

The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements and schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

***Other Information***

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2022, on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control over financial reporting and compliance.

**TOWN OF MADISON, CONNECTICUT**  
MANAGEMENT DISCUSSION AND ANALYSIS  
AS OF AND FOR THE YEAR ENDED JUNE 30, 2022

---

The management of the Town of Madison, Connecticut (the Town), offers the readers of its financial statements this narrative overview and analysis of the financial activities of the Town for the fiscal year ended June 30, 2022. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal, which can be found on pages i - vii of this Annual Comprehensive Financial Report.

**FINANCIAL HIGHLIGHTS**

- The assets and deferred outflows of resources of the Town exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$92,165,519 (net position). Of this amount, \$2,668,138 represents the Town's unrestricted net position. The Town's total net position increased by \$3,639,170.
- The Town's total long-term bonded debt decreased by \$2,955,000.
- As of the close of the current fiscal year, the Town's governmental funds reported combined ending fund balances of \$37,598,334, an increase of \$3,472,902 in comparison with the prior year. Of this amount, \$20,771,245 constitutes unassigned fund balance and is available for new spending.
- At the end of the current fiscal year, unassigned fund balance of the General Fund was \$20,771,405. Unassigned fund balance is sufficient to cover 2.7 months of and represents approximately 22.7% of the Town's fiscal year 2023 budgetary expenditure appropriations.

**OVERVIEW OF THE FINANCIAL STATEMENTS**

This discussion and analysis is intended to serve as an introduction to the Town's basic financial statements. The Town's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

**Government-wide Financial Statements**

The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the Town's assets, deferred outflows and inflows of resources, and liabilities, with the difference between these elements reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The statement of activities presents information showing how the Town's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods.

**OVERVIEW OF THE FINANCIAL STATEMENTS *(Continued)***

**Government-wide Financial Statements *(Continued)***

Both of the government-wide financial statements are intended to distinguish functions of the Town that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the Town include: general government, public safety, public works, land and building administration, health and welfare, beach and recreation, library, and education. The Town does not have any business-type activities.

The government-wide financial statements include only the Town itself because there are no legally separate organizations for which the Town is financially accountable.

The government-wide financial statements can be found on pages 16 and 17 of this report.

**Fund Financial Statements**

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Town can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

***Governmental Funds***

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental funds financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating the Town's near-term financing requirements.

Because the focus of governmental funds financial statements is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the Town's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The Town maintains a number of individual governmental funds. Information is presented separately in the governmental funds balance sheet and in the governmental funds statement of revenues, expenditures, and changes in fund balances for the General Fund, the Capital Projects Fund, the Special Education Grants Fund, and the American Rescue Plan Fund, which are considered to be major funds. Data from the other remaining governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided as supplementary information in the form of combining statements.

The basic governmental fund financial statements can be found on pages 18 through 21 of this report.

**OVERVIEW OF THE FINANCIAL STATEMENTS *(Continued)***

**Fund Financial Statements *(Continued)***

***Proprietary Funds***

The Town maintains one type of proprietary fund. Internal service funds are an accounting device used to accumulate and allocate costs internally among the Town's various functions. The Town uses internal service funds to report activities that provide supplies and services for the Town's other programs and activities - such as the Town's Health Internal Service Fund. Because these services benefit governmental functions, they have been included within governmental activities in the government-wide financial statements.

The basic proprietary fund financial statements can be found on pages 22 through 24 of this report.

***Fiduciary Funds***

Fiduciary funds are used to account for resources held for the benefit of parties outside the Town government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to the Town's own programs. The accounting used for fiduciary funds is much like that used for the government-wide financial statements.

The basic fiduciary fund financial statements can be found on pages 25 and 26 of this report.

**Notes to the Financial Statements**

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and governmental funds financial statements.

**Other Information**

In addition to the basic financial statements and accompanying notes, this report also contains required supplementary information, combining and individual fund statements and schedules, and a statistical section.

**GOVERNMENT-WIDE FINANCIAL ANALYSIS**

**Net Position**

Over time, net position may serve as one measure of a government’s financial position. Net position of the Town totaled \$92,165,519 and \$88,526,349, as of June 30, 2022 and 2021, respectively, and are summarized as follows. Certain reclassifications of been made to the amounts reported for the year ended June 30, 2021 in order to conform with the current year presentation.

	<u>2022</u>	<u>2021</u>	<u>\$ Variance</u>	<u>% Variance</u>
Current and other assets	\$ 53,201,817	\$ 50,098,500	\$ 3,103,317	6.2%
Capital assets, net	<u>107,387,101</u>	<u>109,624,038</u>	<u>(2,236,937)</u>	-2.0%

Unrestricted	<u>2,668,138</u>	<u>(1,016,973)</u>	<u>3,685,111</u>	-362.4%
Total net position	<u>\$ 92,165,519</u>	<u>\$ 88,526,349</u>	<u>\$ 3,639,170</u>	4.1%

94.3% of the Town’s net position as of June 30, 2022 reflects its investment in capital assets, less any related debt used to acquire those assets that is still outstanding. The Town uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Town’s investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources since the capital assets themselves cannot be used to liquidate these liabilities.

**GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)**

**Net Position (Continued)**

2.8% of the Town's net position as of June 30, 2022 is subject to external restrictions on how they may be used and are, therefore, presented as restricted.

The remainder of the Town's net position is considered unrestricted and may be used to meet the Town's ongoing obligations to citizens and creditors.

Significant changes in the Town's financial position consisted of a decrease in long-term liabilities, offset by an increase in deferred inflows of resources. The decrease in long-term liabilities includes an \$8,118,332 increase in the Town's net pension liabilities, offset by a \$11,302,573 decrease in the Town's total OPEB liability. These changes are primarily due to changes in actuarial assumptions and experience, which have been deferred and will be recognized as a component of pension and OPEB expenses in future years.

**Changes in Net Position**

Changes in net position for the years ended June 30, 2022 and 2021 are as follows:

**Governmental Activities**

Governmental activities increased the Town's net position by \$3,639,170. Revenues reported by the Town decreased by \$4,348,475 or 3.9% and expenses decreased by \$4,174,234 or 3.9% when compared to the prior year.

The increase in revenues was impacted by the following:

- A decrease in operating grants and contributions in the amount of \$9.3 million, which was driven by a decrease of \$11.0 million in the amount of pension and OPEB contributions recognized by the Town for its participation in the Connecticut Teachers' Retirement System, offset by an increase of \$1.2 million from a Community Development Block Grant that funded a modernization project of an affordable housing project in Town.
- A \$2.5 million or 3.0% increase in property tax revenues, driven by a combination of an increase in the Town's mill rate and its taxable grand list.
- A gain on the sale of capital assets of \$1.3 million recognized in connection with the sale of Town property for a purchase price of \$2.3 million.
- An increase of \$1.4 million in charges for services, which was primarily driven by a \$680 thousand increase in cafeteria revenues recognized by the School District.

The increase in expenses was impacted by the following:

- A decrease in education expenses in the amount of \$11.0 million relating to changes in the amount of pension and OPEB expense recognized by the Town for its participation in the Connecticut Teachers' Retirement System. Although the Town is not liable for pension and other post-employment benefits provided by the Connecticut Teachers' Retirement System, the Town recognizes both revenues and expenses for the full pension and other post-employment benefit expenses that have been attributed to employees of the Town's School District.
- An increase in land and building administration expenses in the amount of \$1.4 million relating to subrecipient costs incurred for the affordable housing modernization project previously discussed.
- An increase in public safety expenses in the amount of \$1.6 million primarily driven by a \$408 thousand increase in actual budgetary operating costs for police services, an increase in pension expense for both police and fire totaling \$545 thousand, and an increase in allocated insurance and benefits of \$392 thousand.

**FINANCIAL ANALYSIS OF THE TOWN'S FUNDS**

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

**Governmental Funds**

The focus of the Town's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unassigned fund balance may serve as a useful measure of the Town's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the Town's governmental funds reported a combined ending fund balance of \$37,598,334, an increase of \$3,472,902 from the prior year.

**General Fund**

The General Fund is the chief operating fund of the Town. As a measure of the General Fund's liquidity, it may be useful to compare unassigned fund balance to total fund expenditures. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$20,771,405. Unassigned fund balance is sufficient to cover 2.7 months of and represents approximately 22.7% of the Town's fiscal year 2023 budgetary expenditure appropriations. The General Fund has a fund balance of \$22,122,107 as of June 30, 2022, an increase of \$2,107,960 from the prior year fund balance of \$20,014,147. This increase was driven by an increase in property tax revenues of \$2.3 million and the sale of property of \$2.3 million, offset by an increase in public safety expenditures, including the purchase of body and vehicle cameras, library expenditures, and an additional contribution made to the Town's pension plan.

***Budgetary Highlights***

The original budget for the year ended June 30, 2022 planned for the utilization of fund balance in the amount of \$750,000. During the year, additional appropriations were approved in the amount of \$3,581,513. The increase in fund balance of the General Fund on a budgetary basis was \$2,116,545, resulting in a favorable budgetary variance of \$6,448,058. Revenues and other financing sources were \$5,970,495 higher than expected and expenditures and other financing uses were \$477,563 lower than estimated.

Special appropriations during the year totaled \$3,581,513 for the following purposes:

- \$1,000,000 Town Pension
- \$500,000 Coastal Resiliency
- \$62,013 Police Department rank promotions
- \$1,300,000 Janssen Parcel Property Purchase
- \$210,000 Police Department technology
- \$290,000 Public Works - Major Roads
- \$75,000 Legal
- \$75,000 Public Works - Gas and Oil Fuel Costs
- \$20,000 Land Use - Plan of Conservation and Development
- \$49,500 Madison Hose Company 1 Emergency Apparatus

Budgetary Highlights are as follows:

Property tax revenue was \$1,460,791 higher than budgeted due to an increase in the levy and a favorable tax collection rate in excess of 99.5%.

Various fees and charges for services were also higher than budgeted. The Board of Selectmen revenue includes rental income from leasing Island Avenue School, an unbudgeted insurance rebate and other miscellaneous revenue.

The Town Clerk and Building Department received fees in excess of their approved budgets. Intergovernmental revenues were \$993,894 higher primarily due to the receipt of unbudgeted grants.

Other Financing Sources includes proceeds in the amount of \$2,300,000 related to the sale of the Island Avenue School, a former elementary school.

Town departments made rigorous efforts to curtail expenditures, which contributed to a \$477,563 positive variance compared to the budget. This included a positive variance \$161,286 related to Board of Education operating expenditures.

**Propriety Funds**

The net position of the Town's internal service funds decreased by \$750,486 during the current year. The Town currently maintains a net position of \$5,057,944, which represents 4.9 months of operating expenses.

**Capital Projects Fund**

The Capital Projects Fund has a fund balance of \$12,260,817 as of June 30, 2022, an increase of \$954,631 from the prior year fund balance of \$11,306,186. This increase is attributable to advance funding of ongoing projects.

**Special Education Grants Fund**

The Special Education Grants Fund has a fund balance of \$23,137 as of June 30, 2022, a decrease of \$414 from the prior year fund balance. This fund is utilized to account for activities relating to expenditure reimbursement grants from federal and State agencies. As such, revenues generally equal expenditures.

**CAPITAL ASSET AND DEBT ADMINISTRATION**

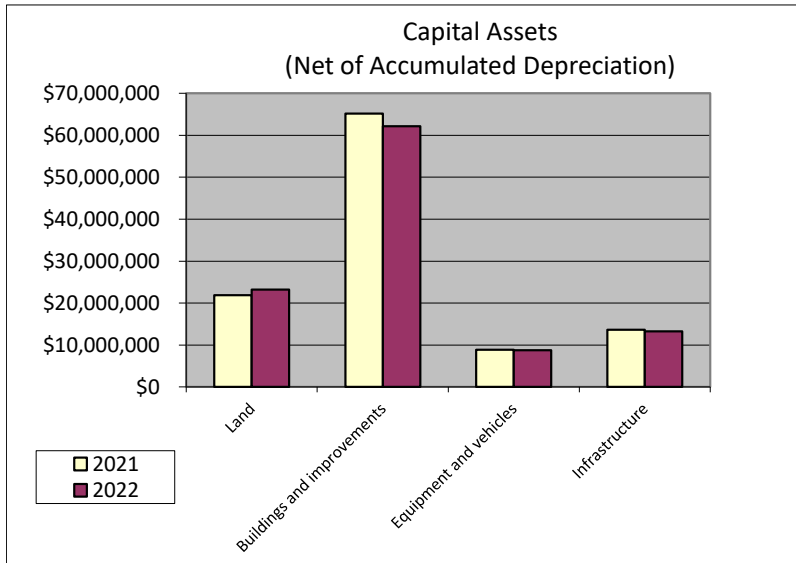

**Capital Assets**

The Town's investment in capital assets for its governmental activities (net of accumulated depreciation) as of June 30, 2022 and 2021 totaled \$107,387,101 and \$109,624,038, respectively. This investment in capital assets includes land, construction in progress, buildings and improvements, equipment and vehicles, and infrastructure, including park facilities, roads, bridges, and water and storm sewers. The net decrease in the Town's investment in capital assets for the current fiscal year was \$2,236,937 or -2.0%.

**CAPITAL ASSET AND DEBT ADMINISTRATION (Continued)**

Major capital asset events during the current fiscal year included the purchase of property for the purpose of building a new school campus, and the purchase of public works and public safety vehicles.

Additional information on the Town’s capital assets can be found in Note 4 of this report starting on page 38.

**Long-Term Debt**

At the end of the current fiscal year, the Town had total principal outstanding on long-term debt, consisting of bonds and financed purchase contracts of \$17,928,295. This entire amount is comprised of debt backed by the full faith and credit of the Town.

The Town’s total long-term debt decreased by \$2,955,438 or 14.2% during the current fiscal year due to new financed purchase contracts of \$828,504, offset by scheduled debt repayments.

The following table is a two-year comparison of long-term debt:

**CAPITAL ASSET AND DEBT ADMINISTRATION (Continued)**

The Town's capital plan is established to control the level of capital expenditures and debt service expenditures in order to maintain a level amount of debt service expenditures and to avoid any sharp increase in property tax rates. Debt levels are managed to ensure that debt service requirements of new debt reasonably coincide with the normal amortization of existing debt service expenditures.

State statutes limit the amount of general obligation debt the Town may issue to seven times its annual receipts from taxation, as defined by the statutes. The current capacity of borrowing for the Town is significantly in excess of the Town's outstanding general obligation debt.

Additional information on the Town's long-term debt can be found in Note 8 of this report starting on page 41.

**ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES**

A summary of key economic factors affecting the Town are as follows:

- Inflationary trends in the region approximate the national indices.
- Significant estimates affecting next year's budget that are subject to change in the near term consist of the following:
  - For purposes of calculating property tax revenues for fiscal year 2023, the assessor's grand list was used along with an estimated tax rate, and an estimated rate of collection, with deductions for taxes to be paid by the State on behalf of certain taxpayers.
  - The Town receives intergovernmental revenues from the State of Connecticut. Connecticut's economy moves in the same general cycle as the national economy, which may affect the amount of intergovernmental revenues the Town will receive. The Town's budget for such grants were based on estimates from the State.

All of these factors were considered in preparing the Town's budget for fiscal year 2023.

The fiscal year 2023 budget was adopted by the Town in May 2022. The budget provides for \$91,360,085 in expenditures. The budget appropriation allows the Town to continue maintaining the same level of programs and services to its residents. The budget includes a planned use of fund balance in the amount of \$500,000 and resulted in a 1.66% increase in the Town's mill rate.

**REQUESTS FOR INFORMATION**

This financial report is designed to provide a general overview of the Town's finances for all those with an interest in the Town's finances. **TOWN OF MADISON, CONNECTICUT**  
**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND**  
**CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES**  
**FOR THE YEAR ENDED JUNE 30, 2022**

Net change in fund balances - total governmental funds \$ 3,472,902

Total change in net position reported for governmental activities in the statement of activities is different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. The amount by which depreciation and amortization exceeded capital outlays in the current period is as follows:

Expenditures for capital assets	\$ 2,567,127	
Depreciation and amortization expense	<u>(3,795,144)</u>	
Net adjustment		(1,228,017)

In the statement of activities, only the gain (loss) on the sale of capital assets is reported whereas the proceeds from the sale increase financial resources in the governmental funds. (1,008,920)

Deferred outflows and inflows of resources resulting from changes in the components of the net pension and total OPEB liabilities are amortized as a component of pension and OPEB expenses in the statement of activities. (3,251,916)

The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of principal on long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. The net effect of these differences in the treatment of long-term obligations is as follows:

Debt issued or incurred:		
Financed purchases	(828,504)	
Principal repayments:		
Bonds	2,955,000	
Financed purchases	<u>828,942</u>	
Net adjustment		2,955,438

Certain revenues reported in the statement of activities do not provide current financial resources and therefore are reported as unavailable revenues in the governmental funds. This amount represents the change in unavailable revenues. (57,618)

Under the modified accrual basis of accounting used in the governmental funds, expenditures are not recognized for transactions that are not normally paid with expendable available financial resources. In the statement of activities, however, which is presented on the accrual basis, expenses and liabilities are reported regardless of when financial resources are available. In addition, interest on long-term debt is not recognized under the modified accrual basis of accounting until due, rather than as it accrues. The net effect of such items is as follows:

Accrued interest	(7,389)	
Amortization of deferred charges on refunding	(130,484)	
Amortization of bond premiums	206,199

**TOWN OF MADISON, CONNECTICUT**  
NOTES TO FINANCIAL STATEMENTS  
AS OF AND FOR THE YEAR ENDED JUNE 30, 2022

---

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of Town of Madison, Connecticut (the Town), have been prepared in conformity with accounting principles generally accepted in the United States of America, as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Town's significant accounting policies are described below.

