PRELIMINARY OFFICIAL STATEMENT DATED OCTOBER 26, 2026

NEW ISSUE – SERIAL BONDS
BOND ANTICIPATION NOTES

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the Village, under existing statutes and court decisions and assuming continuing compliance with certain tax certifications described herein, (i) interest on the Notes is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) interest on the Notes is not treated as a preference item in calculating the alternative minimum tax under the Code, however, interest on the Notes is included in the "adjusted financial statement income" of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code. Interest on the Bonds is included in gross income tax for federal income tax purposes. In addition, in the opinion of Bond Counsel to the Village, under existing statutes, interest on the Bonds and the Notes is exempt from personal income taxes of New York State and its political subdivisions, including The City of New York. See "Tax Matters" herein.

The Village will designate the Bonds or the Notes as "qualified tax-exempt obligations" pursuant to the provision of Section 265 of the Code.

VILLAGE OF NORTHPORT

(the "Village")

$265,000* PUBLIC IMPROVEMENT SERIAL BONDS – 2026 (FEDERALLY TAXBLE)
(the "Bonds")

BOND MATURITY SCHEDULE
(See Inside Front Cover)

Prior Redemption: The Bonds are not subject to redemption.

$2,350,000 BOND ANTICIPATION NOTES – 2026
(the "Notes")

Dated Date: November 17, 2026 Maturity Date: November 17, 2027

Prior Redemption: The Notes will not be subject to redemption prior to their maturity.

The Bonds and the Notes are general obligations of the Village of Northport, Suffolk County, New York (the "Village"), and will contain a pledge of the faith and credit of the Village for the payment of the principal thereof and interest thereon and, unless paid from other sources, the Bonds and the Notes are payable from ad valorem taxes which may be levied upon all the taxable real property within the Village, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended (the "Tax Levy Limit Law"). (See "*Tax Levy Limit Law*" herein).

At the option of the purchaser, the Bonds and the Notes may be either (i) registered in the name of the purchaser or (ii) registered in the name of Cede & Co., as the partnership nominee for The Depository Trust Company, New York, New York ("DTC") as book-entry bonds.

For bonds and notes registered in the name of the purchaser, a single bond certificate shall be issued for each maturity and principal of and interest on such Bonds and Notes will be payable in Federal Funds by the Village, at such bank or trust company located and authorized to do business in the State of New York as selected by the successful bidder(s).

The Bonds and the Notes issued in book-entry form will be registered in the name of Cede & Co., as the partnership nominee for DTC, which will act as securities depository for the Bonds and the Notes. Beneficial owners will not receive certificates representing their respective interests in the Bonds and the Notes. Individual purchases may be made in denominations of $5,000 or integral multiples thereof. A single bond certificate will be issued for each maturity of any book-entry Bonds and Notes. Principal of and interest on book-entry Bonds and Notes will be paid in Federal Funds by the Village to Cede & Co., as nominee for DTC, which will in turn remit such principal and interest to its Participants (as herein after defined) for subsequent distribution to the beneficial owners of the Bonds and the Notes as described herein. Transfer of principal and interest payments to Beneficial Owners (as hereinafter defined) by Participants of DTC will be the responsibility of such Participants and other nominees of Beneficial Owners. The Village will not be responsible or liable for payments by DTC to its Participants or by Direct Participants (as hereinafter defined) to Beneficial Owners or for maintaining, supervising or reviewing the records maintained by DTC, its Participants or persons acting through such Participants. (See "*DESCRIPTION OF BOOK-ENTRY SYSTEM*" herein).

Sealed bids for the Bonds and the Notes will be received at 11:00 A.M. (Prevailing Time) on November 4, 2026, in accordance with the Notice of Sale dated October 26, 2026.

The Bonds and the Notes are offered subject to the final approving opinions of Hawkins Delafield & Wood LLP, New York, New York, Bond Counsel to the Village, and certain other conditions. It is expected that delivery of the Bonds and the Notes in book-entry form will be made through the facilities of DTC in New York, New York, or as otherwise agreed to by the Village and the Purchaser(s), on or about November 17, 2026 in New York, New York.

THIS OFFICIAL STATEMENT IS IN A FORM "DEEMED FINAL" BY THE VILLAGE FOR THE PURPOSE OF SECURITIES AND EXCHANGE COMMISSION RULE 15c2-12 (THE "RULE"). FOR A DESCRIPTION OF THE VILLAGE'S AGREEMENT TO PROVIDE CONTINUING DISCLOSURE FOR THE BONDS AND THE NOTES, AS DESCRIBED IN THE RULE, SEE "DISCLOSURE UNDERTAKING" HEREIN.

$265,000* PUBLIC IMPROVEMENT SERIAL BONDS – 2026 (FEDERALLY TAXABLE)
and
$2,350,000 BOND ANTICIPATION NOTES – 2026

This Official Statement and appendices thereto present certain information relating to the Village of Northport, in the State of New York (the "Village" and "State," respectively) in connection with the sale of $265,000* Public Improvement Serial Bonds – 2026 (Federally Taxable) (the "Bonds") and $2,350,000 Bond Anticipation Notes – 2026 (the “Notes”).

All quotations from and summaries and explanations of provisions of the Constitution and laws of the State and acts and proceedings of the Village contained herein do not purport to be complete and are qualified in their entirety by reference to the official compilations thereof and all references to the Bonds and the Notes and the proceedings of the Village relating thereto are qualified in their entirety by reference to the definitive form of the Bonds and the Notes and such proceedings.

THE BONDS

Description of the Bonds

The Bonds will be dated date of delivery, and will mature in the principal amounts on November 1, in each of the years 2027 to 2031, inclusive, as set forth on the inside cover page. Interest on the Bonds will be payable semi-annually on May 1 and November 1 in each year to maturity, commencing May 1, 2027.

At the option of the purchaser, the Bonds may be either (i) registered in the name of the purchaser or (ii) registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”) as book-entry bonds. For those Bonds registered in the name of Cede & Co., individual purchases of the Bonds may be made in denominations of $5,000 or integral multiples thereof. For Bonds issued as book-entry bonds through DTC, Bondholders will not receive certificates representing their respective interests in the Bonds purchased (See "*DESCRIPTION OF BOOK-ENTRY SYSTEM,*" herein).

The Record Date of the Bonds will be the fifteenth day of the calendar month preceding each interest payment date.

The Village Clerk will act as Fiscal Agent for the Bonds. Paying agent fees, if any, will be paid by the purchaser. The Village’s contact information is as follows: Siobhan Costello, Village Treasurer, Village of Northport, Village Hall, 224 Main Street, Northport, New York 11768, telephone number (631) 261-7502 and email: s.costello@northportny.gov.

Optional Redemption

The Bonds will not be subject to redemption prior to maturity.

Authorization and Purpose for the Bonds

The Bonds are being issued pursuant to the Constitution and statutes of the State of New York, including among others, the New York Village Law and the New York Local Finance Law, and a bond resolution duly adopted by the Village Board of Trustees on the date set forth below for the following purposes:

Date Authorized	Purpose	Amount Authorized	Amount Outstanding	Amount to be Issued with Bonds
9/19/2023	Parking Meters	$404,000	$0	$265,000
	Totals:	$404,000	$0	$265,000

*Preliminary, subject to change.

THE NOTES

Description of the Notes

The Notes will be dated November 17, 2026 and will mature, without right of redemption prior to maturity, on November 17, 2027, with interest payable at maturity.

At the option of the purchaser(s), the Notes may be either registered to the purchaser(s) or registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC") as book-entry notes.

For those Notes registered to the purchaser(s), a single note certificate shall be delivered to the purchaser(s), for those Notes bearing the same rate of interest in the aggregate principal amount awarded to such purchaser at such interest rate. Principal of and interest on such Notes will be payable in lawful money of the United States of America (Federal Funds) at such bank or trust company located and authorized to do business in the State of New York.

For those Notes issued as book-entry notes registered to Cede & Co., DTC will act as securities depository for the Notes and owners will not receive certificates representing their respective interests in the Notes. Individual purchases of such book-entry Notes may be made in denominations of $5,000 or integral multiples thereof. A single note certificate will be issued for those Notes bearing the same rate of interest and CUSIP number in the aggregate principal amount awarded to such purchaser(s) at such interest rate. Principal of and interest on said Notes will be paid in Federal Funds by the Village to Cede & Co., as nominee for DTC, which will in turn remit such principal and interest to its participants for subsequent distribution to the beneficial owners of the Notes as described herein. See "DESCRIPTION OF BOOK-ENTRY SYSTEM" herein.

The Village Clerk will act as Paying Agent for the Notes. Paying Agent fees, if any, shall be paid by the purchaser. The Village's contact information is as follows: Siobhan Costello, Village Treasurer, Village of Northport, Village Hall, 224 Main Street, Northport, New York 11768, telephone number (631) 261-7502 and email: s.costello@northportny.gov.

Optional Redemption

The Notes will not be subject to redemption prior to their maturity.

Authorization and Purpose for the Notes

The Notes are being issued pursuant to the Constitution and statutes of the State of New York, including among others, the Local Finance Law and various bond resolutions adopted by the Village Board of Trustees on the dates referred to below. The projects that will be financed by the Notes are as follows:

Date Authorized	Purpose	Amount Authorized	Amount Outstanding	Amount to be Issued with Notes
08/04/26	Acquisition of a Generator	750,000	0	725,000
08/04/26	Storm Water Mitigation Improvements	1,750,000	0	350,000
08/04/26	Village Dock Improvements	1,300,000	0	1,275,000
	Totals:	$3,800,000	$0	$2,350,000

DESCRIPTION OF BOOK-ENTRY SYSTEM

If the Bonds or Notes are issued in book-entry form, DTC will act as securities depository for the Bonds and for any Notes issued in book-entry form. Any book-entry Bonds or Notes will be issued as fully-registered securities, in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered bond certificate will be issued for each maturity of the Bonds and deposited with DTC. One fully-registered note certificate will be issued for each Note bearing the same rate of interest and CUSIP number and will be deposited with DTC.

DTC is limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants")

deposit with DTC. DTC also facilities the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of certificates.

Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of the Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants") and together with Direct Participant, the ("Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Bonds and the Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds and the Notes on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds and the Notes are to be accomplished by entries made on the books of Direct or Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Bonds and the Notes, except in the event that use of the book-entry system for the Bonds and the Notes is discontinued.

To facilitate subsequent transfers, all Bonds and the Notes deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds and the Notes with DTC and their registration in the name of Cede & Co., or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds and the Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds and the Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping accounts of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Beneficial Owners of the Bonds and the Notes may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds and the Notes, such as redemptions, tenders, defaults, and proposed amendments to the Bond and the Note documents. For example, Beneficial Owners of the Bonds and Notes may wish to ascertain that the nominee holding the Bonds and the Notes for their benefit has agreed to obtain and transmit notices to the Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds and the Notes unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the issuer as soon as possible after the record date. The omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds and the Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds and the Notes will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Village on the payable date, in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (nor its nominee) or the Village, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Village, disbursement of such payments to Direct Participants will be the responsibility of DTC), and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

The information contained in the above section concerning DTC and DTC's book-entry system has been obtained from sample offering document language supplied by DTC, but the Village takes no responsibility for the accuracy thereof.

THE VILLAGE WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS, TO INDIRECT PARTICIPANTS OR ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY PARTICIPANTS, OR ANY INDIRECT PARTICIPANT; (II) THE PAYMENT BY DTC OR ANY PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OF OR INTEREST ON THE BONDS AND THE NOTES; (III) ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO HOLDERS; (IV) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS AND THE NOTES; OR (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS HOLDER.

THE VILLAGE CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC WILL DISTRIBUTE TO DIRECT PARTICIPANTS OR THAT DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS AND THE NOTES (I) PAYMENTS OF THE PRINCIPAL OF OR INTEREST ON THE BONDS AND THE NOTES; (II) CONFIRMATION OF THEIR OWNERSHIP INTEREST IN THE BONDS AND THE NOTES; OR (III) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO. AS NOMINEE, AS REGISTERED OWNER OF THE BONDS AND THE NOTES, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SO SERVE AND ACT IN THE MANNER DESCRIBED IN THE OFFICIAL STATEMENT.

Certificated Bonds and the Notes

DTC may discontinue providing its services with respect to the Bonds and the Notes at any time by giving notice to the Village and discharging its responsibilities with respect thereto under applicable law, or the Village may terminate its participation in the system of book-entry-only transfers through DTC at any time. In the event that the Bonds or Notes are issued in book-entry form and such book-entry-only system is discontinued, and a replacement book-entry securities depository is not appointed, the Bonds and the Notes will be issued in registered form in denominations of $5,000, or integral multiples thereof. Principal of and interest on the Bonds and the Notes when due will be payable at the principal corporate trust office of a bank or trust company to be named by the Village as the fiscal agent; certificated Bonds and the Notes may be transferred or exchanged at no cost to the owner of such bonds and notes at any time prior to maturity at the corporate trust office of the fiscal agent for bonds and notes of the same or any other authorized denomination or denominations in the same aggregate principal amount upon the terms set forth in the certificate of the Village Treasurer authorizing the sale of the Bonds and the Notes and fixing the details thereof and in accordance with the Local Finance Law.

Nature of Obligation

Each Bond and Note when duly issued and paid for will constitute a contract between the Village and the holders thereof. The Bonds and Notes will be general obligations of the Village and will contain a pledge of the faith and credit of the Village for the payment of the principal thereof and the interest thereon. For the payment of such principal and interest, the Village has the power and statutory authorization to levy ad valorem taxes on all taxable real property in the Village, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended. (See "*Tax Levy Limit Law*", herein).

Under the Constitution of the State, the Village is required to pledge its faith and credit for the payment of the principal of and interest on the Bonds and the Notes, and the State is specifically precluded from restricting the power of the Village to levy taxes on real estate for the payment of interest on or principal of indebtedness theretofore contracted. However, Chapter 97 of the New York Laws of 2011, as amended (the "Tax Levy Limit Law"), imposes a limitation upon the Village's power to increase its annual tax levy. As a result, the power of the Village to levy real estate taxes on all the taxable real property within the Village is subject to statutory limitations set forth in the Tax Levy Limit Law, unless the Village complies with certain procedural requirements to permit the Village to levy certain year-to-year increases in real property taxes. (See "*Tax Levy Limit Law*," herein).

RISK FACTORS

The following description summarizes some of the risks associated with an investment in the Bonds and the Notes and does not purport to be complete. The factors affecting the Village's financial condition described throughout this Official Statement are complex and are not intended to be summarized in any one section. This Official Statement should be read in its entirety.

The Village's credit rating and financial and economic conditions, as well as the market for the Bonds and the Notes, could be affected by a variety of circumstances, some of which are beyond the Village's control. Economic conditions such as the rate of unemployment and inflation, termination of commercial operations by corporate taxpayers and employers, as well as natural catastrophes, could adversely affect the assessed valuation of real property in the Village and its ability to maintain fund balances and other statistical indices commensurate with its current credit rating. As a consequence, a decline in the Village's credit rating could adversely affect the market value of the Bonds and the Notes.

If and when an owner of any of the Bonds or the Notes should elect to sell a Bond or Note prior to its maturity, there can be no assurance that a market will have been established, maintained and continue in existence for the purchase and sale of any of those Bonds and Notes. The market value of the Bonds and the Notes is dependent upon the ability of the holder to potentially incur a capital loss if such Bond or Note is sold prior to its maturity.

There can be no assurance that adverse events including, for example, the seeking by another municipality in the State or elsewhere of remedies pursuant to the Federal Bankruptcy Act or otherwise, will not occur which might affect the market price of and the market for the Bonds or the Notes. In particular, if a significant default or other financial crisis should occur in the affairs of the State or any of its municipalities, public authorities or other political subdivisions thereby possibly further impairing the acceptability of obligations issued by those entities, both the ability of the Village to arrange for additional borrowing(s) as well as the market for and market value of outstanding debt obligations, including the Bonds and the Notes, could be adversely affected.

The Village is dependent in part upon financial assistance from the State in the form of State aid as well as grants and loans expected to be received ("State Aid"). The availability of such monies and the timeliness of such payment may be affected by a delay in the adoption of the State budget, the impact on the State's economy and financial condition of an unexpected public health outbreak or other circumstance, including State fiscal stress. State aid appropriated and apportioned to the Village can be paid only if the State has such monies available therefor. Should the Village fail to receive all or a portion of the amounts of State Aid expected to be received from the State in the amounts and at the times anticipated, occasioned by a delay in the payment of such moneys, the Village is authorized pursuant to the Local Finance Law ("LFL") to provide operating funds by borrowing in anticipation of the receipt of such uncollected State Aid, however, there can be no assurance that, in such event, the Village will have market access for any such borrowing on a cost effective basis. (See also "*State Aid*" herein.)

Future amendments to applicable statutes whether enacted by the State or the United States of America affecting the treatment of interest paid on municipal obligations, including the Bonds and the Notes, for income taxation purposes could have an adverse effect on the market value of the Bonds and the Notes (see "*Tax Matters*" herein).

The enactment of the Tax Levy Limit Law, which imposes a tax levy limitation upon municipalities, school districts and fire districts in the State, including the Village, without providing an exclusion for debt service on obligations issued by municipalities and fire districts, including the Village, may affect the market price and/or marketability for the Bonds and the Notes. (See "*Tax Levy Limit Law*" herein.)

Federal or State legislation imposing new or increased mandatory expenditures by municipalities, school districts and fire districts in the State, including the Village, could impair the financial condition of such entities, including the Village, and the ability of such entities, including the Village, to pay debt service on the Bonds and the Notes.

REMEDIES UPON DEFAULT

Neither the Bonds and the Notes, nor the proceedings with respect thereto, specifically provide any remedies which would be available to owners of the Bonds and the Notes should the Village default in the payment of principal of or interest on the Bonds or the Notes, nor do they contain any provisions for the appointment of a trustee to enforce the interests of the owners of the Bonds or the Notes upon the occurrence of any such default. Each Bond and Note is a general obligation contract between the Village and the owners for which the faith and credit of the Village are pledged and while remedies for enforcement of payment are not expressly included in the Village's contract with such owners, any permanent repeal by statute or constitutional amendment of a bond or note holder's remedial right to judicial enforcement of the contract should, in the opinion of Bond Counsel, be held unconstitutional.