**Financial Reporting Entity**

The Town operates under the provisions of its charter and the General Statutes of the State of Connecticut. The legislative body is the Town Meeting. The executive body is made up of a Board of Selectmen, consisting of a First Selectman and four other board members. Election to the Board of Selectmen is for two-year terms. A six-member Board of Finance is responsible for presenting fiscal operating budgets to the Annual Town Meeting. Board of Finance members are elected for four-year terms. A nine-member elected Board of Education is responsible for the operation of the Town's public school system.

**Government-wide Financial Statements**

The statement of net position and the statement of activities display information about the Town and include the financial activities of the overall government, except for fiduciary activities. Eliminations have been made to minimize the double-counting of internal activities, however interfund services provided and used are not eliminated in the process of consolidation. The statements distinguish between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange transactions. Business-type activities are financed in whole or in part by fees charged to external parties. The Town has no business-type activities.

The statement of activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Taxes and other items not properly included among program revenues are reported as general revenues.

**Fund Financial Statements**

The fund financial statements provide information about the Town's funds, including its fiduciary funds. Separate statements for each fund category – governmental, proprietary and fiduciary - are presented. The emphasis of fund financial statements is on major governmental funds, each displayed in a separate column. All remaining governmental funds are aggregated and reported as non-major funds.

The Town reports the following major governmental funds:

*General Fund* - This fund is the Town's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

*Capital Projects Fund* - This fund is used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by Proprietary Funds or Trust Funds). The major sources of revenue for this fund are annual transfers from the General Fund, bond proceeds and grant revenues.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)***

**Fund Financial Statements *(Continued)***

*Special Education Grants Fund* - This fund is used to account for education related grants from the State of Connecticut and federal government.

*American Rescue Plan Fund* - This fund is used to account for the receipt of Local Fiscal Recovery Funds established by the American Rescue Plan Act.

In addition, the Town reports the following fund types:

*Internal Service Funds* - These funds account for certain risk management activities of the Town.

*Pension Trust Funds* - These funds are used to account for resources held in trust for the members and beneficiaries of the Town's retirement pension plans.

**Measurement Focus and Basis of Accounting**

The accounting and financial reporting treatment is determined by the applicable measurement focus and basis of accounting. Measurement focus indicates the type of resources being measured such as *current financial resources* or *economic resources*. The basis of accounting indicates the timing of recognition in the financial statements of various kinds of transactions or events.

The government-wide, proprietary, and fiduciary fund financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized when they have been earned and they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Town considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service principal and interest expenditures on general long-term debt, including lease liabilities, as well as expenditures related to compensated absences, claims and judgments, and postemployment benefits are recognized later based on specific accounting rules applicable to each, generally when payment is due. General capital asset acquisitions, including entering into contracts giving the Town the right to use leased assets, are reported as expenditures in governmental funds. Issuance of long-term debt and financing through leases are reported as other financing sources.

Property taxes and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues in the current fiscal period. Entitlements are recorded as revenues when all eligibility requirements are met, including any time requirements, and the amount is either received or available to be received during the period or within the availability period for this revenue source (within 60 days of yearend). Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other eligibility requirements have been met, and the amount is either received or available to be received during the period or within the availability period for this revenue source (within 60 days of yearend). All other revenue items are considered to be measurable and available only when the cash is received.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)***

**Measurement Focus and Basis of Accounting *(Continued)***

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Town's internal service funds are charges to customers for services. Operating expenses for the internal service funds include the cost of services and administrative expenses. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

**Assets, Liabilities, Deferred Outflows and Inflows of Resources and Net Position/Fund Balance**

**Cash and Cash Equivalents**

The Town's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition. For purposes of the statement of cash flows, the Town's proprietary funds consider their demand deposits and all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

**Investments**

Investments with a maturity of less than one year when purchased, non-negotiable certificates of deposit, and other nonparticipating investments are reported at cost or amortized cost. Investments in certain external investment pools that meet specific criteria for measuring its investments at amortized cost are reported at amortized cost. All other investments in external investment pools and investments with maturity greater than one year when purchased are stated at fair value. Fair value is the price that would be received to sell an investment in an orderly transaction at year end.

**Donor-restricted Endowments**

The Town has received certain endowments for education scholarships. The amounts are reflected in net position as restricted for trust purposes. Investment income (including appreciation) is approved for expenditure by the Board of Education. The amount of appreciation (depreciation) included in restricted fund balance was \$485,564.

The Town allocates investment income of donor-restricted endowments in accordance with donor restrictions and Connecticut law, which has adopted the provisions of the Uniform Prudent Management of Institutional Funds Act (UPMIFA). Under UPMIFA, investment income earned on donor-restricted endowment funds is considered to be unrestricted in the absence of explicit donor restrictions. Further, in the absence of explicit donor restrictions regarding investment appreciation, such appreciation is treated the same as the related investment income. Investment losses that reduce the value of endowment investments below the original principal amount serve to reduce restricted net position or unrestricted net position, depending on the applicable donor's stipulations regarding the treatment of investment income and appreciation.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)***

**Assets, Liabilities, Deferred Outflows and Inflows of Resources and Net Position/Fund Balance *(Continued)***

**Property Taxes and Assessments**

Property taxes are assessed as of October 1 and are levied on the following July 1. Real estate and personal property taxes are due in two installments, July 1 and the following January 1. Motor vehicle taxes are payable on July 1 and supplemental motor vehicle taxes are payable on January 1. Taxes become delinquent thirty days after the installment is due and liens are filed on delinquent real estate taxes on May 1<sup>st</sup> following the due date. Interest is charged on delinquent amounts at a statutory rate of 1.5% per month. Based on historical collection experience and other factors, the Town has established an allowance for uncollectible taxes and interest as of June 30, 2022 of \$42,000 and \$34,000, respectively.

**Capital Assets**

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year.

As the Town constructs or acquires capital assets each period, they are capitalized and reported at historical cost. The reported value excludes normal maintenance and repairs, which are amounts spent in relation to capital assets that do not increase the asset's capacity or efficiency or increase its estimated useful life. Donated capital assets are recorded at acquisition value at the date of donation. Acquisition value is the price that would be paid to acquire an asset with equivalent service potential on the date of the donation. Intangible assets follow the same capitalization policies as tangible capital assets and are reported with tangible assets in the appropriate capital asset class.

Land and construction in progress are not depreciated. Other tangible and intangible property and equipment are depreciated/amortized using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings and improvements	25 – 50
Equipment and vehicles	3 – 20
Infrastructure	10 – 65

**Leases (as Lessor)**

The Town recognizes a lease receivable and a deferred inflow of resources in the government-wide and governmental fund financial statements. At the commencement of a lease, the Town initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

Key estimates and judgments include how the Town determines (1) the discount rate it uses to discount the expected lease receipts to present value, (2) lease term, and (3) lease receipts. The Town uses its estimated incremental borrowing rate as the discount rate for leases. The lease term includes the noncancellable period of the lease. Lease receipts included in the measurement of the lease receivable is composed of fixed payments from the lessee. The Town monitors changes in circumstances that would require a remeasurement of its lease, and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)***

**Assets, Liabilities, Deferred Outflows and Inflows of Resources and Net Position/Fund Balance *(Continued)***

**Deferred Outflows and Inflows of Resources**

Deferred outflows and inflows of resources represent an acquisition or consumption of net assets that applies to a future period(s) and so will not be recognized as an inflow or outflow of resources until that time.

Deferred outflows and inflows of resources consists of deferred charges on refundings and deferred pension and OPEB expenses reported in the government-wide statement of net position. Deferred charges on refundings resulted from the difference in the carrying value of previously refunded debt and the reacquisition price of the debt and are being amortized to interest expense using the effective-interest method over the life of the related bonds. Deferred pension and OPEB expenses resulted from changes in the components of the Town's net pension and OPEB liabilities and are being amortized as a component of pension and OPEB expenses on a systematic and rational basis.

Deferred inflows of resources also include unavailable revenues from property taxes and related interest in the governmental funds balance sheet. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

**Unearned Revenue**

Unearned revenue represents resources that have been received but not yet earned.

**Long-term Obligations**

***Long-term Debt***

The applicable accounting standards define debt as a liability that arises from a contractual obligation to pay cash, or other assets that may be used in lieu of cash, in one or more payments to settle an amount that is fixed at the date the contractual obligation is established. For disclosure purposes, debt does not include accounts payable or leases, except for contracts reported as financed purchase of the underlying assets.

In the government-wide financial statements, long-term debt is reported as liabilities in the statement of net position. Premiums and discounts on long-term debt are deferred and amortized over the life of the related debt using the effective interest rate method and the debt is reported net of any unamortized premium or discount. In the governmental fund financial statements, premiums and discounts are recognized in the current period.

In the governmental fund financial statements, debt premiums and discounts are recognized during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

***Compensated Absences and Employee Retirement Obligations***

It is the Town's policy to permit employees to accumulate unused sick and vacation pay benefits. Benefits are determined by union contracts. Certain Board of Education personnel are also eligible for certain retirement incentives that are paid out over time. In addition, certain police employees are eligible for heart and hypertension benefits. All compensated absences and employee retirement obligations are recorded when incurred in the government-wide financial statements. Expenditures for compensated absences and employee retirement obligations are recognized in the governmental fund financial statements in the current year to the extent they are paid during the year, or the vested amount is expected to be paid with available resources.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)***

**Assets, Liabilities, Deferred Outflows and Inflows of Resources and Net Position/Fund Balance *(Continued)***

**Long-term Obligations *(Continued)***

***Leases (as Lessee)***

The Town recognizes a lease liability and an intangible right-to-use lease asset (lease asset) for a noncancellable lease in the government-wide financial statements. The Town recognizes lease liabilities with an initial, individual value of \$20,000 or more.

**Net Position**

For government-wide reporting as well as in proprietary funds, the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources is called net position. Net position is comprised of three components: net investment in capital assets, restricted, and unrestricted.

*Net investment in capital assets* - This component of net position consists of capital assets, net of accumulated depreciation and amortization and reduced by outstanding balances for bonds, notes and other debt that are attributed to the acquisition, construction or improvement of those assets. Deferred outflows and inflows of resources that are attributable to the acquisition, construction, or improvement of those assets or related are also included in this component of net position.

*Restricted net position* - This component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. Assets are reported as restricted when constraints are placed on the use of those assets either by external parties or by law through constitutional provision or enabling legislation.

*Unrestricted net position* - This component of net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that does not meet the definition of the two preceding categories.

Sometimes the Town will fund outlays for a particular purpose from both restricted and unrestricted resources. In order to calculate the amounts to report as restricted net position and unrestricted net position in the government-wide and proprietary fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Town's practice to consider restricted net position to have been depleted before unrestricted net position is applied.

**Fund Balance**

In governmental fund types, the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources is called fund balance. The Town's governmental funds report the following categories of fund balance, based on the nature of any limitations requiring the use of resources for specific purposes.

The Town's governmental funds report the following fund balance categories:

*Nonspendable* - Amounts that cannot be spent because they are not in spendable form or they are legally or contractually required to be maintained intact.

*Restricted* - Constraints placed on the use of resources that are either externally imposed by creditors, grantors, contributors or laws and regulations of other governments, or imposed by law through enabling legislation.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)***

**Assets, Liabilities, Deferred Outflows and Inflows of Resources and Net Position/Fund Balance *(Continued)***

**Fund Balance *(Continued)***

*Committed* - Amounts can only be used for specific purposes pursuant to constraints imposed by formal action of the citizens of the Town (the highest level of decision making authority) specified by charter or ordinance and cannot be used for any other purpose unless the Town removes or changes the specified use by taking the same formal action. The formal action required to be taken to commit fund balance includes formal voting procedures regulated by the Town Charter.

*Assigned* - Amounts are constrained by the government's intent to be used for specific purposes, but are not restricted or committed. Amounts may be constrained to be used for a specific purpose by a governing board or body or official that has been delegated authority to assign amounts by Town Charter. The Board of Finance has delegated the responsibility to assign funds to the Town's Director of Finance, with the exception of those amounts assigned by the Board of Finance during the Town's annual budgeting process. Funds are assigned through the approval of a valid purchase order resulting in an encumbering of the funds as of yearend.

*Unassigned* - Residual classification for the General Fund or amounts necessary in other governmental funds to eliminate otherwise negative fund balance amounts in the other four categories.

Sometimes the Town will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. In accordance with the Town's policy, the Town uses restricted resources first, then unrestricted resources as needed. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

**Interfund Activity**

During the course of operations the Town has activity between funds for various purposes. Any residual balances outstanding at year end are reported as due from/to other funds and advances to/from other funds. Further, certain activity occurs during the year involving transfers of resources between funds reported at gross amounts as transfers in/out. While these balances are reported in fund financial statements, certain eliminations are made in the preparation of the government-wide financial statements. Balances between the funds included in governmental activities (i.e., the governmental and internal service funds) are eliminated so that only the net amount is included as internal balances in the governmental activities column. Transfers between the funds included in governmental activities are eliminated so that only the net amount is included as transfers in the governmental activities column.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**NOTE 2 - CASH DEPOSITS AND INVESTMENTS**

**Cash Deposits**

A reconciliation of the Town's cash deposits as of June 30, 2022 is as follows:

Government-wide statement of net position:	
Cash and cash equivalents	\$ 50,837,415
Statement of fiduciary net position:	
Cash and cash equivalents	<u>1,105,031</u>
	51,942,446
Less: cash equivalents considered investments for disclosure purposes	<u>(8,478,990)</u>
	<u>\$ 43,463,456</u>

**Custodial Credit Risk**

Custodial credit risk is the risk that, in the event of a bank failure, the Town will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The Town's policy provides for uninsured demand and time deposits with banks and savings and loan institutions to be collateralized as prescribed in the Connecticut General Statutes. In addition, in order to anticipate market changes and provide for a level of security for all funds, all public deposits shall be held in qualified public depositories. As of June 30, 2022, \$42,220,323 of the Town's bank balance of \$43,342,869 was exposed to custodial credit risk as follows:

Uninsured and uncollateralized	\$ 37,998,291
Uninsured and collateralized with securities held by the pledging bank's trust department or agent but not in the Town's name	<u>4,222,032</u>
	<u>\$ 42,220,323</u>

All of the Town's deposits were in qualified public institutions as defined by Connecticut General Statutes. Under this statute, any bank holding public deposits must at all times maintain, segregated from its other assets, eligible collateral in an amount equal to a certain percentage of its public deposits. The applicable percentage is determined based on the bank's risk-based capital ratio. The amount of public deposits is determined based on either the public deposits reported on the most recent quarterly call report, or the average of the public deposits reported on the four most recent quarterly call reports, whichever is greater. The collateral is kept in the custody of the trust department of either the pledging bank or another bank in the name of the pledging bank.

**Credit Risk**

The Town has no investment policy that would further limit its investment choices beyond those already limited by Connecticut state statutes. Connecticut state statutes permit the Town to invest in: (1) obligations of the United States, including its instrumentalities and agencies; (2) in obligations of any state or of any political subdivision, authority or agency thereof, provided such obligations are rated within one of the top two rating categories of any recognized rating service; (3) in shares or other interests in custodial arrangements or pools maintaining constant net asset values and in highly rated no-load open end money market and mutual funds (with constant or fluctuating net asset values) whose portfolios are limited to obligations of the United States and its agencies, and repurchase agreements fully collateralized by such obligations; (4) or in obligations of the State of Connecticut or of any political subdivision thereof, provided such obligations are rated within one of the top three rating categories of any recognized rating service. Other provisions of the statutes cover specific municipal funds with particular investment authority. The provisions of the statutes regarding the investment of municipal pension funds does not specify permitted investments. Therefore, the investment of such funds is generally controlled by the laws applicable to fiduciaries and the provisions of the applicable pension plan.

The Town's investments in debt securities were rated as follows at June 30, 2022:

<u>Investment type</u>	<u>AAA</u>	<u>AA</u>	<u>A</u>	<u>BBB</u>	<u>Unrated</u>	<u>Total</u>
<b><i>Governmental Activities:</i></b>

**Custodial Credit Risk**

Custodial credit risk for an investment is the risk that, in the event of the failure of the counterparty (the institution that pledges collateral or repurchase agreement securities to the Town or that sells investments to or buys them for the Town), the Town will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Town does not have a policy for custodial credit risk. At June 30, 2022, the Town did not have any uninsured and unregistered securities held by the counterparty or by its trust department or agent that were not in the Town's name.

**Concentration of Credit Risk**

Concentration of credit risk is the risk of loss attributed to the magnitude of the Town's investment in a single issuer. Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from concentration of credit risk disclosures. As of June 30, 2022, none of the Town's investments, in any one issuer that is subject to concentration of credit risk disclosures, exceeded 5.0% or more of the total investments reported for the Town's governmental activities or fiduciary funds. Additional disclosures regarding concentration of credit risks related to the Town's pension trust funds have been disclosed in Note 9.

**NOTE 3 - FAIR VALUE DISCLOSURES**

The Town measures and records its investments using fair value measurement guidelines established by generally accepted accounting principles. These guidelines recognize a three-tiered fair value hierarchy as follows:

- Level 1: Quoted prices for identical investments in active markets;
- Level 2: Observable inputs other than those in Level 1; and
- Level 3: Unobservable inputs.

Investments are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Town's financial assets that are accounted for at fair value on a recurring basis as of June 30, 2022, by level within the fair value hierarchy are presented in the table below:

<b>Financial Assets Measured at Fair Value</b>	<b>Prices in Active Market (Level 1)</b>	<b>Significant Other Observable Inputs (Level 2)</b>	<b>Significant Unobservable Inputs (Level 3)</b>	<b>Total</b>
<b><i>Fiduciary Activities:</i></b>				
U.S. Agency securities	\$ 7,306,672	\$ -	\$ -	\$ 7,306,672
Corporate bonds	-	3,403,527	-	3,403,527
Mutual funds	14,817,951	-	-	14,817,951
Equity securities	5,776,142	-	-	5,776,142
Exchange traded funds	4,227,166	-	-	4,227,166
Real estate investment trusts	1,091,690	-	-	1,091,690
	<u>\$ 33,219,621</u>	<u>\$ 3,403,527</u>	<u>\$ -</u>	36,623,148
		Investments reported at a amortized cost		8,478,990
				<u>\$ 45,102,138</u>

U.S. Agency securities are normally valued using a model that incorporates market observable data such as reported sales of similar securities, broker quotes, yields, bids, offers, and reference data. U.S. Agency securities are categorized in level 1 or level 2 of the fair value hierarchy depending on the inputs and market activity levels for specific securities.

Corporate bonds are estimated using various techniques, which may consider the recently executed transactions in securities of the issuer or comparable issuers, market price quotations (where observable), bond spreads, and fundamental data relating to the issuer. To the extent the inputs are observable and timely, the values have been categorized in level 2 of the valuation hierarchy.

Mutual funds, equity securities, exchange traded funds and real estate investment trust funds that are traded on a national securities exchange are valued at the last reported sales price on the day of valuation. To the extent these securities are actively trade and valuation adjustments are not applied, they are categorized in level 1 of the fair value hierarchy.

Long-term liabilities have typically been liquidated in the General Fund.

**General Obligation Bonds**

The Town issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. General obligation bonds are direct obligations of the Town for which full faith and credit are pledged and payable from taxes levied on all taxable properties located within the Town. General obligation bonds currently outstanding are as follows:

<u>Purpose of Bonds</u>	<u>Date of Issue</u>	<u>Original Issue</u>	<u>Interest Rates</u>	<u>Maturity Date</u>	<u>Amount Outstanding</u>
<b>Governmental Activities</b>					
Bonds Payable					
General Obligation Refunding Bonds	6/9/2016	\$ 8,555,000	2.0 - 4.0%	12/15/2030	\$ 5,305,000

					<u>\$ 16,300,000</u>

**Financed Purchases**

The Town has entered into financed purchase contracts for the acquisition of capital assets. The contracts include non-appropriation clauses and provide the obligors with security interests in the underlying assets in the event of default. Ownership of the underlying assets are transferred to the Town at the end of the contract. The Town makes equal annual payments of principal and interest at an interest rates ranging from 1.3% to 4.6% through various maturity dates.

**NOTE 8 - LONG-TERM LIABILITIES *(Continued)***

**Advance Refundings**

The Town has refunded general obligation bonds in prior years. At June 30, 2022, \$14,575,000 of defeased bonds remain outstanding. The difference between the reacquisition price (the amount placed in escrow) and the net carrying amount of the refunded bonds resulted in deferred charges on refundings. This amount, net of accumulated amortization, has been presented as a deferred outflow of resources in the government-wide financial statements and is being amortized to interest expense using the effective-interest method over the life of the new bonds. Amortization of deferred charges on refundings totaled \$130,484 for the year ended June 30, 2022.

The general obligation bonds refunded are considered defeased and the liability for those bonds has been removed from the statement of net position. Proceeds from the issuance of the refunding bonds are being held by an escrow agent in an irrevocable trust fund to provide all future debt service payments on the refunded bonds.

**Legal Debt Limit**

Connecticut General Statutes Section 7-374(b) provides that authorized debt of the Town shall not exceed seven times base receipts, as defined in the statute. Further, the statute limits the amount of debt that may be authorized by the Town for general purposes, schools, sewers, urban renewal and pension deficit. The statute does exclude from the Town's aggregate debt calculation any debt issued (a) in anticipation of taxes; (b) for water, gas, or electricity supply, electric demand response, conservation and load management, distributed generation, renewable energy projects, cable, wire, and pipe subway construction, underground cable, wire, and pipe conduit construction, constructing and operating a municipal community antenna television system, or a combination of such projects; (c) in anticipation of public improvement benefit assessment revenue; (d) in anticipation of state or federal grant funding; (e) for water pollution control projects in order to meet the energy and environmental protection commissioner's abatement order requirements; and debt issued (f) for which funds have been placed in escrow (from the proceeds of refunding bonds, notes, or other obligations or other municipal funds) in an amount sufficient, together with investment earnings, to provide for the payment when due of the principal of and interest on such debt. The Town did not exceed this statutory debt limitation as of June 30, 2022.

**Long-term Debt Service Requirements**

The debt service requirements for the Town's long-term debt are as follows:

Year ending June 30:	General Obligation Bonds		Financed Purchases

**Early Retirement Incentives**

The Town provides special termination benefits to former employees in the form of early retirement incentives. During the year ended June 30, 2022, there were no new early retirement incentives offered by the Town. Payments made by the Town on existing arrangements totaled \$76,743. As of June 30, 2022, the Town's liability for early retirement incentives totaled \$36,624.

Future annual payments on early retirement incentives as of June 30, 2022 are as follows:

**NOTE 9 - PENSION PLANS**

**Defined Benefit Pension Plans**

The Town accounts for activity relating to four defined benefit pension plans, (1) the Town Employees' Pension Plan, (2) the Police Pension Plan, (3) the Firemen's Benefit Plan, and (4) the Connecticut Teachers' Retirement System. As of and for the year ended June 30, 2022, the four plans had the following balances reported in the Town's government-wide financial statements:

	<u>Net Pension Liability</u>	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>	<u>On Behalf Revenues</u>	<u>Pension Expense</u>
Town Employees' Pension Plan	\$ 11,930,364	\$ 4,207,230	\$ 51,073	\$ -	\$ 2,504,445

Detailed disclosures for each plan follow.

**Plan Descriptions**

The Town maintains three single employer Public Retirement Systems (PERS) established and administered by the Town to provide pension benefits for its employees. The PERS are considered to be part of the Town's financial reporting entity and are accounted for in the fiduciary fund financial statements as Pension Trust Funds. The Town does not issue stand-alone financial statements for the Pension Trust Funds. The plans are established under authority of a Town Meeting and any changes to the plans must also be approved at a Town Meeting.

Management of the Town Employees' Pension Plan (the Town Plan) rests with the Employee Retirement Board, which consists of five members, one being the Selectman designated as the Pension Liaison (Chairman).

Management of the Firemen's Benefit Plan (the Fire Plan) rests with the Firemen's Benefit Committee, which consists of seven members; one member from North Madison Fire Company, one member from Madison Hose Company, four members-at-large, and the Selectman designated as the Pension Liaison.

Management of the Police Pension Plan (the Police Plan) rests with the Police Retirement Board, which consists of five members. The members consist of a Police Union Representative, three members-at-large, and the Selectman designated as the Pension Liaison.

**Summary of Significant Accounting Policies**

The PERS are accounted for using the accrual basis of accounting. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions to the plans are recognized when due and the employer has made a formal commitment to provide contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the Plans.

*Investments* - Investments are generally measured at fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates. Investments in money market mutual funds are measured at net asset value per share as determined by the fund. Investment income is recognized when earned and gains and losses on sales or exchanges are recognized on the transaction date.

*Investment policy* - The investment policy in regard to the allocation of invested assets is established and may be amended by the PERS Board by a majority vote of its members. It is the policy of the PERS Board to pursue an investment strategy that reduces risk through the prudent diversification of the portfolio across a broad selection of distinct asset classes. The investment policy discourages the use of cash equivalents, except for liquidity purposes, and aims to refrain from dramatically shifting asset class allocations over short time spans.

*Concentrations* - As of June 30, 2022, there were no investments in any one issuer that represented 5.0% or more of each plan's total investments.

*Rate of return* - For the year ended June 30, 2022, the annual money-weighted rate of return on the Town Plan's, the Police Plan's and the Fire Plan's investments, net of pension plan investment expense, was -15.44%, -14.32% and -14.00%, respectively. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

*Administrative costs* - A portion of the administrative costs of the Plans are funded through the Town's General Fund with the remaining portion funded from investment earnings of the Plans.

**Plan Membership**

Membership of the PERS consisted of the following as of at the date of the latest actuarial valuations:

	<b>Town Plan</b>	<b>Police Plan</b>	<b>Fire Plan</b>
Retirees and beneficiaries currently receiving benefits	143	44	30
Terminated employees entitled to benefit but not yet receiving them	69	1	1

**Benefit Provisions**

*Town Plan* - The retirement plan for Town employees is a noncontributory plan that provides retirement benefits only. However, Town NAGE employees are required to pay 2.0% of pre-tax salary through payroll deduction to the plan. Beginning July 1, 2004, the vesting period was reduced from 10 years to 5 years of credited service. Members who retire at or after age 65 with 10 years of credited service are entitled to an annuity benefit, payable monthly for life, in an amount equal to 2% average compensation (average salary over highest 5 consecutive years) times credited service, with a maximum benefit of 70% of average compensation. Employees may elect actuarial equivalent options including joint and survivor or contingent annuities. Early retirement is available at age 55 and 10 years of employment at a reduced benefit level.

*Police Plan* - The Police Plan provides retirement benefits as well as disability benefits. All benefits vest after 10 years of service. Members who retire after age 55 with 10 years of service, or 20 years of service, are entitled to an annuity retirement benefit, payable monthly for life, in an amount equal to 2.5% of average monthly compensation, times years of credited service (maximum 20 years).

*Fire Plan* - The Fire Plan provides benefits to volunteer firemen. All active firemen on July 1, 1989 are eligible for the plan; however, all eligible members, including those over age 60 must complete at least five years of additional service subsequent to July 1, 1989 in order to receive benefits. Firemen joining the department after July 1, 1989 become eligible for the plan on the anniversary date of the plan upon attaining one year of active service if they are also under the age of 60. Benefits vest 50% after 12 years, 75% after 16 years and 100% after 20 years of active service for the Madison Hose Fire department. Benefits vest 50% after 15 years, 75% after 18 years and 100% after 20 years of active service for the North Madison Fire department. Upon retirement after 20 years of active service and having attained the age of 60, members receive monthly payments of \$250 for 15 years, with the member's beneficiary receiving the remainder of payments in event of the member's death. If the member dies before age 60, the beneficiary will receive the benefits due to the member.

**Funding Policy**

Employer contribution rates are established by the Board of Selectmen and approved by the Board of Finance. Employees covered under the police plan are required to contribute 7.5% of their earnings to the Plan. Police hired after January 1, 2006 are required to contribute 9.0% of their salary. Town and Fire employees hired on or before January 1, 2006 are not required to contribute to their plans. However, Town NAGE employees are required to pay 2.0% of pre-tax salary through payroll deduction to the plan. The Town is required to contribute the remaining amounts necessary to finance the benefits for the participants as determined by its actuaries. The Town made contributions to the Town Plan, Police Plan and Fire Plan of \$2,558,316, \$655,189 and \$71,949, respectively, for the year ended June 30, 2022.

**Net Pension Liabilities *(Continued)***

*Actuarial Assumptions* - The Town's net pension liabilities were measured as of June 30, 2022. The total pension liabilities were determined by actuarial valuations as of July 1, 2021 for each plan, using the following actuarial assumptions, applied to all periods included in the measurement:

	<b>Town Plan</b>	<b>Police Plan</b>	<b>Fire Plan</b>
Inflation	2.75%	2.75%	2.75%
Salary increases, including inflation	Age related	Graded by age	Not applicable
Investment rate of return, net	6.75%	6.75%	6.50%

Mortality rates were based on the PubG-2010 Mortality with generational projection per MP Ultimate Scale for the Town Plan, and PubS-2010 Mortality with generational projection per MP Ultimate Scale for the Police and Fire Plans.

The long-term expected rates of return on investments were determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the plan's target asset allocation as of June 30, 2022 are summarized in the following table:

<b>Asset Class</b>	<b>Target Allocation</b>			<b>Long-term Expected Real Rate of Return</b>		
	<b>Town Plan</b>	<b>Police Plan</b>	<b>Fire Plan</b>	<b>Town Plan</b>	<b>Police Plan</b>	<b>Fire Plan</b>
Cash	3.0%	3.0%	3.0%	2.4%	2.4%	2.4%
Fixed income	32.0%	32.0%	37.0%	4.2%	4.2%	4.1%
Equity	58.0%	58.0%	53.5%	9.0%	11.7%	16.9%
Other	7.0%	7.0%	6.5%	8.5%	8.5%	8.5%

*Discount Rate* - The discount rate used to measure the total pension liabilities were 6.75% for both the Town and Police plans and 6.50% for the Fire plan. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rates and that Town contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rates. Based on those assumptions, each plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on each plan's investments were applied to all periods of projected benefit payments to determine the total pension liabilities.

**Connecticut Teachers' Retirement System**

**Plan Description**

The Connecticut Teachers' Retirement System (TRS or the Plan) is the public pension plan offered by the State of Connecticut (the State) to provide retirement, disability, survivorship and health insurance benefits for Connecticut public school teachers and their beneficiaries. The Plan is governed by Connecticut Statute Title 10, Chapter 167a of the Connecticut General Statutes. TRS is a multiemployer pension plan administered by the Connecticut State Teachers' Retirement Board (TRB). The State Treasurer is responsible for investing TRS funds for the exclusive benefit of TRS members.

Teachers, principals, superintendents or supervisors engaged in the service of public schools are provided with pensions through the Connecticut Teachers' Retirement System - a cost sharing multi-employer defined benefit pension plan administered by the TRB. Chapter 167a of the State Statutes grants authority to establish and amend the benefit terms to the TRB. TRS issues a publicly available financial report that can be obtained at [www.ct.gov](http://www.ct.gov).

**NOTE 9 - PENSION PLANS *(Continued)***

**Connecticut Teachers' Retirement System *(Continued)***

**Benefit Provisions**

The Plan provides retirement, disability and death benefits. Employees are eligible to retire at age 60 with 20 years of credited service in Connecticut, or 35 years of credited service including at least 25 years of service in Connecticut.

*Normal Retirement:* Retirement benefits for the employees are calculated as 2.0% of the average annual salary times the years of credited service (maximum benefit is 75.0% of average annual salary during the 3 years of highest salary). In addition, amounts derived from the accumulation of the 6.0% contributions made prior to July 1, 1989 and voluntary contributions are payable.

*Early Retirement:* Employees are eligible after 25 years of credited service with a minimum of 20 years of Connecticut service, or age 55 with 20 years of credited service with a minimum of 15 years of Connecticut service. Benefit amounts are reduced by 6.0% per year for the first 5 years preceding normal retirement age and 4.0% per year for the next 5 years preceding normal retirement age. Effective July 1, 1999, the reduction for individuals with 30 or more years of service is 3% per year by which retirement precedes normal retirement date.

*Minimum Benefit:* Effective January 1, 1999, Public Act 98-251 provides a minimum monthly benefit of \$1,200 to teachers who retire under the normal retirement provisions and who have completed at least 25 years of full time Connecticut service at retirement.

*Disability Retirement:* Employees are eligible for service-related disability benefits regardless of length of service. Five years of credited service is required to be eligible for non-service related disability. Disability benefits are calculated as 2.0% per year of service times the average of the highest three years of pensionable salary, but not less than 15.0%, nor more than 50.0%. In addition, disability benefits under this Plan (without regard to cost-of-living adjustments) plus any initial award of Social Security benefits and workers' compensation cannot exceed 75.0% of average annual salary. A plan member who leaves service and has attained 10 years of service will be entitled to 100.0% of the accrued benefit as of the date of termination of covered employment. Benefits are payable at age 60, and early retirement reductions are based on the number of years of service the member would have had if they had continued work until age 60.