Upon default in the payment of principal of or interest on the Bonds or the Notes, at the suit of the owner, a Court has the power, in proper and appropriate proceedings, to render judgment against the Village. The present statute limits interest on the amount adjudged due to contract creditors to nine per centum per annum from the date due to the date of payment. As a general rule, property and funds of a municipal corporation serving the public welfare and interest have not been judicially subjected to execution or attachment to satisfy a judgment. A Court also has the power, in proper and appropriate proceedings, to order payment of a judgment on such Bonds or Notes from funds lawfully available therefor or, in the absence thereof, to order the Village to take all lawful action to obtain the same, including the raising of the required amount in the next annual tax levy. In exercising its discretion as to whether to issue such an order, the Court may take into account all relevant factors, including the current operating needs of the Village and the availability and adequacy of other remedies. Upon any default in the payment of the principal of or interest on a Bond and Note, the owner of such Bond and Note could, among other remedies,

seek to obtain a writ of mandamus from a Court ordering the governing body of the Village to assess, levy and collect an *ad valorem* tax, upon all taxable property of the Village subject to taxation by the Village, sufficient to pay the principal of and interest on the Bonds and the Notes as the same shall come due and payable (and interest from the due date to date of payment) and otherwise to observe the covenants contained in the Bonds and the Notes and the proceedings with respect thereto all of which are included in the contract with the owners of the Bonds and the Notes. The mandamus remedy, however, may be impracticable and difficult to enforce. Further, the right to enforce payment of the principal of or interest on the Bonds and the Notes may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws and equitable principles, which may limit the specific enforcement of certain remedies.

In 1976, the New York Court of Appeals, the State's highest court, held in *Flushing National Bank* v. *Municipal Assistance Corporation for the City of New York*, 40 N.Y.2d 731 (1976), that the New York State legislation purporting to postpone the payment of debt service on New York City obligations was an unconstitutional moratorium in violation of the New York State constitutional faith and credit mandate included in all municipal debt obligations. While that case can be viewed as a precedent for protecting the remedies of holders of bonds or notes of the Village, there can be no assurance as to what a Court may determine with respect to future events, including financial crises as they may occur in the State and in municipalities of the State, that require the exercise by the State of its emergency and police powers to assure the continuation of essential public services. (See also, *Flushing National Bank* v. *Municipal Assistance Corporation for the City of New York*, 40 N.Y.2d 1088 (1977), where the Court of Appeals described the pledge as a direct Constitutional mandate.)

As a result of the Court of Appeals decision, the constitutionality of that portion of Title 6-A of Article 2 of the Local Finance Law enacted at the 1975 Extraordinary Session of the State legislature authorizing any county, city, town or village with respect to which the State has declared a financial emergency to petition the State Supreme Court to stay the enforcement against such municipality of any claim for payment relating to any contract, debt or obligation of the municipality during the emergency period, is subject to doubt. In any event, no such emergency has been declared with respect to the Village.

Pursuant to Article VIII, Section 2 of the State Constitution, the Village is required to provide an annual appropriation of monies for the payment of due and payable principal of and interest on indebtedness. Specifically, this constitutional provision states: "If at any time the respective appropriating authorities shall fail to make such appropriations, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied to such purposes. The fiscal officer of any county, city, town, village or school district may be required to set aside and apply such revenues as aforesaid at the suit of any holder of obligations issued for any such indebtedness." This constitutes a specific non-exclusive constitutional remedy against a defaulting municipality or school district; however, it does not apply in a context in which monies have been appropriated for debt service but the appropriating authorities decline to use such monies to pay debt service. However, Article VIII, Section 2 of the Constitution of the State also provides that the fiscal officer of any county, city, town, village or school district may be required to set apart and apply such revenues at the suit of any holder of any obligations of indebtedness issued with the pledge of the faith of the credit of such political subdivision. In *Quirk* v. *Municipal Assistance Corp*., 41 N.Y.2d 644 (1977), the Court of Appeals described this as a "first lien" on revenues, but one that does not give holders a right to any particular revenues. It should thus be noted that the pledge of the faith and credit of a political subdivision in the State is a pledge of an issuer of a general obligation bond or note to use its general revenue powers, including, but not limited to, its property tax levy, to pay debt service on such obligations, but that such pledge may or may not be interpreted by a court of competent jurisdiction to include a constitutional or statutory lien upon any particular revenues. The Constitutional provision providing for first revenue set asides does not apply to tax anticipation notes, revenue anticipation notes or bond anticipation notes.

While the courts in the State have historically been protective of the rights of holders of general obligation debt of political subdivisions, it is not possible to predict what a future court might hold.

In prior years, certain events and legislation affecting a holder's remedies upon default have resulted in litigation. While courts of final jurisdiction have generally upheld and sustained the rights of holders of bonds or notes, such courts might hold that future events, including a financial crisis as such may occur in the State or in political subdivisions of the State, may require the exercise by the State or its political subdivisions of emergency and police powers to assure the continuation of essential public services prior to the payment of debt service.

MUNICIPAL BANKRUPTCY

The undertakings of the Village should be considered with reference, specifically, to Chapter IX of the Bankruptcy Act, 11 U.S.C. §401, et seq., as amended ("Chapter IX") and, in general, to other bankruptcy laws affecting creditors' rights and municipalities. Chapter IX permits any political subdivision, public agency or instrumentality that is insolvent or unable to meet its debts (i) to file a petition in a Court of Bankruptcy for the purpose of effecting a plan to adjust its debts provided such entity is authorized to do so by applicable state law; (ii) directs such a petitioner to file with the court a list of a petitioner's creditors; (iii) provides that a petition filed under such chapter shall operate as a stay of the commencement or continuation of any judicial or other proceeding against the petitioner; (iv) grants priority to debt owed for services or material actually provided within three (3) months of the filing of the petition; (v) directs a petitioner to file a plan for the adjustment of its debts; and (vi) provides that the plan must be accepted in writing by or on behalf of creditors holding at least two-thirds (2/3) in amount or more than one-half (1/2) in number of the listed creditors.

Bankruptcy proceedings by the Village could have adverse effects on holders of bonds or notes including (a) delay in the enforcement of their remedies, (b) subordination of their claims to those supplying goods and services to the Village after the initiation of bankruptcy proceedings and to the administrative expenses of bankruptcy proceedings and (c) imposition without their consent of a reorganization plan reducing or delaying payment of the Bonds and the Notes. The Bankruptcy Code contains provisions intended to ensure that, in any reorganization plan not accepted by at least a majority of a class of creditors such as the holders of general obligation bonds, such creditors will have the benefit of their original claim or the "indubitable equivalent". The effect of these and other provisions of the Bankruptcy Code cannot be predicted and may be significantly affected by judicial interpretation.

Accordingly, enforceability of the rights and remedies of the owners of the Bonds and the Notes, and the obligations incurred by the Village, may become subject to Chapter IX and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditor's rights generally, now or hereafter in effect, equity principles which may limit the specific enforcement under State law of certain remedies, the exercise by the United States of America of the powers delegated to it by the Constitution, the reasonable and necessary exercise, in certain exceptional situations, of the police powers inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose and the limitations on remedies against public agencies in the State. Bankruptcy proceedings, or the exercise of powers by the federal or State government, if initiated, could subject the owners of the Bonds and the Notes to judicial discretion, interpretation and of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation, or modification of their rights.

The State has consented (see Title 6-A of the Local Finance Law) that any municipality in the State may file a petition with any United States district court or court of bankruptcy under any provision of the laws of the United States, now or hereafter in effect for the composition or adjustment of municipal indebtedness. However, it is noted that there is no record of any recent filings by a New York municipality. Since the New York City fiscal crisis in 1975, the State has legislated a financial control or review board and assistance corporations to monitor and restructure finance matters in addition to New York City, for the Cities of Yonkers, Troy and Buffalo and for the Counties of Nassau and Erie. Similar active intervention pursuant to State legislation to relieve fiscal stress for the Village in the future cannot be assured.

No current state law purports to create any priority for holders of the Bonds and the Notes should the Village be under the jurisdiction of any court, pursuant to the laws of the United States, now or hereafter in effect, for the composition or adjustment of municipal indebtedness.

The above references to the Bankruptcy Act are not to be construed as an indication that the Village is currently considering or expects to resort to the provisions of the Bankruptcy Act.

Financial Control Boards

Pursuant to Article IX Section 2(b)(2) of the State Constitution, any municipality in the State may request the intervention of the State in its "property, affairs and government" by a two-thirds vote of the total membership of its legislative body or on request of its chief executive officer concurred in by a majority of such membership. This has resulted in the adoption of special acts for the establishment of public benefit corporations with varying degrees of authority to control the finances (including debt issuance) of the Cities of Buffalo, Troy and Yonkers and the County of Nassau. The specific authority, powers and composition of the financial control boards established by these acts varies based upon circumstances and needs. Generally, the State legislature has granted such boards the power to approve or disapprove budget and financial plans and to issue debt on behalf of the municipality, as well as to impose wage and/or hiring freezes and in certain cases approve or disapprove collective bargaining agreements. Implementation is generally left to the discretion of the board of the public benefit corporation. Such a State financial control board was first established for New York City in 1975. In addition, upon the issuance of a certificate of necessity by the Governor reciting facts which in the judgment of the Governor constitute an emergency requiring enactment of such laws, with the concurrences of two-thirds of the members elected in each house of the State legislature, the State is authorized to intervene in the "property, affairs and governments" of local government units. This occurred in the case of the County of Erie in 2005. The authority of the State to intervene in the financial affairs of a local government is further supported by Article VIII, Section 12 of the Constitution which declares it to be the duty of the State legislature to restrict, subject to other provisions of the Constitution, the power of taxation, assessment, borrowing money and contracting indebtedness and loaning the credit of counties, cities, towns and villages so as to prevent abuses in taxation and assessment and in contracting indebtedness by them.

In 2013, the State established a new state advisory board to assist counties, cities, towns and villages in financial distress. The Financial Restructuring Board for Local Governments (the "FRB"), is authorized to conduct a comprehensive review of the finances and operations of any such municipality deemed by the FRB to be fiscally eligible for its services upon request by resolution of the municipal legislative body and concurrence of its chief executive. The FRB is authorized to make recommendations for, but cannot compel improvement of fiscal stability, management and delivery of municipal services, including shared services opportunities, and is authorized to offer grants and/or loans of up to $5,000,000 through a Local Government Performance and Efficiency Program to undertake certain recommendations. If a municipality agrees to undertake the FRB recommendations, it will be automatically bound to fulfill the terms in order to receive the aid.