*Pre-Retirement Death Benefit:* The plan also offers a lump-sum return of contributions with interest or surviving spouse benefit depending on length of service.

**Contributions**

*State of Connecticut* - Per Connecticut General Statutes Section 10-183z (which reflects Public Act 79-436 as amended), contribution requirements of active employees and the State are amended and certified by the TRB and appropriated by the General Assembly. The contributions are actuarially determined as an amount that, when combined with employee contributions and investment earnings, is expected to finance the costs of the benefits earned by employees during the year, with any additional amounts to finance any unfunded accrued liability.

*Employers* - School Town employers are not required to make contributions to the Plan, as contributions are required only from employees and the State.

*Employees* - Effective January 1, 2018, the required contribution increased to 7.0% of pensionable salary.

**NOTE 9 - PENSION PLANS *(Continued)***

**Connecticut Teachers' Retirement System *(Continued)***

**Administrative Expenses**

Administrative costs of the plan are to be paid by the General Assembly per Section 10-183r of the Connecticut General Statutes.

**Basis of Presentation**

The components associated with pension expense and deferred outflows and inflows of resources have been determined based on fiduciary net position as audited by the State of Connecticut Auditors of Public Accounts as part of the State of Connecticut Annual Comprehensive Financial Report as of and for the year ended June 30, 2021. The net pension liability at June 30, 2021 has been calculated using the audited amounts. TRS is included in the State of Connecticut audit as a pension trust fund. The State of Connecticut's Annual Comprehensive Financial Report can be obtained at [www.ct.gov](http://www.ct.gov).

The accounting standards require participating employers to recognize their proportional share of the collective net pension liability, deferred outflows and inflows of resources and pension expense. Contributions remitted by the State are recognized when legally due, based upon statutory requirements.

**Allocation Methodology**

The allocations for participating employers are based on the expected contribution effort for each participating employer. The employer allocations were then applied to the net pension liability and pension expense to determine the amount applicable to each employer. Based upon the employee contributions made by the employees of each employer, as compared to the total employee contributions, an employer allocation percentage is calculated to six decimal places and is used to allocate the elements noted above. The employer allocation applied to Town totaled 0.572% as of the most recent measurement date.

**Collective Net Pension Liability**

The following summarizes the collective net pension liability of the State for the TRS as of June 30, 2021, the measurement date, in addition to the Town's and State's proportionate shares of the collective net pension liability that is attributed to the Town:

Collective Net Pension Liability of the State for the TRS		<u>\$ 14,926,263,000</u>
	<u>Proportion</u>	<u>Proportionate Share</u>
Town's proportionate share of the Collective Net Pension Liability	0.000%	<u>\$ -</u>
State's proportionate share of the Collective Net Pension Liability attributed to the Town	0.572%	<u>\$ 85,321,000</u>

**NOTE 9 - PENSION PLANS *(Continued)***

**Connecticut Teachers' Retirement System *(Continued)***

**Collective Pension Expense**

The Town's expected contribution effort for allocation purposes totaled \$7,144,290 or 0.572% of the total expected contribution effort. The Town has recognized this amount as an on-behalf payment into the TRS as intergovernmental revenues and related education expenditures in the General Fund for the year ended June 30, 2022.

The collective pension expense includes certain current period changes in the collective net pension liability, projected earnings on pension plan investments and the amortization of deferred outflows of resources and deferred inflows of resources for the current period. The portion of the collective pension expense attributed to the Town totaled \$5,507,692 or 0.572% of the total collective pension expense and has been recognized as an operating contribution and related education expenses in the statement of activities for the year ended June 30, 2022.

**Actuarial Assumptions**

The total pension liability was determined by an actuarial valuation as of June 30, 2020, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.50%
Salary increases	3.00% - 6.50%, including inflation
Investment rate of return	6.90%, net of pension plan investment expense, including inflation
Administrative expenses	\$0 assumption as expenses are paid for by the General Assembly

Mortality rates were based on the PubT-2010 Healthy Retiree Table, adjusted 105% for males and 103% for females as ages 82 and above, projected generationally with MP-2019 for the period after service retirement.

Future cost-of-living increases for teachers who retired prior to September 1, 1992, are made in accordance with increases in the Consumer Price Index, with a minimum of 3.0% and a maximum of 5.0% per annum. For teachers who were members of the Teachers' Retirement System before July 1, 2007, and retire on or after September 1, 1992, pension benefit adjustments are made that are consistent with those provided for Social Security benefits on January 1 of the year granted, with a maximum of 6.0% per annum. If the return on assets in the previous year was less than 8.5%, the maximum increase is 1.5%. For teachers who were members of the Teachers' Retirement System after July 1, 2007, pension benefit adjustments are made that are consistent with those provided for Social Security benefits on January 1 of the year granted, with a maximum of 5.0% per annum. If the return on assets in the previous year was less than 11.5%, the maximum increase is 3.0%, and if the return on the assets in the previous year was less than 8.5%, the maximum increase is 1.0%.

**Long-Term Rate of Return**

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

**Discount Rate**

The discount rate used to measure the total pension liability was 6.90%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that the State contributions will be made at the actuarially determined rates in future years. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

**NOTE 10 - OTHER POST-EMPLOYMENT BENEFITS**

The Town accounts for activity relating to two other post-employment benefits plans, (1) the Town and Board of Education Other Post-employment Benefit Plan and (2) the Connecticut Teachers' Retirement System. As of and for the year ended June 30, 2022, the two plans had the following balances reported in the Town's government-wide financial statements:

	<u>Total OPEB Liability</u>	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>	<u>On Behalf Revenues</u>	<u>OPEB Expense</u>
Town and Board of Education Other Post-employment	\$ 15,707,902	\$ 5,158,520	\$ 12,514,869	\$ -	\$ 500,746

**NOTE 10 - OTHER POST-EMPLOYMENT BENEFITS *(Continued)***

Detailed disclosures for each plan follow.

**Town and Board of Education Plan**

**Plan Description**

*Plan administration* - The Town provides a single-employer other post-employment benefits plan to all Town employees retiring under the Town of Madison's Retiree Medical Program. The level of these benefits is determined by contract for all union employees and by a Town ordinance for all non-represented employees. The Town does not issue a stand-alone financial report for the plan.

*Plan membership* - As of July 1, 2021, the date of the most recent actuarial valuation, membership data was as follows:

Current retirees and eligible surviving spouses	72
Current active participants	<u>510</u>
	<u><u>582</u></u>

**Benefits Provided**

*Unrepresented Retired Employees* - Health Insurance is offered to non-represented, retired employees, between the ages of 55 and 65, receiving pension benefits. The retired employee is responsible to pay the full premium coverage on a timely basis.

*NAGE RI-215 Building & Grounds Retired Employees* - Retiree health insurance is offered to retired employees, between the ages of 55 and 65, receiving pension benefits. The retired employee is responsible to pay the full premium coverage on a timely basis. Premium payments are due on the 20<sup>th</sup> of the month prior to the coverage month.

*AFSCME Police* - For employees hired before January 1, 2006, the Town pays the full cost of retiree medical insurance for the retiree and his/her spouse. Retirees and their spouse must opt for and maintain medical insurance coverage at the time of retirement or they will forfeit this benefit. For those retired participants hired before January 1, 2006, and their spouses, who reach Medicare/Medicaid eligibility, the Town will provide a supplemental health insurance coverage for both for life at no cost to the retiree or spouse. This is a Medicare Supplementary plan in which Medicare is the primary coverage. No health insurance benefits are offered to those retirees hired after January 1, 2006.

*UPSEU Emergency Dispatchers* - No post-retirement benefits are provided for health insurance for retirees.

*Board of Education* - The Board of Education provides certain post-retirement benefits to retirees through negotiated contracts. Eligibility for benefits are as follows:

*Teachers/Administrators* - Post-retirement insurance can be purchased through Medicare eligibility; if not eligible for Medicare.

*Para-professionals/Secretaries* - If retiring under pension, insurance may be purchased between ages 55 and 65. Retirees can purchase Medicare Supplementary plan after age 65.

*Custodians* - Post-retirement insurance can be purchased through Medicare eligibility; if not eligible for Medicare.

*Cafeteria Workers* - No post-retirement benefits are provided for health insurance for retirees.

**Funding Policy**

The Town currently pays for its other post-employment benefits on a pay-as-you-go basis. As of June 30, 2022, the Town has not established a trust fund to irrevocably segregate assets to fund liabilities associated with these other post-employment benefits, which would require the reporting of a trust fund in accordance with GASB guidelines. The contribution requirements of plan members and the Town are also negotiated with the various unions representing the employees.

**Total OPEB Liability**

The Town's total OPEB liability reported as of June 30, 2022 totaled \$15,707,902. The total OPEB liability was measured as of June 30, 2022 and determined by an actuarial valuation as of July 1, 2021.

*Actuarial Assumptions and Other Inputs* - The total OPEB liability as of June 30, 2022 was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Discount rate	3.54%
Inflation	2.70%
Medical trend rates - Pre-65	5.70% - 4.40% over 77 years
Medical trend rates - Post-65	4.10% over 77 years
Salary increases, including inflation	Graded by service

The discount rate was based on the Bond Buyer 20 (GO 20 Index) as of the measurement date, which represents municipal bond trends based on a portfolio of 20 general obligation bonds that mature in 20 years. Mortality rates were based on generational projection per Scale AA to the PubT-2010 Mortality Table projected with MP ultimate scale.

**NOTE 10 - OTHER POST-EMPLOYMENT BENEFITS *(Continued)***

**Connecticut Teachers' Retirement System**

**Plan Description**

The Connecticut Teachers' Retirement System (TRS or the Plan) is the public pension plan offered by the State of Connecticut (the State) to provide retirement, disability, survivorship and health insurance benefits for Connecticut public school teachers and their beneficiaries. The Plan is governed by Connecticut Statute Title 10, Chapter 167a of the Connecticut General Statutes. TRS is a multiemployer pension plan administered by the Connecticut State Teachers' Retirement Board (TRB). The State Treasurer is responsible for investing TRS funds for the exclusive benefit of TRS members.

Teachers, principals, superintendents or supervisors engaged in service of public schools are provided with benefits, including retiree health insurance, through the Connecticut Teachers' Retirement System - a cost sharing multi employer defined benefit pension plan administered by the TRB. Chapter 167a of the State Statutes grants authority to establish and amend the benefit terms to the TRB. TRS issues a publicly available financial report that can be obtained at [www.ct.gov](http://www.ct.gov).

**Benefit Provisions**

The Plan covers retired teachers and administrators of public schools in the State who are receiving benefits from the Plan. The Plan provides healthcare insurance benefits to eligible retirees and their spouses. Any member that is currently receiving a retirement or disability benefit through the Plan is eligible to participate in the healthcare portion of the Plan. Subsidized Local School Town Coverage provides a subsidy paid to members still receiving coverage through their former employer and the TRB Sponsored Medicare Supplemental Plans provide coverage for those participating in Medicare, but not receiving Subsidized Local School Town Coverage.

Any member that is not currently participating in Medicare Parts A & B is eligible to continue health care coverage with their former employer. A subsidy of up to \$110 per month for a retired member plus an additional \$110 per month for a spouse enrolled in a local school Town plan is provided to the school Town to first offset the retiree's share of the cost of coverage, any remaining portion is used to offset the Town's cost. The subsidy amount is set by statute, and has not increased since July of 1996. A subsidy amount of \$220 per month may be paid for a retired member, spouse or the surviving spouse of a member who has attained the normal retirement age to participate in Medicare, is not eligible for Part A of Medicare without cost, and contributes at least \$220 per month towards coverage under a local school Town plan.

Any member that is currently participating in Medicare Parts A & B is eligible to either continue health care coverage with their former employer, if offered, or enroll in the plan sponsored by the System. If they elect to remain in the Plan with their former employer, the same subsidies as above will be paid to offset the cost of coverage. If a member participating in Medicare Parts A & B so elects, they may enroll in one of the CTRB Sponsored Medicare Supplemental Plans. Active members, retirees, and the State pay equally toward the cost of the basic coverage (medical and prescription drug benefits).

Employees are eligible to retire at age 60 with 20 years of credited service in Connecticut, or 35 years of credited service including at least 25 years of service in Connecticut.

**NOTE 10 - OTHER POST-EMPLOYMENT BENEFITS *(Continued)***

**Connecticut Teachers' Retirement System *(Continued)***

**Contributions**

*State of Connecticut* - Per Connecticut General Statutes Section 10-183z (which reflects Public Act 79-436 as amended), contribution requirements of active employees and the State of Connecticut are amended and certified by the TRB and appropriated by the General Assembly. The State pays for one third of plan costs through an annual appropriation in the General Fund.

*Employers* - School Town employers are not required to make contributions to the Plan.

*Employees/Retirees* - The cost of providing plan benefits is financed on a pay-as-you-go basis as follows: active teachers' pay for one third of the Plan costs through a contribution of 1.25% of their pensionable salaries, and retired teachers pay for one third of the Plan costs through monthly premiums, which helps reduce the cost of health insurance for eligible retired members and dependents.

**Administrative Expenses**

Administrative costs of the Plan are to be paid by the General Assembly per Section 10-183r of the Connecticut General Statutes.

**Basis of Presentation**

The components associated with the other postemployment benefits (OPEB) expense and deferred inflows and outflows of resources have been determined using the unrecognized portions of each year's experience and assumption changes as audited by the State of Connecticut Auditors of Public Accounts as part of the State of Connecticut Annual Comprehensive Financial Report as of and for the year ended June 30, 2021. The net OPEB liability at June 30, 2021 has been calculated using the audited amounts. The OPEB trust fund is included in the TRS, and the TRS is included in the State of Connecticut audit as a pension trust fund. The State of Connecticut's Annual Comprehensive Financial Report can be obtained at [www.ct.gov](http://www.ct.gov).

The accounting standards require participating employers to recognize their proportional share of the collective net OPEB liability, deferred outflows and inflows of resources and OPEB expense. Contributions remitted by the State are recognized when legally due, based upon statutory requirements.

**Allocation Methodology**

The allocations for participating employers are based on the expected contribution effort as of the date of the latest biennial valuation. The employer allocations were then applied to the net OPEB liability and OPEB expense to determine the amount applicable to each employer. Based upon the employee contributions made by the employees of each employer, as compared to the total employee contributions, an employer allocation percentage is calculated to six decimal places and is used to allocate the elements noted above. The employer allocation applied to Town totaled 0.572% as of the most recent measurement date.

**Collective Net OPEB Liability**

The following summarizes the collective net OPEB liability of the State for the TRS as of June 30, 2021, the measurement date, in addition to the Town's and State's proportionate shares of the collective net OPEB liability that is attributed to the Town:

Collective Net OPEB Liability of the State for the TRS		<u>\$ 1,626,189,000</u>
	<u>Proportion</u>	<u>Proportionate Share</u>
Town's proportionate share of the Collective Net OPEB Liability	0.000%	<u>\$ -</u>
State's proportionate share of the Collective Net OPEB Liability attributed to the Town	0.572%	<u>\$ 9,296,000</u>

**Collective OPEB Expense**

The Town's expected contribution effort for allocation purposes totaled \$168,119 or 0.572% of the total expected contribution effort. The Town has recognized this amount as an on-behalf payment into the TRS as intergovernmental revenues and related education expenditures in the General Fund for the year ended June 30, 2022.

The collective OPEB expense includes certain current period changes in the collective net OPEB liability, projected earnings on OPEB plan investments and the amortization of deferred outflows of resources and deferred inflows of resources for the current period. The portion of the negative collective OPEB expense attributed to the Town totaled (\$343,257) or 0.572% of the total collective OPEB expense and has been recognized as an operating contribution and related education expense in the statement of activities for the year ended June 30, 2022.

**Actuarial Assumptions**

The total OPEB liability was determined by an actuarial valuation as of June 30, 2021 using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.50%
Real Wage Growth	0.50%
Wage Inflation	3.00%
Salary increases	3.00% - 6.50%, including inflation
Investment rate of return	3.00%, net of OPEB plan investment expense, including inflation
Healthcare cost trend rates:	
Medicare	5.125% for 2020 decreasing to an ultimate rate of 4.50% by 2023

Mortality rates were based on the PubT-2010 Healthy Retiree Table, adjusted 105% for males and 103% for females as ages 82 and above, projected generationally with MP-2019 for the period after service retirement.

**Long-Term Rate of Return**

The long-term expected rate of return on plan assets is reviewed as part of the actuarial valuation process. Several factors are considered in evaluation the long-term rate of return assumption, including the Plan's current asset allocations and a log-normal distribution analysis using the best-estimate ranges of expected future real rates of return (expected return, net of investment expense and inflation) for each major asset class.

The long-term expected rate of return was determined by weighing the expected future real rates of return by the target asset allocation percentage and then adding expected inflation. The assumption is not expected to change absent a significant change in the asset allocation, a change in the inflation assumption, or a fundamental change in the market that alters expected returns in future years.

The target asset allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

<b>Asset Class</b>	<b>Target Allocation</b>	<b>Expected 10-Year Geometric Real Rate of Return</b>	<b>Standard Deviation</b>
U.S. Treasuries (Cash Equivalents)	100.0%	-0.42%	1.78%

**Discount Rate**

The discount rate used to measure the total OPEB liability was 2.17%. The projection of cash flows used to determine the discount rate was performed in accordance with the applicable standards. The projection's basis was an actuarial valuation performed as of June 30, 2021. In addition to the actuarial methods and assumptions of the June 30, 2021 actuarial valuation, the following actuarial methods and assumptions were used in the projection of cash flows:

- Total payroll for the initial projection year consists of the payroll of the active membership present on the valuation date. In subsequent projection years, total payroll was assumed to increase annual at a rate of 3.00%.
- Employee contributions were assumed to be made at the current member contribution rate. Employee contributions for future plan members were used to reduce the estimated amount of total service costs for future plan members.
- Annual State contributions were assumed to be equal to the most recent five-year average of state contributions toward the fund.

Based on those assumptions, the Plan's fiduciary net position was projected to be depleted and, as a result, the Municipal Bond Index Rate was used in the determination of the single equivalent rate.

**NOTE 11 - RISK MANAGEMENT**

**Insurance**

The Town is exposed to various risks of loss including torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Town generally obtains commercial insurance for management of these risks. Neither the Town nor its insurers have settled claims, which exceeded the Town's insurance coverage in any of the last three fiscal years. In addition, there have been no significant reductions in any insurance coverage from amounts maintained in the prior year.

**TOWN OF MADISON, CONNECTICUT**  
 NOTES TO FINANCIAL STATEMENTS *(Continued)*  
 AS OF AND FOR THE YEAR ENDED JUNE 30, 2022

---

**NOTE 11 - RISK MANAGEMENT**

**Insurance**

The Town provides medical and dental coverage to employees through a self-insured plan. The Town retains the risk of loss under the plan and claims are processed by a third party administrator. The Town utilizes a Health Insurance Internal Service Fund to report the activities of the plan. The Town contributes based on estimates made using historical data. The Town covers all claims up to \$150,000 per employee per year with a stop-loss policy covering amounts exceeding this limit. The Town has also purchased an aggregate stop-loss policy that would cover claims exceeding 125% of the total estimated claims for the plan year. The Town establishes claims liabilities based on estimates of claims that have been incurred but not reported as of yearend. This estimate is based on the ultimate costs of settling the claims, which include past experience data, inflation and other future economic and societal factors and incremental claim adjustment expenses, net of estimated subrogation recoveries.

Changes in the claims liability for the previous two fiscal years were as follows:

<u>Year Ended</u> <u>June 30</u>	<u>Claims Payable</u> <u>Beginning of</u> <u>Year</u>	<u>Claims and</u> <u>Changes in</u> <u>Estimates</u>	<u>Claim</u> <u>Payment</u>	<u>Claims Payable</u> <u>End of</u> <u>Year</u>
2021	\$ 527,686	\$ 11,172,634	\$ 11,119,420	\$ 580,900
2022	580,900	11,317,544	11,105,644	792,800

**Risk Management – Heart and Hypertension**

The Town also maintains the risk related to heart and hypertension claims payable to police employees under State benefit requirements. The Town does not maintain a separate cash reserve to cover the benefits provided by the heart and hypertension program and does not prefund the benefits to be paid in future years. Expenditures related to this program are funded annually through General Fund appropriations. The estimated liability at June 30, 2022 is \$1,342,760. This liability is reported in the government-wide financial statements.

**NOTE 12 - COMMITMENTS AND CONTINGENCIES**

**Federal Awards and State Financial Assistance**

The Town has received state and federal funding for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to requests for reimbursement to the grantor agency for any expenditure disallowed under terms of the grant. Based on prior experience, Town management believes such disallowances, if any, will not be material.

**Litigation, Claims and Assessments**

The Town, in the normal course of operations, is named as defendants in lawsuits, tax appeals, administrative proceedings and other miscellaneous claims. The outcome and eventual liability to the Town, if any, for such matters are not known at this time. The Town's management, based upon consultation with legal counsel, estimates that potential claims against the Town, not covered by insurance, resulting from such matters would not materially affect the financial position of the Town.

AS OF AND FOR THE YEAR ENDED JUNE 30, 2022

**NOTE 1 - STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCE - BUDGET AND ACTUAL - BUDGETARY BASIS - GENERAL FUND**

**Budgetary Information**

The Town adheres to the following procedures in establishing the budgetary data included in the General Fund financial statements in accordance with provisions of Connecticut General Statutes and annually adopted budget policies.

- An annual referendum to vote on the recommended Town budget, including the Board of Education budget, shall be held no later than the 25th of May by use of voting machines. The operating budget includes proposed expenditures and the means of financing them.
- The legal level of budgetary control is the department level. The Board of Finance is authorized to make special appropriations of up to \$50,000 to any department. Any special appropriation or transfer over \$50,000 must be approved at a Town Meeting.
- Formal budgetary integration is employed as a management control device during the year for the General Fund. Additional appropriations approved during the year amounted to \$3,581,513. All unencumbered appropriations lapse at year end, except those for capital projects and certain special revenue grants. Appropriations for capital projects are continued until completion of applicable projects, even when projects extend more than one fiscal year. Encumbrance accounting is employed in governmental funds. Encumbrances (e.g., purchase orders, contracts) outstanding at year end are reported as assigned fund balance and do not constitute expenditures or liabilities because the commitments will be re-appropriated and honored during the subsequent year.

As described above, accounting principles applied for purposes of developing data on a budgetary basis may differ from those used to present financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP basis"). A reconciliation of General Fund amounts presented on the budgetary basis to amounts presented on the GAAP basis is as follows for the year ended June 30, 2022:

	<u>Total Revenues</u>	<u>Total Expenditures</u>	<u>Other Financing Uses, Net</u>	<u>Net Change in Fund Balance</u>

## APPENDIX B – FORM OF LEGAL OPINION OF BOND COUNSEL AND TAX EXEMPTION FOR THE BONDS

The legal opinion of the firm of Shipman & Goodwin LLP of Hartford, Connecticut, Bond Counsel, will be furnished to the successful purchaser when the Bonds are delivered, and a copy of the legal opinion will be included in the record of proceedings of the Town authorizing the Bonds. The opinion will be dated and given on and will speak only as of the date of original delivery of the Bonds to the successful purchaser.

The opinion of Shipman & Goodwin LLP will be in substantially the following form:

Town of Madison, Connecticut  
Town Hall  
8 Campus Drive  
Madison, Connecticut 06443

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by the Town of Madison, Connecticut (the "Town") of its \$10,500,000 General Obligation Bonds, Issue of 2023, dated December 21, 2023, maturing December 15, 2024-2043 (the "Bonds").

In connection with our representation of the Town as bond counsel with respect to the Bonds, we have examined the executed Tax Certificate and Tax Compliance Agreement of the Town, each dated as of December 21, 2023, the executed Bonds, and certified records of proceedings of the Town authorizing the Bonds. In addition, we have examined and relied on originals or copies, identified to us as genuine, of such other documents, instruments or records, and have made such investigations of law as we considered necessary or appropriate for the purposes of this opinion. In making the statements contained in this opinion, we have assumed, without independently verifying, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of documents submitted to us as certified or photostatic copies, and the legal capacity and authority of all persons executing such documents.

On the basis of our review noted above and subject to the qualifications set forth herein:

1. We are of the opinion that the proceedings and above-referenced evidence show lawful authority for the issuance and sale of the Bonds under the authority of the constitution and statutes of the State of Connecticut, and that the Bonds are valid and binding general obligations of the Town payable, with respect to both principal and interest, unless paid from other sources, from *ad valorem* taxes which may be levied on all property subject to taxation by the Town without limitation as to rate or amount except as to classified property. Classified property includes certified forest land which is taxable at a limited rate. Classified property also includes dwelling houses of qualified elderly persons of low income which are taxable at limited amounts.

2. We are of the opinion that the Tax Compliance Agreement is a valid and binding agreement of the Town and that the Tax Certificate and Tax Compliance Agreement were duly authorized by the Town.

3. The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements that must be met subsequent to the issuance and delivery of the Bonds if interest on the Bonds is to be excludable from gross income under Section 103 of the Code. The Town has covenanted in the Tax Compliance Agreement that it will at all times perform all acts and things necessary or appropriate under any valid provision of law to ensure that interest paid on the Bonds will not be includable in the gross income of the owners thereof for federal income tax purposes under the Code. In our opinion, under existing law:

(i) interest on the Bonds is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code; and

(ii) such interest is not treated as an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals under the Code; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on corporations under the Code.

We express no opinion regarding other federal income tax consequences caused by ownership of, or receipt of interest on, the Bonds. In rendering the foregoing opinions regarding the federal income tax treatment of interest on the Bonds, we have relied upon and assumed (i) the material accuracy of the representations, statements of intention and reasonable expectations, and certifications of fact contained in the Tax Certificate and the Tax Compliance Agreement, and (ii) full compliance by the Town with the covenants set forth in the Tax Compliance Agreement. The inaccuracy of the representations, statements of intention and reasonable expectations, and certifications of fact, contained in the Tax Certificate or the Tax Compliance Agreement, or the failure of the Town to fully comply with the covenants set forth therein, may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds.

4. We are of the opinion that, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax.

The rights of the holders of the Bonds and the enforceability of the Bonds and the enforceability of the Tax Compliance Agreement are limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally, and by equitable principles, whether considered at law or in equity.

We express no opinion herein as to the accuracy, adequacy or completeness of the Official Statement relating to the Bonds.

This opinion is given as of the date hereof and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law, regulation or judicial interpretation that may hereafter occur.

Very truly yours,

Shipman & Goodwin LLP

## CERTAIN ADDITIONAL FEDERAL TAX CONSEQUENCES.

The following is a brief discussion of certain federal income tax matters with respect to the Bonds under existing statutes. It does not purport to deal with all aspects of federal taxation that may be relevant to a particular owner of a bond. Prospective owners of the Bonds, particularly those that may be subject to special rules, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Bonds.

*Recent Tax Legislation.* The opinion of Bond Counsel is rendered as of its date and Bond Counsel assumes no obligation to update or supplement its opinion to reflect any facts or circumstances that may come to its attention or any changes in law or the interpretation thereof that may occur after the date of its opinion.

From time to time, there are Presidential proposals, proposals of various federal committees, and legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the marketability or market value of the Bonds or otherwise prevent holders of the Bonds from realizing the full benefit of the tax exemption of interest on the Bonds.

In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value, marketability or tax status of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds would be impacted thereby.

Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any proposed or pending legislation, regulatory initiatives or litigation.

*Alternative Minimum Tax.* The Code imposes an alternative minimum tax. The alternative minimum tax is imposed on alternative minimum taxable income, which includes items of tax preference. The interest on certain tax-exempt "private activity bonds" is treated as an item of tax preference. The Town's Tax Compliance Agreement will contain certain representations and covenants to ensure that the Bonds are not "private activity bonds" so that interest on the Bonds will not be treated as an item of tax preference for purposes of calculating the federal alternative minimum tax. However, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on corporations under the Code.

*Financial Institutions.* The Code provides that commercial banks, thrift institutions and certain other financial institutions may not deduct the portion of their interest expense allocable to tax-exempt obligations acquired after August 7, 1986, other than "qualified tax-exempt obligations". The Bonds **shall not be** designated by the Town as "qualified tax-exempt obligations" for purposes of the deduction for federal income tax purposes by financial institutions of a portion of interest expense allocable to tax-exempt obligations.

*Changes in Federal Tax Law.* Legislation affecting municipal bonds is regularly under consideration by the United States Congress. There can be no assurance that legislation enacted or proposed after the date of issuance of the Bonds will not have an adverse effect on the tax-exempt status or the market price of the Bonds.

*Other.* Ownership of the Bonds may result in collateral federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, and individuals otherwise eligible for the earned income credit, and to taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is not included in gross income for federal income tax purposes.

## STATE OF CONNECTICUT TAX ON INTEREST.

The opinion of Bond Counsel will state in substance that, based on the record of proceedings authorizing the Bonds, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax.

Interest on the Bonds is included in gross income for purposes of the Connecticut corporation business tax.

Owners of the Bonds should consult their tax advisors with respect to other applicable state and local tax consequences of ownership of the Bonds and the disposition thereof, including the extent to which gains and losses from the sale or exchange of Bonds held as capital assets reduce and increase, respectively, amounts taken into account in computing the Connecticut income tax on individuals, trusts and estates and may affect the net Connecticut minimum tax on such taxpayers who are also required to pay the federal alternative minimum tax.

**ORIGINAL ISSUE DISCOUNT.**

The initial public offering prices of certain maturities of the Bonds (the “OID Bonds”) may be less than their stated principal amounts. Under existing law, the difference between the stated principal amount and the initial offering price of each maturity of the OID Bonds to the public (excluding bond houses and brokers) at which a substantial amount of such maturity of the OID Bonds is sold will constitute original issue discount (“OID”). The offering prices relating to the yields set forth in this Official Statement for the OID Bonds are expected to be the initial offering prices to the public at which a substantial amount of each maturity of the OID Bonds are sold. Under existing law OID on the Bonds accrued and properly allocable to the owners thereof under the Code is not included in gross income for federal income tax purposes if interest on the Bonds is not included in gross income for federal income tax purposes.

Under the Code, for purposes of determining an owner’s adjusted basis in an OID Bond, OID treated as having accrued while the owner holds the OID Bond will be added to the owner’s basis. OID will accrue on a constant-yield-to-maturity method based on regular compounding. The owner’s adjusted basis will be used to determine taxable gain or loss upon the sale or other disposition (including redemption or payment at maturity) of an OID Bond.

Prospective purchasers of OID Bonds should consult their own tax advisors as to the calculation of accrued OID, the accrual of OID in the cases of owners of the OID Bonds purchasing such Bonds after the initial offering and sale, and the state and local tax consequences of owning or disposing of such OID Bonds.

**ORIGINAL ISSUE PREMIUM.**

The initial public offering prices of certain maturities of the Bonds (the “OIP Bonds”) may be more than their stated principal amounts. An owner who purchases a Bond at a premium to its principal amount must amortize bond premium as provided in applicable Treasury Regulations, and amortized premium reduces the owner’s basis in the Bond for federal income tax purposes. Prospective purchasers of Bonds should consult their tax advisors regarding the amortization of premium and the effect upon basis.

The information above does not purport to deal with all aspects of federal or state taxation that may be relevant to particular investors. Prospective investors, particularly those that may be subject to special rules, are advised to consult their own tax advisors regarding the federal and state tax consequences of owning and disposing of the Bonds, including any tax consequences arising under the laws of any state or other taxing jurisdiction.

## APPENDIX C – FORM OF LEGAL OPINION OF BOND COUNSEL AND TAX EXEMPTION FOR THE NOTES

The legal opinion of the firm of Shipman & Goodwin LLP of Hartford, Connecticut, Bond Counsel, will be furnished to the successful purchaser when the Notes are delivered, and a copy of the legal opinion will be included in the record of proceedings of the Town authorizing the Notes. The opinion will be dated and given on and will speak only as of the date of original delivery of the Notes to the successful purchaser.

The opinion of Shipman & Goodwin LLP will be in substantially the following form:

Town of Madison, Connecticut  
Town Hall  
8 Campus Drive  
Madison, Connecticut 06443

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by the Town of Madison, Connecticut (the "Town") of its \$30,000,000 General Obligation Bond Anticipation Notes, Issue of 2023, dated December 21, 2023, maturing December 19, 2024 (the "Notes").

In connection with our representation of the Town as bond counsel with respect to the Notes, we have examined the executed Tax Certificate and Tax Compliance Agreement of the Town, each dated as of December 21, 2023, the executed Notes, and certified records of proceedings of the Town authorizing the Notes. In addition, we have examined and relied on originals or copies, identified to us as genuine, of such other documents, instruments or records, and have made such investigations of law as we considered necessary or appropriate for the purposes of this opinion. In making the statements contained in this opinion, we have assumed, without independently verifying, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of documents submitted to us as certified or photostatic copies, and the legal capacity and authority of all persons executing such documents.

On the basis of our review noted above and subject to the qualifications set forth herein:

1. We are of the opinion that the proceedings and above-referenced evidence show lawful authority for the issuance and sale of the Notes under the authority of the constitution and statutes of the State of Connecticut, and that the Notes are valid and binding general obligations of the Town payable, with respect to both principal and interest, unless paid from other sources, from *ad valorem* taxes which may be levied on all property subject to taxation by the Town without limitation as to rate or amount except as to classified property. Classified property includes certified forest land which is taxable at a limited rate. Classified property also includes dwelling houses of qualified elderly persons of low income which are taxable at limited amounts.