The FRB is also authorized to serve as an alternative arbitration panel for binding arbitration.

Although from time to time there have been proposals for the creation of a statewide financial control board with broad authority over local governments in the State, the FRB does not have emergency financial control board powers to intervene in the finances and operations of entities such as the public benefit corporations established by special acts as described above.

Several municipalities in the State are presently working with the FRB. The Village has not applied to the FRB and does not reasonably anticipate submission of a request to the FRB for a comprehensive review of its finances and operations. School districts and fire districts are not eligible for FRB assistance.

No Past Due Debt

No principal or interest payment on Village indebtedness is past due. The Village has never defaulted in the payment of the principal of and/or interest on any indebtedness.

THE VILLAGE OF NORTHPORT

There follows in this Official Statement a brief description of the Village together with certain information concerning its economy, governmental organization, indebtedness, current major revenue sources, and general and specific funds.

Description

The Village, incorporated in 1894, is located on the north shore of Long Island within the Town of Huntington, Suffolk County, New York. The Village has a population of 7,322, according to the 2024 census, with a land area of approximately 2.3 square miles.

Northport Harbor and Northport Bay form the western boundary of the Village and define the Village's character. These waterways provide access to Huntington Bay and the Long Island Sound. The Village's rich maritime history is reflected in the period captain's homes that dot its natural deep-water harbor. There remains an active commercial and recreational boating environment that provides both economic and pleasurable benefits to residents of the Village and surrounding areas. During the summer months tourism is a substantial part of the local economy.

According to the latest assessment rolls of the Village, the Village is comprised of approximately 10% commercial properties and 90% residential properties. Commercial activity is mainly in the form of retail service establishments, marinas and marine related businesses, and restaurants centered along the harbor, Main Street of the Village, and Route 25A which, in part, forms the southern boundary of the Village. Residential properties within the Village are mainly in the form of single family detached houses. Per-capita income, median family income and median housing values are all above State and County averages.

Employment opportunities are available to residents of the Village throughout western Suffolk County, Nassau County and New York City. Mid-town Manhattan is approximately 40 miles to the west.

Governmental Organization

Subject to the provisions of the State Constitution, the Village operates pursuant to the Village Law, the Local Finance Law, other laws generally applicable to the Village, and any special laws applicable to the Village.

The legislative power of the Village is vested in the Board of Trustees of the Village (the "Board"). There are five members of the Board (the Mayor and four Trustees), each of whom is elected at-large for a term of four years. These officials may succeed themselves without any limit on the number of terms.

The executive responsibility for the Village is vested in the Mayor. Subject to Board approval, the Mayor appoints the Village Administrator, Village Treasurer, Village Clerk, and Village Attorney.

Employees

The Village provides services through approximately 53 full-time and 27 part-time employees.

INDEBTEDNESS OF THE VILLAGE

Constitutional Requirements

The State Constitution limits the power of the Village (as well as other municipalities and school districts of the State) to issue obligations and contract indebtedness. Such constitutional limitations include the following, in summary form, and are generally applicable to the Village and the Bonds and the Notes:

Purpose and Pledge. The Village shall not give or loan any money or property to or in aid of any individual or private corporation or private undertaking or give or loan its credit to or in aid of any of the foregoing or any public corporation.

The Village may contract indebtedness only for a Village purpose and shall pledge its faith and credit for the payment of principal of and interest thereon.

Payment and Maturity. Except for certain short-term indebtedness contracted in anticipation of taxes, or to be paid in one of the two fiscal years immediately succeeding the fiscal year in which such indebtedness was contracted, indebtedness shall be paid in annual installments commencing no later than two years after the date such indebtedness shall have been contracted and ending no later than the expiration of the periods of probable usefulness of the objects or purposes as determined by statute or in the alternative, the weighted average period of probable usefulness of the several objects or purposes for which such indebtedness is to be contracted; no installment may be more than fifty per centum in excess of the smallest prior installment, unless the Village has authorized the issuance of indebtedness having substantially level or declining annual debt service. The Village is required to provide an annual appropriation for the payment of interest due during the fiscal year on its indebtedness and for the amounts required in such year for amortization and redemption of its serial bonds, bond anticipation notes and capital notes.

General. The Village is further subject to constitutional limitation by the general constitutionally imposed duty on the State Legislature to restrict the power of taxation, assessment, borrowing money, contracting indebtedness and loaning the credit of the Village so as to prevent abuses in the exercise of such powers; however, as has been noted under "*Nature of Obligation*", the State Legislature is prohibited by a specific constitutional provision from restricting the power of the Village to levy taxes on real estate for the payment of interest on or principal of indebtedness theretofore contracted. However, the Tax Levy Limit Law imposes a statutory limitation on the Village's power to increase its annual tax levy. The amount of such increase is limited by the formulas set forth in the Tax Levy Limit Law. (See "*Tax Levy Limit Law*" herein).

Statutory Procedure

In general, the State Legislature has authorized the power and procedure for the Village to borrow and incur indebtedness subject, of course, to the constitutional provisions set forth above. The power to spend money, however, generally derives from other law, including the Village Law and the General Municipal Law.

Pursuant to the Local Finance Law, the Village authorizes the incurrence of indebtedness by the adoption of a bond and note resolution approved by at least two-thirds of the members of the Village Board, except in the event that the Village determines to subject the bond and note resolution to voter approval by mandatory referendum, in which case only a three-fifths vote is required.

The Local Finance Law also provides a twenty-day statute of limitations after publication of a bond and note resolution which, in effect, estops thereafter legal challenges to the validity of obligations authorized by such bond and note resolution except for alleged constitutional violations. The Village has complied with such requirement with respect to the bond resolutions authorizing the issuance of the Bonds and the Notes.

Each bond and note resolution usually authorizes the construction, acquisition or installation of the object or purpose to be financed, sets forth the plan of financing and specifies the maximum maturity of the bonds and notes subject to the legal (Constitution, Local Finance Law and case law) restrictions relating to the period of probable usefulness with respect thereto.

Each bond resolution also authorizes the issuance of bond anticipation notes prior to the issuance of serial bonds. Statutory law in New York permits notes to be renewed each year provided that principal is amortized and provided that such renewals do not (with certain exceptions) extend more than five years beyond the original date of borrowing. However, bonds and notes issued in anticipation of the sale of serial bonds for assessable improvements are not subject to such five-year limit and may be renewed subject to annual reductions of principal for the entire period of probable usefulness of the purpose for which such bonds and notes were originally issued. (See "*Payment and Maturity*" under "*Constitutional Requirements*" herein).

In addition, under each bond resolution, the Village Board may delegate, and has delegated, power to issue and sell bonds and notes, to the Village Treasurer, the chief fiscal officer of the Village.

In general, the Local Finance Law contains similar provisions providing the Village with power to issue general obligation revenue anticipation notes, tax anticipation notes, deficiency notes and budget notes.

Debt Limit. The Village has the power to contract indebtedness for any Village purpose so long as the aggregate outstanding principal amount thereof shall not exceed seven per centum of the average full valuation of taxable real estate of the Village and subject to certain enumerated exclusions and deductions such as water and certain sewer facilities and cash or appropriations for current debt service. The constitutional and statutory method for determining the full valuation is by dividing the assessed valuation of taxable real estate by the respective equalization rates assigned to each assessment roll. Such equalization rates are the ratios which each of such assessed valuations bear to the respective full valuation of such year, as assigned by the Office of Real Property Tax Services. The State Legislature is required to prescribe the manner by which such ratios shall be determined. Average full valuation is determined by adding the full valuations for the most recently completed assessment roll and the four immediately preceding assessments rolls and dividing the resulting sum of such addition by five.

There is no constitutional limitation on the amount that may be raised by the Village by tax on real estate in any fiscal year to pay principal and interest on all indebtedness. However, the Tax Levy Limit Law imposes a statutory limitation on the power of the Village to increase its annual tax levy. The amount of such increases is limited by the formulas set forth in the Tax Levy Limit Law. (See "*Tax Levy Limit Law*," herein).

a. $2,615,000 of such amount will be financed by the Bonds and the Notes.

Capital Project Plans

The Village is generally responsible for providing services as required to its residents on a Village-wide basis. The Village maintains a road system necessitating road resurfacing and improvements and the acquisition of machinery and, from time to time, equipment. Additionally, although not a capital expense, such road system requires annual expenditures for snow removal as well as regular general operating maintenance expenses. In general, needs for capital funding for the above described projects which the Village has responsibility are anticipated to continue and to be in approximately the same amounts or less than has prevailed in the past.

FINANCES OF THE VILLAGE

Financial Statements and Accounting Procedures

The financial statements of the Village are audited each year by an independent public accountant. The latest year for which an Audited Financial Report is available is the fiscal year ended February 28, 2026 and is attached hereto as Appendix B. The financial affairs of the Village are subject to periodic compliance review by the Office of the State Comptroller to ascertain whether the Village has complied with the requirements of various State and Federal statutes. As required by law, the Village also prepares an Annual Financial Report (AFR) for submission to the Comptroller. A summary of the operating results for the past five fiscal years is attached as Appendix A hereto.

Fund Structure and Accounts

The Village utilizes fund accounting to record and report its various service activities. A fund represents both a legal and an accounting entity which segregates the transactions of specific programs in accordance with special regulations, restrictions or limitations.

There are three basic fund types: (1) governmental funds that are used to account for basic services and capital projects; (2) proprietary funds that account for operations of a commercial nature; and, (3) fiduciary funds that account for assets held in a trustee capacity. Account groups, which do not represent funds, are used to record fixed assets and long-term obligations that are not accounted for in a specific fund.

The Village presently maintains the following governmental funds: General Fund, Water Fund, Sewer Fund, and the Capital Projects Fund. Fiduciary funds consist of a Trust and Agency Fund. There are no proprietary funds. Account groups are maintained for fixed assets and long-term debt.

Basis of Accounting

The Village's governmental funds are accounted for on a modified accrual basis of accounting. Under the modified accrual basis, revenues are recognized when they become susceptible to accrual - that is, when they become "measurable" and "available" to finance expenditures to the current period. Revenues which are susceptible to accrual include real property taxes, intergovernmental revenues (State and Federal aid) and operating transfers.

Expenditures are generally recognized under the modified accrual basis of accounting, that is when the related fund liability is incurred. Exceptions to this general rule are (1) payments to employee retirement systems which are recorded in the General Long-Term Debt Account Group and recognized as an expenditure when due, and, (2) unmatured interest on general long-term debt which is recognized when due.

Investment Policy

Pursuant to State law, including Sections 10 and 11 of the General Municipal Law (the "GML"), the Village is generally permitted to deposit moneys in banks or trust companies located and authorized to do business in the State. All such deposits, including special time deposit accounts and certificates of deposit, in excess of the amount insured under the Federal Deposit Insurance Act, are required to be secured in accordance with the provisions of and subject to the limitations of Section 10 of the GML.

The Village may also temporarily invest moneys in: (1) obligations of the United States of America; (2) obligations guaranteed by agencies of the United States of America where the payment of principal and interest are guaranteed by the United States of America; (3) obligations of the State of New York; (4) with the approval of the New York State Comptroller, in tax anticipation notes or revenue anticipation notes issued by any municipality, school district, or district corporation, other than those notes issued by the Village, itself; (5) certificates of participation issued in connection with installment purchase agreements entered into by political subdivisions of the State pursuant to Section 109-b(10) of the GML; (6) obligations of a New York public benefit corporation which are made lawful investments for municipalities pursuant to the enabling statute of such public benefit corporation; or (7) in the case of moneys held in certain reserve funds established by the Village pursuant to law, in obligations of the Village.

All of the foregoing investments are required to be payable or redeemable at the option of the owner within such times as the proceeds will be needed to meet expenditures for purposes for which the moneys were provided and, in the case of obligations purchased with the proceeds of bonds or notes, shall be payable or redeemable in any event, at the option of the owner, within two years of the date of purchase. Unless registered or inscribed in the name of the Village, such instruments and investments must be purchased through, delivered to and held in custody of a bank or trust company in the State pursuant to a written custodial agreement as provided by Section 10 of the GML.

The Board of Trustees of the Village has adopted an investment policy and such policy conforms with applicable laws of the State governing the deposit and investment of public moneys. All deposits and investments of the Village are made in accordance with such policy.

Budgetary Procedures

The budget officer submits a tentative budget to the Board of Trustees no later than December 1st. The tentative budget includes proposed expenditures and the proposed means of financing for all funds. After public hearings are conducted to obtain taxpayer comments, no later than February 1st, the governing board adopts the budget. All subsequent modifications of the budget must be approved by the Board of Trustees. Budgets are prepared for proprietary funds to establish the estimated contributions required from other funds and to control expenditures. The Village's budget is not subject to referendum. All budgets of the Village adopted in accordance with the procedure discussed herein must comply with the requirements of the new law. (See "*The Tax Levy Limit Law*" herein).

Financial Operations

The Village Treasurer functions as the chief fiscal officer as provided in Section 2.00 of the Local Finance Law; in this role, the Village Treasurer is responsible for the Village's accounting and financial reporting activities. In addition, the Treasurer is also the Village's budget officer and prepares the annual tentative budget for submission to the Board of Trustees. Budgetary control during the year is the responsibility of the Village Treasurer. Pursuant to Section 30.00 of the Local Finance Law, the Village Treasurer has been authorized to issue or renew certain specific types of notes. As required by law, the Village Treasurer must execute an authorizing certificate which then becomes a matter of public record.

The Board of Trustees, as a whole, serves as the finance board of the Village and is responsible for authorizing, by resolution, all material financial transactions such as operating and capital budgets and bonded debt.

Revenues

The Village receives most of its revenues from a real property tax on all non-exempt real property situated within the Village. A summary of such revenues for the five most recently completed fiscal years and estimated revenues for the current fiscal year may be found in Appendix A.

Real Property Taxes

See "Tax Information", herein.

State Aid

The Village receives financial assistance from the State. If the State should not adopt its budget in a timely manner, municipalities and school districts in the State, including the Village, may be affected by a delay in the payment of State aid. Additionally, if the State should experience difficulty in borrowing funds in anticipation of the receipt of State taxes in order to pay State aid to municipalities and school districts in the State, including the Village, in this year or future years, the Village may be affected by a delay in the receipt of State aid until sufficient State taxes have been received by the State to make State aid payments.

Based on the audited financial results of the Village, the Village received approximately 2.98% of its General Fund revenue from State aid in the fiscal year ending February 28, 2026 and budgeted approximately 2.13% of its General Fund revenue from State aid in fiscal 2027 respectively. There is no assurance, however, that State appropriations for aid to municipalities will continue, either pursuant to existing formulas or in any form whatsoever. The State is not constitutionally obligated to maintain or continue such aid and, in fact, the State has drastically reduced funding to municipalities and school districts in certain years in order to balance its own budget.

Although the Village cannot predict at this time whether there will be any delays and/or reductions in State aid in the current year or in future fiscal years, the Village may be able to mitigate the impact of any delays or reductions by reducing expenditures, increasing revenues appropriating other available funds on hand, and/or by any combination of the foregoing.

Should the Village fail to receive State aid expected from the State in the amounts and at the times expected, occasioned by a delay in the payment of such monies, the Village is authorized by the Local Finance Law to provide operating funds by borrowing on account of the uncollected State aid.

The following table sets forth the percentage of the Village's General Fund revenue comprised of State aid for each of the fiscal years 2022 through 2026 and budgeted amounts for 2027.

Fiscal Year Ending February 28:	Total Revenue	State Aid	State Aid to Revenues (%)
2022	$18,003,763	$1,030,248	5.72
2023	18,391,495	738,601	4.02
2024	18,760,090	711,330	3.79
2025	19,143,819	707,507	3.70
2026	19,844,433	591,487	2.98
2027 (Budgeted)	19,512,246	416,406	2.13

Expenditures

The major categories of expenditure for the Village are General Government Support, Public Safety, Culture and Recreation, Home & Community Services and Employee Benefits. A summary of the expenditures for the five most recently completed fiscal years and the estimated expenditures for the current fiscal year may be found in Appendix A.

The State Comptroller's Fiscal Stress Monitoring System

The New York State Comptroller has reported that New York State's school districts and municipalities are facing significant fiscal challenges. As a result, the Office of the State Comptroller has developed a Fiscal Stress Monitoring System ("FSMS") to provide independent, objectively measured and quantifiable information to school district and municipal officials, taxpayers and policy makers regarding the various levels of fiscal stress under which the State's school districts and municipalities are operating.

The fiscal stress scores are based on financial information submitted as part of each school district's ST-3 report filed with the State Education Department annually, and each municipality's annual report filed with the State Comptroller. Using financial indicators that include year-end fund balance, cash position and patterns of operating deficits, the system creates an overall fiscal stress score which classifies whether a school district or municipality is in "significant fiscal stress", in "moderate fiscal stress," as "susceptible to fiscal stress" or "no designation". Entities that do not accumulate the number of points that would place them in a stress category will receive a financial score but will be classified in a category of "no designation." This classification should not be interpreted to imply that the entity is completely free of fiscal stress conditions. Rather, the entity's financial information, when objectively scored according to the FSMS criteria, did not generate sufficient points to place them in one of the three established stress categories.

The most current applicable report of the State Comptroller designates the Village as "No Designation". (Fiscal Score: 5.0%; Environmental Score: 6.7%). See the State Comptroller's official website for more information on FSMS.

In addition, the Office of the State Comptroller assists local government officials manage government resources efficiently and effectively. The Comptroller oversees the fiscal affairs of local governments statewide, as well as compliance with relevant statutes and observance of good business practices. This fiscal oversight is accomplished, in part, through its audits, which identify opportunities for improving operations and governance. There have been no audits in the five most recent fiscal years.

See the State Comptroller's official website for more information on FSMS. Reference to this website implies no warranty of accuracy of information therein.

Employee Pension System

Substantially all employees of the Village are members of the New York State and Local Employees' Retirement System ("ERS") or the New York State and Local Police and Fire Retirement System ("PFRS" and together with ERS, the "NYS Retirement System"), cost-sharing multiple public employer retirement systems. The obligation of employers and employees to contribute and the benefit to employees are governed by the State Retirement System and Social Security Law (the "Retirement System Law"). The NYS Retirement System offers a wide range of plans and benefits which are related to years of service and final average salary, vesting of retirement benefits, death and disability benefits and optional methods of benefit payments. All benefits generally vest after five years of credited service. The Retirement System Law generally provides that all participating employers in each retirement system are jointly and severally liable for any unfunded amounts, which are collected through annual billings to all participating employers. Generally, all full-time employees participate in the NYS Retirement System. ERS is non-contributory with respect to members hired prior to July 27, 1976. All ERS members hired on or after July 27, 1976, with less than ten years' experience, must contribute 3% of gross annual salary toward the cost of retirement programs. The PFRS is non-contributory for all police and fire fighters.