2. We are of the opinion that the Tax Compliance Agreement is a valid and binding agreement of the Town and that the Tax Certificate and Tax Compliance Agreement were duly authorized by the Town.

3. The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements that must be met subsequent to the issuance and delivery of the Notes if interest on the Notes is to be excludable from gross income under Section 103 of the Code. The Town has covenanted in the Tax Compliance Agreement that it will at all times perform all acts and things necessary or appropriate under any valid provision of law to ensure that interest paid on the Notes will not be includable in the gross income of the owners thereof for federal income tax purposes under the Code. In our opinion, under existing law:

(i) interest on the Notes is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code; and

(ii) such interest is not treated as an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals under the Code; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on corporations under the Code.

We express no opinion regarding other federal income tax consequences caused by ownership of, or receipt of interest on, the Notes. In rendering the foregoing opinions regarding the federal income tax treatment of interest on the Notes, we have relied upon and assumed (i) the material accuracy of the representations, statements of intention and reasonable expectations, and certifications of fact contained in the Tax Certificate and the Tax Compliance Agreement, and (ii) full compliance by the Town with the covenants set forth in the Tax Compliance Agreement. The inaccuracy of the representations, statements of intention and reasonable expectations, and certifications of fact, contained in the Tax Certificate or the Tax Compliance Agreement, or the failure of the Town to fully comply with the covenants set forth therein, may cause interest on the Notes to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Notes.

4. We are of the opinion that, under existing statutes, interest on the Notes is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax.

The rights of the holders of the Notes and the enforceability of the Notes and the enforceability of the Tax Compliance Agreement are limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally, and by equitable principles, whether considered at law or in equity.

We express no opinion herein as to the accuracy, adequacy or completeness of the Official Statement relating to the Notes.

This opinion is given as of the date hereof and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law, regulation or judicial interpretation that may hereafter occur.

Very truly yours,

Shipman & Goodwin LLP

## CERTAIN ADDITIONAL FEDERAL TAX CONSEQUENCES.

The following is a brief discussion of certain federal income tax matters with respect to the Notes under existing statutes. It does not purport to deal with all aspects of federal taxation that may be relevant to a particular owner of the Notes. Prospective owners of the Notes, particularly those that may be subject to special rules, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Notes.

*Recent Tax Legislation.* The opinion of Bond Counsel is rendered as of its date and Bond Counsel assumes no obligation to update or supplement its opinion to reflect any facts or circumstances that may come to its attention or any changes in law or the interpretation thereof that may occur after the date of its opinion.

From time to time, there are Presidential proposals, proposals of various federal committees, and legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the marketability or market value of the Notes or otherwise prevent holders of the Notes from realizing the full benefit of the tax exemption of interest on the Notes.

In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value, marketability or tax status of the Notes. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Notes would be impacted thereby.

Purchasers of the Notes should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Notes, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any proposed or pending legislation, regulatory initiatives or litigation.

*Alternative Minimum Tax.* The Code imposes an alternative minimum tax. The alternative minimum tax is imposed on alternative minimum taxable income, which includes items of tax preference. The interest on certain tax-exempt "private activity bonds" is treated as an item of tax preference. The Town's Tax Compliance Agreement will contain certain representations and covenants to ensure that the Notes are not "private activity bonds" so that interest on the Notes will not be treated as an item of tax preference for purposes of calculating the federal alternative minimum tax. However, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on corporations under the Code.

*Financial Institutions.* The Code provides that commercial banks, thrift institutions and certain other financial institutions may not deduct the portion of their interest expense allocable to tax-exempt obligations acquired after August 7, 1986, other than "qualified tax-exempt obligations". The Notes **shall not be** designated by the Town as "qualified tax-exempt obligations" for purposes of the deduction for federal income tax purposes by financial institutions of a portion of interest expense allocable to tax-exempt obligations.

*Changes in Federal Tax Law.* Legislation affecting municipal bonds is regularly under consideration by the United States Congress. There can be no assurance that legislation proposed or enacted after the date of issuance of the Notes will not have an adverse effect on the tax exempt status or the market price of the Notes.

*Other.* Ownership of the Notes may result in collateral federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, and individuals otherwise eligible for the earned income credit, and to taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is not included in gross income for federal income tax purposes.

## STATE OF CONNECTICUT TAX ON INTEREST.

The opinion of Bond Counsel will state in substance that, based on the record of proceedings authorizing the Notes, under existing statutes, interest on the Notes is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax.

Interest on the Notes is included in gross income for purposes of the Connecticut corporation business tax.

Owners of the Notes should consult their tax advisors with respect to other applicable state and local tax consequences of ownership of the Notes and the disposition thereof, including the extent to which gains and losses from the sale or exchange of Notes held as capital assets reduce and increase, respectively, amounts taken into account in computing the Connecticut income tax on individuals, trusts and estates and may affect the net Connecticut minimum tax on such taxpayers who are also required to pay the federal alternative minimum tax.

**ORIGINAL ISSUE DISCOUNT.**

The initial public offering price of the Notes (the “OID Notes”) may be less than the stated principal amount. Under existing law, the difference between the stated principal amount and the initial offering price of the OID Notes to the public (excluding bond houses and brokers) at which a substantial amount of the OID Notes is sold will constitute original issue discount (“OID”). The offering price relating to the yield set forth on the cover page of this Official Statement for the OID Notes is expected to be the initial offering price to the public at which a substantial amount of the OID Notes are sold. Under existing law, OID on the Notes accrued and properly allocable to the owners thereof under the Code is not included in gross income for federal income tax purposes if interest on the Notes is not included in gross income for federal income tax purposes.

Under the Code, for purposes of determining an owner’s adjusted basis in an OID Note, OID treated as having accrued while the owner holds the OID Note will be added to the owner’s basis. OID will accrue on a constant-yield-to-maturity method based on regular compounding. The owner’s adjusted basis will be used to determine taxable gain or loss upon the sale or other disposition (including redemption or payment at maturity) of an OID Note.

Prospective purchasers of OID Notes should consult their own tax advisors as to the calculation of accrued OID, the accrual of OID in the cases of owners of the OID Notes purchasing such Notes after the initial offering and sale, and the state and local tax consequences of owning or disposing of such OID Notes.

**ORIGINAL ISSUE PREMIUM.**

The initial public offering price of the Notes (the “OIP Notes”) may be more than the stated principal amount. An owner who purchases a Note at a premium to its principal amount must amortize bond premium as provided in applicable Treasury Regulations, and amortized premium reduces the owner’s basis in the Note for federal income tax purposes. Prospective purchasers of OIP Notes should consult their tax advisors regarding the amortization of premium and the effect upon basis.

\* \* \* \* \*

The information above does not purport to deal with all aspects of federal or state taxation that may be relevant to particular investors. Prospective investors, particularly those that may be subject to special rules, are advised to consult their own tax advisors regarding the federal and state tax consequences of owning and disposing of the Notes, including any tax consequences arising under the laws of any state or other taxing jurisdiction.

## APPENDIX D - FORM OF CONTINUING DISCLOSURE AGREEMENT FOR THE BONDS

In accordance with the requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission, the Town will agree to provide, or cause to be provided, (i) certain annual financial information and operating data, (ii) timely, but not in excess of ten (10) business days after the occurrence of the event, notice of the occurrence of certain listed events with respect to the Bonds, and (iii) timely notice of a failure by the Town to provide the required annual financial information on or before a specified date, all pursuant to a Continuing Disclosure Agreement for the Bonds in substantially the following form:

### CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (the "Agreement") is made as of the 21<sup>st</sup> day of December, 2023 by the Town of Madison, Connecticut (the "Town") acting by its undersigned officers, duly authorized, in connection with the issuance of the Town's \$10,500,000 General Obligation Bonds, Issue of 2023 (the "Bonds"), dated December 21, 2023 for the benefit of the beneficial owners from time to time of the Bonds.

**Section 1. Definitions.** For purposes of this Agreement, the following capitalized terms shall have the following meanings:

"MSRB" means the Municipal Securities Rulemaking Board established under the Securities Exchange Act of 1934, as amended, or any successor thereto. As of the date of this Agreement, the MSRB has designated its Electronic Municipal Market Access System ("EMMA") (<http://emma.msrb.org>) to receive submissions of continuing disclosure documents that are described in the Rule.

"Rule" means Rule 15c2-12 under the Securities Exchange Act of 1934, as of the date of this Agreement.

"SEC" means the Securities and Exchange Commission of the United States, or any successor thereto.

### **Section 2. Annual Financial Information.**

(a) The Town agrees to provide, or cause to be provided, to the MSRB in an electronic format as prescribed by the MSRB, in accordance with the provisions of the Rule and this Agreement, annual financial information and operating data (commencing with information and data for the fiscal year ending June 30, 2023), as follows:

(i) the audited general purpose financial statements of the Town, which financial statements include the Town's general fund, any special revenue funds, enterprise and internal service (proprietary) funds, agency and trust (fiduciary) funds and the general fixed assets and general long-term debt account groups, for the prior fiscal year, which statements shall be prepared in accordance with generally accepted accounting principles or mandated state statutory principles as in effect from time to time. As of the date of this Agreement, the Town prepares its financial statements in accordance with generally accepted accounting principles.

(ii) the following financial information and operating data to the extent not included in the financial statements described in (i) above:

- A. amounts of the gross and the net taxable grand list applicable to the fiscal year,
- B. listing of the ten largest taxpayers on the applicable grand list, together with each such taxpayer's taxable valuation thereon,
- C. percentage of the annual property tax levy uncollected as of the close of the preceding fiscal year,
- D. schedule of annual debt service on outstanding long-term bonded indebtedness as of the close of the fiscal year,
- E. calculation of total direct debt and total direct net debt as of the close of the fiscal year,
- F. total direct debt and total direct net debt of the Town per capita,

- G. ratios of the total direct debt and total direct net debt of the Town to the Town's net taxable grand list,
- H. statement of statutory debt limitation as of the close of the fiscal year, and
- I. funding status of the Town's pension benefit obligation.

(b) The financial information and operating data described above shall be provided not later than eight months after the close of the fiscal year for which such information is being provided, commencing with information for the fiscal year ending June 30, 2023. The Town agrees that if audited information is not available eight months after the close of the fiscal year, it shall submit unaudited information by such time and will submit audited information when available.

(c) Annual financial information and operating data may be provided in whole or in part by reference to other documents available to the public on the MSRB's internet website or filed with the SEC. All or a portion of the financial information and operating data may be provided in the form of a comprehensive annual financial report.

(d) The Town reserves the right (i) to provide financial statements which are not audited if no longer required by law, (ii) to modify from time to time the format for the presentation of such information or data, and (iii) to modify the accounting principles it follows to the extent required or permitted by law, by changes in generally accepted accounting principles, or by changes in accounting principles adopted by the Town; provided that the Town agrees that any such modification will be done in a manner consistent with the Rule.

(e) The Town may file information with the MSRB, from time to time, in addition to that specifically required by this Agreement (a "Voluntary Filing"). If the Town chooses to make a Voluntary Filing, the Town shall have no obligation under this Agreement to update information contained in such Voluntary Filing or include such information in any future filing. Notwithstanding the foregoing provisions of this Section 2(e), the Town is under no obligation to provide any Voluntary Filing.

### **Section 3. Listed Events.**

The Town agrees to provide, or cause to be provided, in a timely manner, not in excess of ten (10) business days after the occurrence of the event, to the MSRB in an electronic format as prescribed by the MSRB, notice of the occurrence of any of the following events with respect to the Bonds:

- (a) principal and interest payment delinquencies;
- (b) non-payment related defaults, if material;
- (c) unscheduled draws on debt service reserves reflecting financial difficulties;
- (d) unscheduled draws on credit enhancements reflecting financial difficulties;
- (e) substitution of credit or liquidity providers, or their failure to perform;
- (f) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the Bonds;
- (g) modifications to rights of holders of the Bonds, if material;
- (h) Bond calls, if material, and tender offers;
- (i) Bond defeasances;
- (j) release, substitution, or sale of property securing repayment of the Bonds, if material;
- (k) rating changes;
- (l) bankruptcy, insolvency, receivership or similar event of the Town;

- (m) the consummation of a merger, consolidation, or acquisition involving the Town or the sale of all or substantially all of the assets of the Town, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (n) appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (o) incurrence of a financial obligation, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Town, any of which affect security holders, if material; and
- (p) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the Town, any of which reflect financial difficulties.

For purposes of events (o) and (p) above, the term “financial obligation” is defined as a (i) debt obligation, (ii) derivative instrument entered into in connection with or pledged as security or a source of payment for an existing or planned debt obligation, or (iii) guarantee of (i) or (ii). The term financial obligation does not include municipal securities for which a final official statement has been filed with the MSRB pursuant to the Rule.

#### **Section 4. Notice of Failure to Provide Annual Financial Information.**

The Town agrees to provide, or cause to be provided, in a timely manner, to the MSRB in an electronic format as prescribed by the MSRB, notice of any failure by the Town to provide annual financial information as set forth in Section 2(a) hereof on or before the date set forth in Section 2(b) hereof.

#### **Section 5. Use of Agents.**

Annual financial information and operating data and notices to be provided pursuant to this Agreement may be provided by the Town or by any agents which may be employed by the Town for such purpose from time to time.

#### **Section 6. Termination.**

The obligations of the Town under this Agreement shall terminate upon the earlier of (i) payment or legal defeasance, at maturity or otherwise, of all of the Bonds, or (ii) such time as the Town ceases to be an obligated person with respect to the Bonds within the meaning of the Rule.

#### **Section 7. Identifying Information.**

All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

#### **Section 8. Enforcement.**

The Town acknowledges that the undertakings set forth in this Agreement are intended to be for the benefit of, and enforceable by, the beneficial owners from time to time of the Bonds. In the event the Town shall fail to perform its duties hereunder, the Town shall have the option to cure such failure within a reasonable time (but not exceeding thirty (30) days with respect to the undertakings set forth in Section 2 hereof or five (5) business days with respect to undertakings set forth in Sections 3 and 4 hereof) from the time the Finance Director receives written notice from any beneficial owner of the Bonds of such failure. The present address of the Finance Director is Town of Madison, Town Hall, 8 Campus Drive, Madison, Connecticut 06443. In the event the Town does not cure such failure within the time specified above, the beneficial owner of any Bonds shall be entitled only to the remedy of specific performance. The Town expressly acknowledges and the beneficial owners are hereby deemed to expressly agree that no monetary damages shall arise or be payable hereunder nor shall any failure to comply with this Agreement constitute an event of default with respect to the Bonds.

**Section 9. Miscellaneous.**

(a) The Town shall have no obligation to provide any information, data or notices other than as set forth in this Agreement; provided, however, nothing in this Agreement shall be construed as prohibiting the Town from providing such additional information, data or notices from time to time as it deems appropriate in connection with the Bonds. If the Town elects to provide any such additional information, data or notices, the Town shall have no obligation under this Agreement to update or continue to provide further additional information, data or notices of the type so provided.

(b) This Agreement shall be governed by the laws of the State of Connecticut.

(c) Notwithstanding any other provision of this Agreement, the Town may amend this Agreement, and any provision of this Agreement may be waived, if (i) such amendment or waiver is made in connection with a change of circumstances that arises from a change in legal requirements, a change in law, or a change in the identity, nature or status of the Town, (ii) the Agreement as so amended or waived would have complied with the requirements of the Rule as of the date of the Agreement, taking into account any amendments or interpretations of the Rule, as well as any changes in circumstances, and (iii) such amendment or waiver is supported by an opinion of counsel expert in federal securities laws to the effect that such amendment or waiver would not materially adversely affect the beneficial owner of the Bonds. A copy of any such amendment or waiver will be filed in a timely manner with the MSRB. The annual financial information provided on the first date following the adoption of any such amendment or waiver will explain, in narrative form, the reasons for the amendment or waiver and the impact of the change in the type of operating data or financial information being provided.

## APPENDIX E - FORM OF CONTINUING DISCLOSURE AGREEMENT FOR THE NOTES

In accordance with the requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission, the Town will agree to provide, or cause to be provided, timely, but not in excess of ten (10) business days after the occurrence of the event, notice of the occurrence of certain listed events with respect to the Notes, pursuant to a Continuing Disclosure Agreement for the Notes in substantially the following form:

### CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (the "Agreement") is made as of the 21<sup>st</sup> day of December, 2023 by the Town of Madison, Connecticut (the "Town") acting by its undersigned officers, duly authorized, in connection with the issuance of \$30,000,000 General Obligation Bond Anticipation Notes, Issue of 2023, of the Town, dated December 21, 2023 (the "Notes"), for the benefit of the beneficial owners from time to time of the Notes.

**Section 1. Definitions.** For purposes of this Agreement, the following capitalized terms shall have the following meanings:

"MSRB" means the Municipal Securities Rulemaking Board established under the Securities Exchange Act of 1934, as amended, or any successor thereto. As of the date of this Agreement, the MSRB has designated its Electronic Municipal Market Access System ("EMMA") (<http://emma.msrb.org>) to receive submissions of continuing disclosure documents that are described in the Rule.

"Rule" means Rule 15c2-12 under the Securities Exchange Act of 1934, as of the date of this Agreement.

"SEC" means the Securities and Exchange Commission of the United States, or any successor thereto.

### **Section 2. Listed Events.**

The Town agrees to provide, or cause to be provided, in a timely manner, not in excess of ten (10) business days after the occurrence of the event, to the MSRB in an electronic format as prescribed by the MSRB, notice of the occurrence of any of the following events with respect to the Notes:

- (a) principal and interest payment delinquencies;
- (b) non-payment related defaults, if material;
- (c) unscheduled draws on debt service reserves reflecting financial difficulties;
- (d) unscheduled draws on credit enhancements reflecting financial difficulties;
- (e) substitution of credit or liquidity providers, or their failure to perform;
- (f) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the Notes;
- (g) modifications to rights of holders of the Notes, if material;
- (h) Note calls, if material, and tender offers;
- (i) Note defeasances;
- (j) release, substitution, or sale of property securing repayment of the Notes, if material;
- (k) rating changes;
- (l) bankruptcy, insolvency, receivership or similar event of the Town;

- (m) the consummation of a merger, consolidation, or acquisition involving the Town or the sale of all or substantially all of the assets of the Town, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (n) appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (o) incurrence of a financial obligation, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Town, any of which affect security holders, if material; and
- (p) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the Town, any of which reflect financial difficulties.

For purposes of events (o) and (p) above, the term “financial obligation” is defined as a (i) debt obligation, (ii) derivative instrument entered into in connection with or pledged as security or a source of payment for an existing or planned debt obligation, or (iii) guarantee of (i) or (ii). The term financial obligation does not include municipal securities for which a final official statement has been filed with the MSRB pursuant to the Rule.

### **Section 3. Use of Agents.**

Any notices to be provided pursuant to this Agreement may be provided by the Town or by any agents which may be employed by the Town for such purposes from time to time.

### **Section 4. Termination.**

The obligations of the Town under this Agreement shall terminate upon the earlier of (i) payment or legal defeasance, at maturity or otherwise, of all of the Notes, or (ii) such time as the Town ceases to be an obligated person with respect to the Notes within the meaning of the Rule.

### **Section 5. Identifying Information.**

All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

### **Section 6. Enforcement.**

The Town acknowledges that the undertakings set forth in Section 2 of this Agreement are intended to be for the benefit of, and enforceable by, the beneficial owners from time to time of the Notes. In the event the Town shall fail to perform its duties hereunder, the Town shall have the option to cure such failure within a reasonable time (but not exceeding five business days with respect to the undertakings set forth in Section 2 hereof) from the time the Director of Finance receives written notice from any beneficial owner of the Notes of such failure. The present address of the Director of Finance is Town of Madison, Town Hall, 8 Campus Drive, Madison, Connecticut 06443.

In the event the Town does not cure such failure within the time specified above, the beneficial owner of the Notes shall be entitled only to the remedy of specific performance. The Town expressly acknowledges and the beneficial owners are hereby deemed to expressly agree that no monetary damages shall arise or be payable hereunder nor shall any failure to comply with this Agreement constitute an event of default with respect to the Notes.

### **Section 7. Miscellaneous.**

(a) The Town shall have no obligation to provide any information, data or notices other than as set forth in this Agreement; provided, however, nothing in this Agreement shall be construed as prohibiting the Town from providing such additional information, data or notices from time to time as it deems appropriate in connection with the Notes. If the Town elects to provide any such additional information, data or notices, the Town shall have no obligation under this Agreement to update or continue to provide further additional information, data or notices of the type so provided.

(b) This Agreement shall be governed by the laws of the State of Connecticut.

(c) Notwithstanding any other provision of this Agreement, the Town may amend this Agreement, and any provision of this Agreement may be waived, if (i) such amendment or waiver is made in connection with a change of circumstances that arises from a change in legal requirements, a change in law, or a change in the identity, nature or status of the Town, (ii) the Agreement as so amended or waived would have complied with the requirements of the Rule as of the date of the Agreement, taking into account any amendments or interpretations of the Rule, as well as any changes in circumstances, and (iii) such amendment or waiver is supported by an opinion of counsel expert in federal securities laws to the effect that such amendment or waiver would not materially adversely affect the beneficial owner of the Notes. A copy of any such amendment or waiver will be filed in a timely manner with the MSRB.

(the "Bonds"). The Bonds will be delivered against payment in Federal funds in New York, New York on or about December 21, 2023. The Bonds **shall not be** designated by the Town as "qualified tax-exempt obligations" for purposes of the deduction for federal income tax purposes by financial institutions of a portion of interest expense allocable to tax-exempt obligations.

The Bonds will be general obligations of the Town and the Town will pledge its full faith and credit to pay the principal of and interest on the Bonds when due.

The Bonds maturing on or before December 15, 2029 are not subject to redemption prior to maturity. The Bonds maturing on December 15, 2030 and thereafter are subject to redemption prior to maturity, at the option of the Town, on and after December 15, 2029, at any time in whole or in part and by lot within a maturity, in such amounts and in such order of maturity as the Town may determine, at the redemption price (expressed as a percentage of the principal amount of the Bonds to be redeemed) set forth in the following table, plus interest accrued and unpaid to the redemption date:

<b><u>Redemption Dates</u></b>	<b><u>Redemption Price</u></b>
December 15, 2029 and thereafter	100%

**Proposals.** All proposals for the purchase of the Bonds must specify the amount bid for the Bonds (which shall be the aggregate par value of the Bonds, and, at the option of the bidder, a premium), and must specify in a multiple of 1/20 or 1/8 of 1% the rate or rates of interest per annum which the Bonds are to bear, but shall not specify (a) more than one interest rate for any Bonds having a like maturity, or (b) any interest rate for any Bonds which exceeds the interest rate specified in such proposal for any other Bonds by more than 2%. Interest shall be computed on the basis of a 360-day year consisting of twelve 30-day months. In addition to the amount bid for the Bonds, the purchaser must pay an amount equal to any interest on the Bonds accrued to the date of delivery. **No proposal for less than the entire \$10,500,000 Bonds, or for less than par and accrued interest, will be considered.**

**Basis of Award.** As between proposals which comply with this Notice of Sale, the Bonds will be sold to the responsible bidder or bidders offering to purchase the Bonds at the lowest true interest cost to the Town. For the purpose of determining the successful bidder, the true interest cost to the Town will be the annual interest rate, compounded semiannually, which, when used to discount all payments of principal and interest payable on the Bonds to December 21, 2023, the date of the Bonds, results in an amount equal to the purchase price for the Bonds, excluding interest accrued to the date of delivery. If there is more than one responsible bidder making said offer at the same lowest true interest cost, the Bonds will be sold to the responsible bidder whose proposal is selected by the Town by lot from among all such proposals. It is requested that each proposal be accompanied by a statement of the percentage of true interest cost completed to four decimal places. Such statement shall not be considered as part of the proposal.

The Town reserves the right to reject any and all proposals, to reject any proposal not complying with this Notice of Sale and to waive any irregularity or informality with respect to any proposal.

**Electronic Proposals Bidding Procedure.** Electronic proposals for the purchase of the Bonds must be submitted through the facilities of PARITY® by **11:30 A.M. (Eastern Time), on Thursday, December 7, 2023**. Any prospective bidder must be a subscriber of Bidcomp's competitive bidding system. Further information about Bidcomp/ PARITY®, including any fee charged, may be obtained from i-Deal LLC, 1359 Broadway, 2<sup>nd</sup> Floor, New York, New York 10018, telephone (212) 849-5021. The Town will neither confirm any subscription nor be responsible for any failure of a prospective bidder to subscribe.

Once an electronic proposal made through the facilities of PARITY® is communicated to the Town, it shall constitute an irrevocable offer, in response to this Notice of Sale, and shall be binding upon the bidder as if made by a signed, sealed proposal delivered to the Town. By submitting a proposal for the Bonds via PARITY®, the bidder represents and warrants to the Town that such bidder's proposal for the purchase of the Bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the prospective bidder by an irrevocable offer and that acceptance of such proposal by the Town will bind the bidder by a legal, valid and enforceable contract, for the purchase of the Bonds on the terms described in this Notice of Sale. The Town shall not be responsible for any malfunction or mistake made by, or as a result of the use of the facilities of, PARITY®, the use of such facilities being the sole risk of the prospective bidder.

**Disclaimer** - Each PARITY® prospective electronic bidder shall be solely responsible to make necessary arrangements to access PARITY® for the purposes of submitting its proposal in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Town nor PARITY® shall have any duty or obligation to undertake such arrangements to bid for any prospective bidder or to provide or assure such access to any prospective bidder, and neither the Town nor PARITY® shall be responsible for a bidder's failure to make a proposal or for proper operation of, or have any liability for, any delays or interruptions of, or any damages caused by, PARITY®. The Town is using PARITY® as a communication mechanism, and not as the Town's agent, to conduct the electronic bidding for the Bonds. The Town is not bound by any advice and determination of PARITY® to the effect that any particular proposal complies with the terms of this Notice of Sale and in particular the proposal requirements set forth herein. All costs and expenses incurred by prospective bidders in connection with their subscription to, arrangements with and submission of proposals via PARITY® are the sole responsibility of the bidders, and the Town is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in arranging to bid or submitting, modifying or withdrawing a proposal for the Bonds, the prospective bidder should telephone PARITY® at (212) 849-5021. If any provision of this Notice of Sale conflicts with information provided by PARITY®, this Notice of Sale shall control.

For the purpose of the bidding process, the time as maintained on PARITY® shall constitute the official time. For information purposes only, bidders are requested to state in their proposals the true interest cost to the Town, as described under "Basis of Award" above, represented by the rate or rates of interest and the premium, if any, specified in their respective proposals. All electronic proposals shall be deemed to incorporate the provisions of this Notice of Sale.

**Bond Counsel Opinion.** The legal opinion of Shipman & Goodwin LLP of Hartford, Connecticut, Bond Counsel, will be furnished without charge and will be placed on file with the certifying bank for the Bonds. A copy of the opinion will be delivered to each purchaser of the Bonds. The opinion of Bond Counsel will cover the following matters: (1) that the Bonds will be valid and binding general obligations of the Town when duly certified, (2) that, assuming the accuracy of and continuing compliance by the Town with its representations and covenants relating to certain requirements contained in the Internal Revenue Code of 1986, as amended (the "Code"), based on existing law, interest on the Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not treated as an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on corporations under the Code; and (3) that interest on the Bonds is excluded from

Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates, and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax.

**Obligation to Deliver Issue Price Certificate.** Pursuant to the Code and applicable Treasury Regulations, the Town must establish the “issue price” of the Bonds. **In order to assist the Town, the winning bidder is obligated to deliver to the Town a certificate (an “Issue Price Certificate”) and such additional information satisfactory to Bond Counsel described below, prior to the delivery of the Bonds.** The Town will rely on the Issue Price Certificate and such additional information in determining the issue price of the Bonds. The form of Issue Price Certificate is available by contacting Mr. William N. Lindsay, Managing Director, Munistat Services, Inc., Email: [bill.lindsay@munistat.com](mailto:bill.lindsay@munistat.com), Telephone: (203) 421-2880, municipal advisor to the Town (the “Municipal Advisor”).

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Bonds, is a good faith offer which the bidder believes reflects current market conditions, and is not a “courtesy bid” being submitted for the purpose of assisting in meeting the competitive sale rule relating to the establishment of the issue price of the Bonds pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Rule”).

The Municipal Advisor will advise the winning bidder if the Competitive Sale Rule was met at the same time it notifies the winning bidder of the award of the Bonds. **Bids will not be subject to cancellation in the event that the Competitive Sale Rule is not satisfied.**

**Competitive Sale Rule Met.** If the Municipal Advisor advises the winning bidder that the Competitive Sale Rule has been met, the winning bidder shall, within one (1) hour after being notified of the award of the Bonds, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial offering price to the public of each maturity of the Bonds as of December 7, 2023 (the “Sale Date”).

**Competitive Sale Rule Not Met.** By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public) that if the Competitive Sale Rule is not met, it will satisfy either the **10% Sale Rule** or the **Hold the Offering Price Rule** described below with respect to each maturity of the Bonds prior to the delivery date of the Bonds. The rule selected with respect to each maturity of the Bonds shall be set forth on an Issue Price Rule Selection Certificate, which shall be sent to the winning bidder promptly after the award of the Bonds. The winning bidder shall complete and execute the Issue Price Rule Selection Certificate and email it to Bond Counsel and the Municipal Advisor by 5:00 P.M. Eastern Time on the day after the Sale Date. **If the Issue Price Rule Selection Certificate is not returned by this deadline, or if no selection is made with respect to maturity, the winning bidder agrees that the Hold the Offering Price Rule shall apply to such maturities.**

**10% Sale Rule.** To satisfy the 10% Sale Rule for any maturity, the winning bidder:

(i) will make a bona fide offering to the public of all of the Bonds at the initial offering prices and provide the Town with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel;

(ii) will report to the Town information regarding the actual prices at which at least 10 percent (10%) of the Bonds of each maturity have been sold to the public;

(iii) will provide the Town with reasonable supporting documentation or certifications of such sales prices, the form of which is acceptable to Bond Counsel. If the 10% Sale Rule is used with respect to a maturity of the Bonds, this reporting requirement will continue, beyond the closing date of the Bonds, if necessary, until such date that at least 10 percent (10%) of such maturity of the Bonds has been sold to the public; and

(iv) has or will include in any agreement among underwriters, selling group agreement or retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

**Hold the Offering Price Rule.** To satisfy the Hold the Offering Price Rule for any maturity, the winning bidder:

(i) will make a bona fide offering to the public of all of the Bonds at the initial offering prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel;

(ii) will neither offer nor sell to any person any Bonds of such maturity at a price that is higher than the initial offering price of each maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least ten percent (10%) of the Bonds of such maturity at a price that is no higher than the initial offering price of such maturity or (ii) the close of business on the fifth (5<sup>th</sup>) business day after the Sale Date of the Bonds; and

(iii) has or will include within any agreement among underwriters, selling group agreement or retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Bonds as set forth above.

For purposes of the 10% Sale Rule or the Hold the Offering Price Rule, a “maturity” refers to Bonds that have the same interest rate, credit and payment terms.

If the winning bidder has purchased any maturity of the Bonds for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Rule was met, the Issue Price Certificate will recite such facts and identify the price or prices at which such maturity of the Bonds was purchased.

For purposes of this Notice of Sale, the “public” does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Bonds to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Bonds.

**Preliminary Official Statement and Official Statement.** The Town has prepared a Preliminary Official Statement dated November 29, 2023 for this Bond issue. The Town deems such Preliminary Official Statement final as of its date for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), except for omissions permitted thereby, but the Preliminary Official Statement is subject to revision or amendment. The Town will make available to the winning purchaser a reasonable number of copies of the final Official Statement at the Town's expense by the delivery of the Bonds or, if earlier, by the seventh business day after the day proposals on the Bonds are received. The purchaser shall arrange with the Municipal Advisor the method of delivery of the copies of the final Official Statement to the purchaser. Additional copies may be obtained by the purchaser at its own expense by arrangement with the printer.

The purchaser agrees to promptly file the final Official Statement with the Municipal Securities Rulemaking Board and to take any and all other actions necessary to comply with applicable Securities and Exchange Commission and Municipal Securities Rulemaking Board rules governing the offering, sale and delivery of the Bonds to the ultimate purchasers.

**DTC Book-Entry.** The Bonds will be issued by means of a book-entry-only system with no physical distribution of bond certificates made to the public. The Bonds will be issued in registered form and one bond certificate for each maturity will be issued to the Depository Trust Company ("DTC"), New York, New York, registered in the name of its nominee, Cede & Co., and immobilized in its custody. Ownership of the Bonds will be evidenced in principal amounts of \$5,000 or integral multiples thereof, with transfers of ownership effected on the records of DTC and its Participants pursuant to rules and procedures adopted by DTC and its Participants. The purchaser, as a condition to delivery of the Bonds, will be required to deposit the bond certificates with DTC, registered in the name of Cede & Co. Principal of and interest on the Bonds will be payable by the Town or its agent to DTC or its nominee as registered owner of the Bonds. Principal and interest payments by DTC to Participants of DTC will be the responsibility of DTC; principal and interest payments to Beneficial Owners by Participants of DTC will be the responsibility of such Participants and other nominees of Beneficial Owners. The Town will not be responsible or liable for payments by DTC to its Participants or by DTC Participants or Indirect Participants to Beneficial Owners or for maintaining, supervising or reviewing the records maintained by DTC, its Participants or persons acting through such Participants.

**Certifying, Transfer and Paying Agent; Registrar.** The Bonds will be certified by U.S. Bank Trust Company, National Association, Hartford, Connecticut, which will also act as transfer and paying agent and registrar.