Historically there has been a State mandate requiring full (100%) funding of the annual actuarially required local governmental contribution out of current budgetary appropriations. The strong performance of the NYS Retirement System in certain years (generally in the 1990s) has caused the locally required annual contribution to decline to zero. However, in other years, as a result of declines in the equity markets, the pension system has become underfunded. As a result, required contributions increased substantially to 15% to 20% (percentage dependent on tier) of payroll for the ERS and PFRS. Wide swings in the contribution rate resulted in budgetary planning problems for many participating local governments.

The investment of monies, and assumptions underlying same, of the NYS Retirement System covering the Village's employees is not subject to the direction of the Village. Thus, it is not possible to predict, control or prepare for future unfunded accrued actuarial liabilities of the NYS Retirement System ("UAALs"). The UAAL is the difference between total actuarially accrued liabilities and actuarially calculated assets available for the payment of such benefits. The UAAL is based on assumptions as to retirement age, mortality, projected salary increases attributed to inflation, across-the-board raises and merit raises, increases in retirement benefits, cost-of-living adjustments, valuation of current assets, investment returns and other matters. Such UAALs could be substantial in the future, requiring significantly increased contributions from the Village, which could affect other budgetary matters. Concerned investors should contract the NYS Retirement System administrative staff for further information on the latest actuarial valuations of the NYS Retirement System.

In the event that there are capital market declines in the future, the State's Retirement System portfolio may experience negative investment performance and downward trends in market earnings. As a result of the foregoing, the employer contribution rate for the State's Retirement System in future years may be higher than the minimum contribution rate established under applicable law. Since 2010, various forms of legislation have been enacted to allow local governments and school districts the option of amortizing required contributions to the NYS Retirement System. However, although these options reduce near term payments, it may require higher than normal contributions in later years.

As of February 28, 2026, the Village does not have any amortized amounts due to the NYS Retirement System, nor does it expect to amortize any payments for the foreseeable future.

Recent changes in State law implemented changes in employee benefits for certain employees, including a reduction in required contributions for "Tier 6" employees. Such changes are expected to result in increased costs to participating employers, including the Village.

The following table sets forth the required contributions for the five most recently completed fiscal years and budged amounts for the current fiscal year.

Payments to the Retirement Systems

Fiscal Year Ending February 28:	ERS & PFRS
2022	$1,420,712
2023	1,239,283
2024	1,388,460
2025	1,707,320
2026	1,965,786
2027 (Budgeted)	2,189,557

Other Post-Employment Benefits ("OPEB")

The Village provides post-retirement healthcare benefits to various categories of former employees. These costs may be expected to rise substantially in the future. Accounting rules require governmental entities, such as the Village, to account for post-retirement health care benefits as its accounts for vested pension benefits. GASB Statement No. 75 ("GASB 75") described below requires such accounting.

GASB Statement No. 75 of the Governmental Accounting Standards Board ("GASB"), requires state and local governments to account for and report their costs associated with post-retirement healthcare benefits and other non-pension benefits. GASB 75 generally requires that employers account for and report the annual cost of the OPEB and the outstanding obligations and commitments related to OPEB in essentially the same manner as they currently do for pensions. Under previous rules, these benefits have generally been administered on a pay-as-you-go basis and have not been reported as a liability on governmental financial statements. Only current payments to existing retirees were recorded as an expense.

GASB 75 requires that state and local governments adopt the actuarial methodologies to determine annual OPEB costs. Annual OPEB cost for most employers will be based on actuarially determined amounts that, if paid on an ongoing basis, generally would provide sufficient resources to pay benefits as they come due.

Beginning after June 15, 2017, the Village adopted GASB 75, which supersedes and eliminates GASB 45. Under GASB 75, based on actuarial valuation, an annual required contribution ("ARC") will be determined for each state or local government. The ARC is the sum of (a) the normal cost for the year (the present value of future benefits being earned by current employees) plus (b) amortization of the unfunded accrued liability (benefits already earned by current and former employees but not yet provided for), using an amortization period of not more than 30 years. If a municipality contributes an amount less than the ARC, a net OPEB obligation will result, which is required to be recorded as a liability on its financial statements.

GASB 75 establishes new standards for recognizing and measuring OPEB liabilities, deferred outflows of resources, deferred inflows of resources, and expense/expenditures to provide more transparent reporting and useful information about the liability and cost of benefits. Municipalities and school districts are required to account for OPEB within the financial statements rather than only noted in the footnotes as previously required by GASB 45. It is measured as of a date no earlier than the end of the employer's prior fiscal year and no later than the employer's current fiscal year. The discount rate is based on 20-year, tax exempt general obligation municipal bonds. There is no amortization of prior service cost.

The Village's total OPEB liability at February 28, 2026 is as follows:

Changes in the Total OPEB Liability	Fiscal Year Ending February 28, 2025:
Total OPEB Liability at February 28, 2025	$24,877,490
Charges for the Year:	
Service Cost	916,179
Interest	1,059,288
Differences Between Expected and Actual Experience	1,317,142
Changes in Benefit Terms	
Changes in Assumptions or Other Inputs	1,093,401
Benefit Payments	(1,156,951)
Net Changes	3,229,059
Total OPEB Liability at February 28, 2026:	$28,106,549

TAX INFORMATION

Real Property Taxes

The Village derives its power to levy an ad valorem real property tax from the Constitution of the State. The Village's power to levy real property taxes, other than for debt service and certain other purposes, is limited by the State Constitution to two percent of the five-year average full valuation of taxable property of the Village. See "*Tax Limit*" herein. The State Board of Real Property Services annually establishes State Equalization Rates for all localities in the State, which are determined by statistical sampling of market sales/assessment studies. The equalization rates are used in the calculation and distribution of certain State aids and are used by many localities in the calculation of debt contracting and real property taxing limitations.

The following table sets forth the percentage of the Village's General Fund revenue (excluding other financing sources) comprised of real property taxes for each of the fiscal years 2022 through 2026, and, as budgeted, for the year ending 2027.

Fiscal Year Ending February 28:	Total Revenue	Property Taxes	Property Taxes To Revenues (%)
2022	$18,003,763	$12,990,000	72.15
2023	18,391,495	13,250,068	72.04
2024	18,760,090	13,367,523	71.26
2025	19,143,819	13,610,369	71.10
2026	19,844,433	13,900,353	70.05

Tax Collection Procedure

Tax payments are due on March 1st each year and are payable without penalty up to and including April 1. Penalties for tax delinquencies are imposed at the rate of 5% for the balance of April and an additional percentage (which is set by the State each year and in recent years has approximated 1%) for each month or fraction of thereof thereafter. Prior to the end of the fiscal year tax liens are sold at auction pursuant to proceedings set forth in the Real Property Tax Law. Consequently, there are usually no uncollected taxes at the end of the fiscal year.

Tax Levy Limit Law

Prior to the enactment of Chapter 97 of the Laws New York of 2011 (the "Tax Levy Limit Law") on June 24, 2011, all the taxable real property within the Village had been subject to the levy of ad valorem taxes to pay the bonds and notes of the Village and interest thereon without limitation as to rate or amount. However, the Tax Levy Limit Law, as amended, imposes a tax levy limitation upon the Village for any fiscal year commencing after January 1, 2012 without providing an exclusion for debt service on obligations issued by the Village. As a result, the power of the Village to levy real estate taxes on all the taxable real property within the Village to pay the bonds and notes of the Village and interest thereon is subject to statutory limitations set forth in Tax Levy Limit Law.

The following is a brief summary of certain relevant provisions of Tax Levy Limit Law. The summary is not complete and the full text of the Tax Levy Limit Law should be read in order to understand the details and implications thereof. The Tax Levy Limit Law imposes a limitation on increases in the real property tax levy of the Village, subject to certain exceptions. The Tax Levy Limit Law permits the Village to increase its overall real property tax levy over the tax levy of the prior year by no more than the "Allowable Levy Growth Factor", which is the lesser of one and two-one hundredths or the sum of one plus the Inflation Factor; provided, however that in no case shall the levy growth factor be less than one. The "Inflation Factor" is the quotient of: (i) the average of the 20 National Consumer Price Indexes determined by the United States Department of Labor for the twelve-month period ending six months prior to the start of the coming fiscal year minus the average of the National Consumer Price Indexes determined by the United States Department of Labor for the twelve-month period ending six months prior to the start of the prior fiscal year, divided by: (ii) the average of the National Consumer Price Indexes determined by the United States Department of Labor for the twelve-month period ending six months prior to the start of the prior fiscal year, with the result expressed as a decimal to four places. The Village is required to calculate its tax levy limit for the upcoming year in accordance with the provision above and provide all relevant information to the New York State Comptroller prior to adopting its budget. The Tax Levy Limit Law sets forth certain exclusions to the real property tax levy limitation of the Village, including exclusions for certain portions of the expenditures for retirement system contributions and tort judgments payable by the Village. The Village Board is authorized to adopt a budget that exceeds the tax levy limit for the coming fiscal year, only if the Village Board first enacts, by a vote of at least sixty percent of the total voting power of the governing board of the Village, a local law to override such limit for such coming fiscal year.