**CUSIP Numbers.** The deposit of the Bonds with DTC under a book-entry-only system requires the assignment of CUSIP numbers prior to delivery. It shall be the responsibility of the Town's Municipal Advisor, Munistat Services, Inc., to apply for CUSIP numbers for the Bonds by no later than one business day after dissemination of this Notice of Sale. Munistat Services, Inc. will provide CUSIP Global Services with the final details of the sale of the Bonds in accordance with Rule G-34 of the Municipal Securities Rulemaking Board, including the identity of the winning purchaser. The Town will not be responsible for any delay caused by the inability to deposit the Bonds with DTC due to the failure of Munistat Services, Inc. to obtain such numbers and provide them to the Town in a timely manner. The Town assumes no responsibility for any CUSIP Service Bureau charge or other charge that may be imposed for the assignment of such numbers, which charges shall be the responsibility of and shall be paid for by the purchaser.

**Continuing Disclosure Agreement.** The Town will agree, in a Continuing Disclosure Agreement entered into in accordance with the requirements of Rule 15c2-12(b)(5) promulgated by the Securities and Exchange Commission, to provide, or cause to be provided, (i) certain annual financial information and operating data; (ii) timely, but not in excess of ten (10) business days after the occurrence of the event, notice of the occurrence of certain events with respect to the Bonds; and (iii) timely notice of a failure by the Town to provide the required annual financial information on or before a specified date. The winning purchaser's obligation to purchase the Bonds shall be conditioned upon its receiving, at or prior to the delivery of the Bonds, an executed copy of the Continuing Disclosure Agreement for the Bonds.

**Additional Information.** For more information regarding this Bond issue and the Town, reference is made to the Preliminary Official Statement dated November 29, 2023. The Preliminary Official Statement may be accessed via the Internet at [www.i-dealprospectus.com](http://www.i-dealprospectus.com). Electronic access to the Preliminary Official Statement is being provided as a matter of convenience only. The only official version of the Preliminary Official Statement is the printed version for physical delivery. Copies of the Preliminary Official Statement and Official Statement may be obtained from Bill Lindsay, Managing Director, Munistat Services, Inc., 129 Samson Rock Drive, Suite A, Madison, Connecticut 06443, telephone (203) 421-2880.

**APPENDIX G – NOTICE OF SALE – THE NOTES**

**NOTICE OF SALE**

**\$30,000,000**

**TOWN OF MADISON, CONNECTICUT  
GENERAL OBLIGATION BOND ANTICIPATION NOTES**

ELECTRONIC PROPOSALS via PARITY® (“PARITY”) will be received by the Town of Madison, Connecticut (the "Town") at the Office of the First Selectman, 8 Campus Drive, Madison, Connecticut 06443 until **11:00 A.M. (Eastern Time) on THURSDAY,**

**DECEMBER 7, 2023**

for the purchase, when issued, of the Town's \$30,000,000 General Obligation Bond Anticipation Notes dated December 21, 2023, maturing December 19, 2024 (the "Notes"). The Notes are not subject to redemption prior to maturity. The Notes will be payable with interest at maturity and delivered against payment in Federal funds in New York, New York on or about December 21, 2023. The Notes will be general obligations of the Town payable, as to both principal and interest, unless paid from other sources, from *ad valorem* taxes levied on all property subject to taxation by the Town without limitation as to rate or amount except as to classified property such as certified forest land taxable at a limited rate and dwelling houses of qualified elderly persons of low income taxable at limited amounts.

**Certifying Bank, Transfer and Paying Agent; Registrar.** The Notes will be certified by U.S. Bank Trust Company, National Association, Hartford, Connecticut, which will also act as transfer and paying agent and registrar.

**DTC Book-Entry.** The Notes will be issued by means of a book-entry-only system with no physical distribution of note certificates made to the public (except as may be requested, as described below in “Option For No Book Entry”). The Notes will be issued in registered form and one note certificate for each interest rate will be issued to the Depository Trust Company ("DTC"), New York, New York, registered in the name of its nominee, Cede & Co., and immobilized in its custody. Ownership of the Notes will be evidenced in principal amounts of \$5,000 or integral multiples thereof, with transfers of ownership effected on the records of DTC and its Participants pursuant to rules and procedures adopted by DTC and its Participants. The purchaser, as a condition to delivery of the Notes, will be required to deposit the note certificates with DTC, registered in the name of Cede & Co. Principal of and interest on the Notes will be payable by the Town or its agent to DTC or its nominee as registered owner of the Notes. Principal and interest payments by DTC to Participants of DTC will be the responsibility of DTC; principal and interest payments to Beneficial Owners by Participants of DTC will be the responsibility of such Participants and other nominees of Beneficial Owners. The Town will not be responsible or liable for payments by DTC to its Participants or by DTC Participants or Indirect Participants to Beneficial Owners or for maintaining, supervising or reviewing the records maintained by DTC, its Participants or persons acting through such Participants.

**Electronic Proposals Bidding Procedure.** Electronic proposals for the purchase of the Notes must be submitted through the facilities of PARITY by **11:00 A.M. (Eastern Time), on Thursday, December 7, 2023.** Any prospective bidder must be a subscriber of Bidcomp’s competitive bidding system. Further information about Bidcomp/ PARITY, including any fee charged, may be obtained from i-Deal LLC, 1359 Broadway, 2<sup>nd</sup> Floor, New York, New York 10018, (telephone (212) 849-5021). The Town will neither confirm any subscription nor be responsible for any failure of a prospective bidder to subscribe.

Once an electronic proposal made through the facilities of PARITY is communicated to the Town, it shall constitute an irrevocable offer, in response to this Notice of Sale, and shall be binding upon the bidder as if made by a signed, sealed proposal delivered to the Town. By submitting a proposal for the Notes via PARITY, the bidder represents and warrants to the Town that such bidder’s proposal for the purchase of the Notes is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the prospective bidder by an irrevocable offer and that acceptance of such proposal by the Town will bind the bidder by a legal, valid and enforceable contract, for the purchase of the Notes on the terms described in this Notice of Sale. The Town shall not be responsible for any malfunction or mistake made by, or as a result of the use of the facilities of, PARITY, the use of such facilities being the sole risk of the prospective bidder.

**Disclaimer-** Each PARITY prospective electronic bidder shall be solely responsible to make necessary arrangements to access PARITY for the purposes of submitting its proposal in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Town nor PARITY shall have any duty or obligation to undertake such arrangements to bid for any prospective bidder or to provide or assure such access to any prospective bidder, and neither the Town nor PARITY shall be responsible for a bidder's failure to make a proposal or for proper operation of, or have any liability for, any delays or interruptions of, or any damages caused by, PARITY. The Town is using PARITY as a communication mechanism, and not as the Town's agent, to conduct the electronic bidding for the Notes. The Town is not bound by any advice and determination of PARITY to the effect that any particular proposal complies with the terms of this Notice of Sale and in particular the proposal requirements set forth herein. All costs and expenses incurred by prospective bidders in connection with their subscription to, arrangements with and submission of proposals via PARITY are the sole responsibility of the bidders, and the Town is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in arranging to bid or submitting, modifying or withdrawing a proposal for the Notes, the prospective bidder should telephone PARITY at (212) 849-5021. If any provision of this Notice of Sale shall conflict with information provided by PARITY, this Notice of Sale shall control.

For the purpose of the bidding process, the time as maintained on PARITY shall constitute the official time. For information purposes only, bidders are requested to state in their proposals the net interest cost to the Town, as described under "Basis of Award" below, represented by the rate or rates of interest and the premium, if any, specified in their respective proposals. All electronic proposals shall be deemed to incorporate the provisions of this Notice of Sale.

**Proposals.** Proposals may be made for all or any part of the Notes, but any proposal for a part must be for \$100,000 or a whole multiple thereof, and a separate proposal will be required for each part of the Notes for which a separate interest rate is bid. No proposal for less than the minimum denomination or for less than par and accrued interest will be accepted. Each proposal must specify the amount bid for the Notes (which shall be the aggregate par value of the Notes, and, at the option of the bidder, a premium), and must specify one rate of interest in a multiple of one-hundredth (1/100) of one percent (1%) per annum for each part of the Notes bid for in the proposal. Interest shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

**Basis of Award.** As between proposals which comply with this Notice of Sale, the Notes will be sold to the responsible bidder or bidders offering to purchase the Notes at the lowest net interest cost to the Town, which will be determined by computing as to each interest rate stated the total interest to be payable at such rate and deducting therefrom any premium. If there is more than one responsible bidder making an offer to purchase all or any portion of the Notes at the same lowest net interest cost, the Notes will be sold to the responsible bidder with the proposal for the largest principal amount of the Notes specified. If more than one responsible bidder makes an offer to purchase all or any portion of the Notes at the same lowest net interest cost and for the same largest principal amount of the Notes specified, the Notes or any portion thereof will be sold to the responsible bidder who is chosen by lot. If a bidder is awarded only a part of the Notes, any premium offered in such proposal will be proportionately reduced so that the resulting net interest cost to the Town with respect to the Notes awarded is the same as that contained in the bidder's proposal with respect to the entire amount bid, carried to four decimal places. It is requested that each proposal be accompanied by a statement of the percentage of net interest cost completed to four decimal places. Such statement shall not be considered as part of the proposal.

The Town reserves the right to reject any and all proposals and to waive any irregularity or informality with respect to any proposal.

**Qualified Tax-Exempt Obligations.** The Notes will not be designated by the Town as "qualified tax-exempt obligations" for purposes of the deduction for federal income tax purposes by financial institutions of a portion of interest expense allocable to tax-exempt obligations.

**Bond Counsel Opinion.** The legal opinion of Shipman & Goodwin LLP of Hartford, Connecticut, Bond Counsel, will be furnished without charge and will be placed on file with the certifying bank for the Notes. A copy of the opinion will be delivered to each purchaser of the Notes. The opinion of Bond Counsel will cover the following matters: (1) that the Notes will be valid and binding general obligations of the Town when duly certified, (2) that, assuming the accuracy of and continuing compliance by the Town with its representations and covenants relating to certain requirements contained in the Internal Revenue Code of 1986, as amended (the "Code"), based on existing law, interest on the Notes is excludable from gross income of the owners thereof for federal income tax purposes and is not treated as an item of tax preference for purposes of calculating the federal alternative minimum tax for individuals, however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on corporations under the Code and (3) that interest on the Notes is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates, and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax.

**Obligation to Deliver Issue Price Certificate.** Pursuant to the Code and applicable Treasury Regulations, the Town must establish the “issue price” of the Notes. **In order to assist the Town, the winning bidder is obligated to deliver to the Town a certificate (an “Issue Price Certificate”) and such additional information satisfactory to Bond Counsel described below, prior to the delivery of the Notes.** The Town will rely on the Issue Price Certificate and such additional information in determining the issue price of the Notes. The form of Issue Price Certificate is available by contacting Mr. William Lindsay, Managing Director, Munistat Services, Inc., Email: bill.lindsay@munistat.com, Telephone: (203) 421-2880, municipal advisor to the Town (the “Municipal Advisor”).

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Notes, is a good faith offer which the bidder believes reflects current market conditions, and is not a “courtesy bid” being submitted for the purpose of assisting in meeting the competitive sale rule relating to the establishment of the issue price of the Notes pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Rule”).

The Municipal Advisor will advise the winning bidder if the Competitive Sale Rule was met at the same time it notifies the winning bidder of the award of the Notes. **Bids will not be subject to cancellation in the event that the Competitive Sale Rule is not satisfied.**

**Competitive Sale Rule Met.** If the Municipal Advisor advises the winning bidder that the Competitive Sale Rule has been met, the winning bidder shall, within one (1) hour after being notified of the award of the Notes, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial offering price to the public of each maturity of the Notes as of December 7, 2023 (the “Sale Date”).

**Competitive Sale Rule Not Met.** By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Notes for its own account and not with a view to distribution or resale to the public) that if the Competitive Sale Rule is not met, it will satisfy either the **10% Sale Rule** or the **Hold the Offering Price Rule** described below with respect to each maturity of the Notes prior to the delivery date of the Notes. The rule selected with respect to each maturity of the Notes shall be set forth on an Issue Price Rule Selection Certificate, which shall be sent to the winning bidder promptly after the award of the Notes. The winning bidder shall complete and execute the Issue Price Rule Selection Certificate and email it to Bond Counsel and the Municipal Advisor by 5:00 P.M. Eastern Time on the day after the Sale Date. **If the Issue Price Rule Selection Certificate is not returned by this deadline, or if no selection is made with respect to maturity, the winning bidder agrees that the Hold the Offering Price Rule shall apply to such maturities.**

**10% Sale Rule.** To satisfy the 10% Sale Rule for any maturity, the winning bidder:

(i) will make a bona fide offering to the public of all of the Notes at the initial offering prices and provide the Town with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel;

(ii) will report to the Town information regarding the actual prices at which at least 10 percent (10%) of the Notes of each maturity have been sold to the public;

(iii) will provide the Town with reasonable supporting documentation or certifications of such sales prices, the form of which is acceptable to Bond Counsel. If the 10% Sale Rule is used with respect to a maturity of the Notes, this reporting requirement will continue, beyond the closing date of the Notes, if necessary, until such date that at least 10 percent (10%) of such maturity of the Notes has been sold to the public; and

(iv) has or will include in any agreement among underwriters, selling group agreement or retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

**Hold the Offering Price Rule.** To satisfy the Hold the Offering Price Rule for any maturity, the winning bidder:

(i) will make a bona fide offering to the public of all of the Notes at the initial offering prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel;

(ii) will neither offer nor sell to any person any Notes of such maturity at a price that is higher than the initial offering price of each maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least ten percent (10%) of the Notes of such maturity at a price that is no higher than the initial offering price of such maturity or (ii) the close of business on the fifth (5<sup>th</sup>) business day after the Sale Date of the Notes; and

(iii) has or will include within any agreement among underwriters, selling group agreement or retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Notes as set forth above.

For purposes of the 10% Sale Rule or the Hold the Offering Price Rule, a “maturity” refers to Notes that have the same interest rate, credit and payment terms.

If the winning bidder has purchased any maturity of the Notes for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Rule was met, the Issue Price Certificate will recite such facts and identify the price or prices at which such maturity of the Notes was purchased.

For purposes of this Notice of Sale, the “public” does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Notes to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Notes to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Notes.

**Preliminary Official Statement and Official Statement.** The Town has prepared a Preliminary Official Statement dated November 29, 2023 for this Note issue. The Town deems such Preliminary Official Statement final as of its date for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), except for omissions permitted thereby, but the Preliminary Official Statement is subject to revision or amendment. The Town will make available to each winning purchaser a reasonable number of copies of the final Official Statement at the Town’s expense by the delivery of the Notes or, if earlier, by the seventh business day after the day proposals on the Notes are received. The purchaser shall arrange with the Municipal Advisor the method of delivery of the copies of the final Official Statement to the purchaser. Additional copies may be obtained by the purchaser at its own expense by arrangement with the printer.

**CUSIP Numbers.** The deposit of the Notes with DTC under a book-entry-only system requires the assignment of CUSIP numbers prior to delivery. It shall be the responsibility of the Town’s Municipal Advisor, Munistat Services, Inc., to apply for CUSIP numbers for the Notes by no later than one business day after dissemination of this Notice of Sale. Munistat Services, Inc. will provide CUSIP Global Services with the final details of the sale of the Notes in accordance with Rule G-34 of the Municipal Securities Rulemaking Board, including the identity of the winning purchaser. The Town will not be responsible for any delay caused by the inability to deposit the Notes with DTC due to the failure of Munistat Services, Inc. to obtain such numbers and provide them to the Town in a timely manner. The Town assumes no responsibility for any CUSIP Service Bureau charge or other charge that may be imposed for the assignment of such numbers, which charges shall be the responsibility of and shall be paid for by the purchaser.

**Continuing Disclosure Agreement.** The Town will agree, in a Continuing Disclosure Agreement entered into in accordance with the requirements of Securities and Exchange Commission Rule 15c2-12(b)(5), to provide timely, but not in excess of ten (10) business days after the occurrence of the event, notice of the occurrence of certain listed events with respect to the Notes. The winning purchaser’s obligation to purchase the Notes shall be conditioned upon its receiving, at or prior to the delivery of the Notes, an executed copy of the Continuing Disclosure Agreement for the Notes.

**Additional Information.** For more information regarding this Note issue and the Town, reference is made to the Preliminary Official Statement dated November 29, 2023. The Preliminary Official Statement may be accessed via the Internet at [www.i-dealprospectus.com](http://www.i-dealprospectus.com). Electronic access to the Preliminary Official Statement is being provided as a matter of convenience only. The only official version of the Preliminary Official Statement is the printed version for physical delivery. Copies of the Preliminary Official Statement and the Official Statement may be obtained from Bill Lindsay, Managing Director, Munistat Services, Inc., 129 Samson Rock Drive, Suite A, Madison, Connecticut 06443, telephone (203) 421-2880.