The Tax Levy Limit Law does not contain an exception from the levy limitation for the payment of debt service on either outstanding general obligation bonds or notes of the Village or such indebtedness incurred after the effective date of the Tax Levy Limit Law. As such, there can be no assurances that the Tax Levy Limit Law will not come under legal challenge for violating (i) Article VIII, Section 12 of the State Constitution for not providing an exception for debt service on obligations issued prior to the enactment of the Tax Levy Limit Law, (ii) Article VIII, Section 10 of the State Constitution by effectively eliminating the exception for debt service to general real estate tax limitations**,** and (iii) Article VIII, Section 2 of the State Constitution by limiting the pledge of its faith and credit by a municipality or school district for the payment of debt service on obligations issued by such municipality or school district.

Tax Limit

The Constitution limits the amount that may be raised by the Village ad valorem tax levy on real estate in any fiscal year to two per centum (2%) of the five-year average full valuation of taxable real estate of the Village plus (1) the amounts required for principal and interest on all capital indebtedness, and (2) current appropriations for certain capital purposes. The tax limit for the Village for the 2026-2027 fiscal year is as follows:

Five-year Average Full Valuation	$1,800,708,305
Tax Limit - 2% thereof	36,014,166
Tax Levy for General Village Purposes	14,271,394

Tax Certiorari Claims

In common with other municipalities, there are a number of tax certiorari proceedings pending involving properties that are subject to the levy of Village taxes. The plaintiffs in these matters have asserted that their properties are over-assessed and are seeking assessment reductions. A refund of excess taxes is also generally requested. Historically, certiorari claims have been settled through negotiations, resulting in amounts, at times, substantially less than originally claimed. Many settlements provide for future adjustments with no direct outlay of money. There are no significant claims filed by the larger taxpayers at this time.

LITIGATION

In common with other villages, the Village from time to time receives notices of claim and is party to litigation. In the opinion of the Village Attorney, unless otherwise set forth herein and apart from matters provided for by applicable insurance coverage, there are no significant claims or actions pending in which the Village has not asserted a substantial and adequate defense, nor which, if determined against the Village, would have an adverse material effect on the financial conditions of the Village.

CYBERSECURITY

The Village, like many other public and private entities, relies on technology to conduct its operations. As a recipient and provider of personal, private, or sensitive information, the Village faces multiple cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. To mitigate the risk of business operations impact and/or damage from cyber incidents or cyber-attacks, the Village invests in various forms of cybersecurity and operational controls; however, no assurances can be given that such security and operational control measures will be completely successful to guard against cyber threats and attacks. To mitigate such risk the Village has contracted with an outside technology firm to assist in the prevention detection and remediation of any such attacks. In addition, the Village maintains an insurance policy covering cyber liability. The results of any such attack could impact business operations and/or damage Village digital networks and systems and the costs of remedying any such damage could be substantial.

ENVIRONMENTAL FACTORS

Environmental factors, including climate change, pose risks to the region and the Village, especially since the Village is a waterfront community. The magnitude of the impact on the Village's operations, economy, and financial condition of rising sea levels, coastal flooding, and more frequent and extreme weather events is indeterminate and unpredictable. No assurance can be given that the Village will not encounter natural disaster risks, such as hurricanes, tropical storms, heatwaves, or catastrophic sea level rise in the future, or that such risks will not have an adverse effect on the operation, economy, or financial condition of the Village.

TAX MATTERS – THE NOTES

Opinion of Bond Counsel

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the Village, under existing statutes and court decisions and assuming continuing compliance with certain tax certifications described herein, (i) interest on the Notes is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) interest on the Notes is not treated as a preference item in calculating the alternative minimum tax under the Code, however, interest on the Notes is included in the "adjusted financial statement income" of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code. The Tax Certificate of the Village (the "Tax Certificate"), which will be delivered concurrently with the delivery of the Notes will contain provisions and procedures relating to compliance with applicable requirements of the Code. In rendering its opinion, Bond Counsel has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Village in connection with the Notes, and Bond Counsel has assumed compliance by the Village with certain ongoing provisions and procedures set forth in the Tax Certificate relating to compliance with applicable requirements of the Code to assure the exclusion of interest on the Notes from gross income under Section 103 of the Code.

In addition, in the opinion of Bond Counsel to the Village, under existing statutes, interest on the Notes is exempt from personal income taxes of New York State and its political subdivisions, including The City of New York.

Bond Counsel expresses no opinion as to any federal, state or local tax consequences arising with respect to the Notes, or the ownership or disposition thereof, except as stated above. Bond Counsel renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update, revise or supplement this opinion to reflect any action thereafter taken or not taken, any fact or circumstance that may thereafter come to its attention, any change in law or interpretation thereof that may thereafter occur, or for any other reason. Bond Counsel expresses no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters, including, without limitation, exclusion from gross income for federal income tax purposes of interest on the Notes.

Certain Ongoing Federal Tax Requirements and Certifications

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Notes in order that interest on the Notes be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the Notes, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the federal government. Noncompliance with such requirements may cause interest on the Notes to become included in gross income for federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The Village, in executing the Tax Certificate, will certify to the effect that the Village will comply with the provisions and procedures set forth therein and that it will do and perform all acts and things necessary or desirable to assure the exclusion of interest on the Notes from gross income under Section 103 of the Code.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral federal income tax matters with respect to the Notes. It does not purport to address all aspects of federal taxation that may be relevant to a particular owner of a Notes. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Notes.

Prospective owners of the Notes should be aware that the ownership of such obligations may result in collateral federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for federal income tax purposes. Interest on the Notes may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Original Issue Discount

"Original issue discount" ("OID") is the excess of the sum of all amounts payable at the stated maturity of a Note (excluding certain "qualified stated interest" that is unconditionally payable at least annually at prescribed rates) over the issue price of that maturity. In general, the "issue price" of a maturity (a note with the same maturity date, interest rate, and credit terms) means the first price at which at least 10 percent of such maturity was sold to the public, i.e., a purchaser who is not, directly or indirectly, a signatory to a written contract to participate in the initial sale of the Notes. In general, the issue price for each maturity of Notes is expected to be the initial public offering price set forth in this Official Statement. Bond Counsel further is of the opinion that, for any Notes having OID (a "Discount Note"), OID that has accrued and is properly allocable to the owners of the Discount Notes under Section 1288 of the Code is excludable from gross income for federal income tax purposes to the same extent as other interest on the Notes. In general, under Section 1288 of the Code, OID on a Discount Note accrues under a constant yield method, based on periodic compounding of interest over prescribed accrual periods using a compounding rate determined by reference to the yield on that Discount Note. An owner's adjusted basis in a Discount Note is increased by accrued OID for purposes of determining gain or loss on sale, exchange, or other disposition of such Discount Note. Accrued OID may be taken into account as an increase in the amount of tax-exempt income received or deemed to have been received for purposes of determining various other tax consequences of owning a Discount Note even though there will not be a corresponding cash payment.

Owners of Discount Notes should consult their own tax advisors with respect to the treatment of original issue discount for federal income tax purposes, including various special rules relating thereto, and the state and local tax consequences of acquiring, holding, and disposing of Discount Notes.

Note Premium

In general, if an owner acquires a note for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the note after the acquisition date (excluding certain "qualified stated interest" that is unconditionally payable at least annually at prescribed rates), that premium constitutes "note premium" on that note (a "Premium Note"). In general, under Section 171 of the Code, an owner of a Premium Note must amortize the bond and note premium over the remaining term of the Premium Note, based on the owner's yield over the remaining term of the Premium Note, determined based on constant yield principles (in certain cases involving a Premium Note callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on such bond and note). An owner of a Premium Note must amortize the note premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner's regular method of accounting against the note premium allocable to that period. In the case of a tax-exempt Premium Note, if the note premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Note may realize a taxable gain upon disposition of the Premium Note even though it is sold or redeemed for an amount less than or equal to the owner's original acquisition cost. Owners of any Premium Note should consult their own tax advisors regarding the treatment of bond and note premium for federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, amortization of bond and note premium on, sale, exchange, or other disposition of Premium Notes.

Information Reporting and Backup Withholding

Information reporting requirements apply to interest on tax-exempt obligations, including the Notes. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9, "Request for Taxpayer Identification Number and Certification," or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to "backup withholding," which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a "payor" generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing Notes through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Notes from gross income for federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner's federal income tax once the required information is furnished to the Internal Revenue Service.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or state level, may adversely affect the tax-exempt status of interest on the Notes under federal or state law or otherwise prevent beneficial owners of the Notes from realizing the full current benefit of the tax status of such interest. In addition, such legislation or actions (whether currently proposed, proposed in the future, or enacted) and such decisions could affect the market price or marketability of the Notes.

Prospective purchasers of the Notes should consult their own tax advisors regarding the foregoing matters.

TAX MATTERS – THE BONDS (FEDERALLY TAXABLE)

In the opinion of Bond Counsel to the Village, interest on the Bonds (i) is included in gross income for federal income tax purposes pursuant to the Internal Revenue Code of 1986, as amended (the "Code") and (ii) is exempt, under existing statutes, from personal income taxes imposed by the State of New York and its political subdivision thereof, including The City of New York.

The following discussion is a brief summary of the principal United States federal income tax consequences of the acquisition, ownership and disposition of Bonds by original purchasers of the Bonds who are "U.S. Holders," as defined herein. This summary (i) is based on the Code, Treasury Regulations, revenue rulings and court decisions, all as currently in effect and all subject to change at any time, possibly with retroactive effect; (ii) assumes that the Bonds will be held as "capital assets"; and (iii) does not discuss all of the United States federal income tax consequences that may be relevant to a U.S. Holder in light of its particular circumstances or to U.S. Holders subject to special rules, such as insurance companies, financial institutions, tax-exempt organizations, dealers in securities or foreign currencies, persons holding the Bonds as a position in a "hedge" or "straddle," U.S. Holders whose functional currency (as defined in Section 985 of the Code) is not the United States dollar, U.S. Holders who acquire Bonds in the secondary market, or individuals, estates and trusts subject to the tax on unearned income imposed by Section 1411 of the Code.

Certain taxpayers that are required to prepare certified financial statements and file financial statements with certain regulatory or governmental agencies may be required to recognize income, gain and loss with respect to the Bonds at the time that such income, gain or loss is taken into account on such financial statements instead of under the rules described below.

U.S. Holders of Bonds should consult with their own tax advisors concerning the United States federal income tax and other consequences with respect to the acquisition, ownership and disposition of the Bonds as well as any tax consequences that may arise under the laws of any state, local or foreign tax jurisdiction.

Original Issue Discount

In general, if Original Issue Discount ("OID") is greater than a statutorily defined de minimis amount, a U.S. Holder of a Bonds having a maturity of more than one year from its date of issue must include in federal gross income (for each day of the taxable year, or portion of the taxable year, in which such U.S. Holder holds such Bonds) the daily portion of OID, as it accrues (generally on a constant-yield method) and regardless of the U.S. Holder's method of accounting. "OID" is the excess of (i) the "stated redemption price at maturity" over (ii) the "issue price." For purposes of the foregoing: "issue price" means the first price at which a substantial amount of the Bond is sold to the public (excluding Note houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers); "stated redemption price at maturity" means the sum of all payments, other than "qualified stated interest," provided by such Bonds; "qualified stated interest" is stated interest that is unconditionally payable in cash or property (other than debt instruments of the issuer) at least annually at a single fixed rate; and "de minimis amount" is an amount equal to 0.25 percent of the Bonds' stated redemption price at maturity multiplied by the number of complete years to its maturity. A U.S. Holder may irrevocably elect to include in gross income all interest that accrues on a Bonds using the constant-yield method, subject to certain modifications.

Note Premium

In general, if a Bond is originally issued for an issue price (excluding accrued interest) that reflects a premium over the sum of all amounts payable on the Bond other than "qualified stated interest" (a "Taxable Premium Note"), that Taxable Premium Note will be subject to Section 171 of the Code, relating to Note premium. In general, if the U.S. Holder of a Bond elects to amortize the premium as "amortizable Note premium" over the remaining term of the Bond, determined based on constant-yield principles (in certain cases involving a Bond callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the highest yield on such Note), the amortizable premium is treated as an offset to interest income; the U.S. Holder will make a corresponding adjustment to the U.S. Holder's basis in the Bonds. Any such election is generally irrevocable and applies to all debt instruments of the U.S. Holder (other than tax-exempt Notes) held at the beginning of the first taxable year to which the election applies and to all such debt instruments thereafter acquired. Under certain circumstances, the U.S. Holder of a Bond may realize a taxable gain upon disposition of the Bond even though it is sold or redeemed for an amount less than or equal to the U.S. Holder's original acquisition cost.

Disposition and Defeasance

Generally, upon the sale, exchange, redemption, or other disposition (which would include a legal defeasance) of Bonds, a U.S. Holder generally will recognize taxable gain or loss in an amount equal to the difference between the amount realized (other than amounts attributable to accrued interest not previously includable in income) and such U.S. Holder's adjusted tax basis in the Bonds.

The Village may cause the deposit of moneys or securities in escrow in such amount and manner as to cause the Bonds to be deemed to be no longer outstanding. For federal income tax purposes, such defeasance could result in a deemed exchange under Section 1001 of the Code and a recognition by such owner of taxable income or loss, without any corresponding receipt of moneys. In addition, the character and timing of receipt of payments on the Bonds subsequent to any such defeasance could also be affected.

Information Reporting and Backup Withholding

In general, information reporting requirements will apply to non-corporate U.S. Holders of the Bonds with respect to payments of principal, payments of interest, and the accrual of OID on Bonds and the proceeds of the sale of Bonds before maturity within the United States. Backup withholding may apply to U.S. Holders of Bonds under Section 3406 of the Code. Any amounts withheld under the backup withholding rules from a payment to a beneficial owner, and which constitutes over-withholding, would be allowed as a refund or a credit against such beneficial owner's United States federal income tax provided the required information is furnished to the Internal Revenue Service.

U.S. Holders

The term "U.S. Holder" means a beneficial owner of Bonds that is: (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States or of any political subdivision thereof, (iii) an estate the income of which is subject to United States federal income taxation regardless of its source or (iv) a trust whose administration is subject to the primary jurisdiction of a United States court and which has one or more United States fiduciaries who have the authority to control all substantial decisions of the trust.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or state level, may adversely affect the tax-exempt status of interest on the Bonds under state law and could affect the market price or marketability of the Bonds.

Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

LEGAL MATTERS

Legal matters incident to the authorization, issuance and sale of the Bonds and the Notes will be subject to the final approving opinion of the law firm of Hawkins Delafield & Wood LLP, Bond Counsel to the Village. Said opinion will be available at the time of delivery of the Bonds and the Notes, and will be substantially in the form set forth in Appendix C.

DISCLOSURE UNDERTAKING

At the time of the delivery of the Bonds and the Notes, the Village will provide an executed copy of its Undertaking to Provide Notice of Events and its Undertaking to Provide Continuing Disclosure substantially in the form set forth in Appendix D.

The Village reserves the right to amend or modify the Undertaking under certain circumstances set forth therein; provided that any such amendment or modification will be done in a manner consistent with Rule 15c2-12 as then in effect.

RATING

The Bonds and Notes are not rated.

FORM OF BOND COUNSEL OPINIONS

Hawkins Delafield & Wood LLP
140 Broadway
New York, New York 10005

_____, 2026

The Board of Trustees of the
Village of Northport, in the
County of Suffolk, New York

Ladies and Gentlemen:

We have acted as Bond Counsel to the Village of Northport (the "Village"), in the County of Suffolk, New York, a municipal corporation of the State of New York, and have examined a record of proceedings relating to the authorization, sale and issuance of the $265,000 Public Improvement Serial Bonds-2026 (Federally Taxable) (the "Bonds"), dated and delivered on the date hereof.

In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with originals of all documents submitted to us as copies thereof. Based upon and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Bonds are valid and legally binding general obligations of the Village for which the Village has validly pledged its faith and credit and, unless paid from other sources, all the taxable real property within the Village is subject to the levy of ad valorem real estate taxes to pay the Bond and interest thereon, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended. The enforceability of rights or remedies with respect to such Bonds may be limited by bankruptcy, insolvency, or other laws affecting creditors' rights or remedies heretofore or hereafter enacted.

2. Interest on the Bonds is included in gross income for federal income tax purposes pursuant to the Internal Revenue Code of 1986, as amended.

3. Under existing statutes, interest on the Bond is exempt from personal income taxes of New York State and its political subdivisions, including The City of New York.

We express no opinion as to any other federal, state or local tax consequences arising with respect to the Bonds, or the ownership or disposition thereof, except as stated in paragraphs 2 and 3 above. We render our opinion under existing statutes and court decisions as of the date hereof, and assume no obligation to update, revise or supplement our opinion to reflect any action hereafter taken or not taken, any fact or circumstance that may hereafter come to our attention, any change in law or interpretation thereof that may hereafter occur, or for any other reason. We express no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, we express no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters relating to the Bonds.

We give no assurances as to the adequacy, sufficiency or completeness of the Preliminary Official Statement and/or Official Statement of the Village relating to the Bonds, or any proceedings, reports, correspondence, financial statements or other documents, containing financial or other information relating to the Village, which have been or may be furnished or disclosed to purchasers of the Bonds.

Very truly yours,

FORM OF OPINION OF BOND COUNSEL - NOTES

Hawkins Delafield & Wood LLP
140 Broadway, 42nd Floor
New York, New York 10005

November , 2026

The Board of Trustees of the
Village of Northport, in the
County of Suffolk, New York

Ladies and Gentlemen:

We have acted as Bond Counsel to the Village of Northport (the "Village"), in the County of Suffolk, a municipal corporation of the State of New York, and have examined a record of proceedings relating to the authorization, sale and issuance of the $2,350,000 Bond Anticipation Notes – 2026 (the "Notes") of the Village, dated and delivered on the date hereof.

In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with originals of all documents submitted to us as copies thereof. Based upon and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Notes are valid and legally binding general obligations of the Village for which the Village has validly pledged its faith and credit and, unless paid from other sources, all the taxable real property within the Village is subject to the levy of ad valorem real estate taxes to pay the Notes and interest thereon, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended. The enforceability of rights or remedies with respect to such Notes may be limited by bankruptcy, insolvency, or other laws affecting creditors' rights or remedies heretofore or hereafter enacted.

2. Under existing statutes and court decisions and assuming continuing compliance with certain tax certifications described herein, (i) interest on the Notes is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) interest on the Notes is not treated as a preference item in calculating the alternative minimum tax under the Code, however, interest on the Note is included in the "adjusted financial statement income" of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code.

The Code establishes certain requirements that must be met subsequent to the issuance of the Notes in order that the interest on the Notes be and remain excludable from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to the use and expenditure of proceeds of the Notes, restrictions on the investment of proceeds of the Notes prior to expenditure and the requirement that certain earnings be rebated to the federal government. Noncompliance with such requirements may cause the interest on the Notes to become subject to federal income taxation retroactive to the date of issuance thereof, irrespective of the date on which such noncompliance occurs or is ascertained.

On the date of issuance of the Notes, the Village will execute a Tax Certificate relating to the Notes containing provisions and procedures pursuant to which such requirements can be satisfied. In executing the Tax Certificate, the Village represents that it will comply with the provisions and procedures set forth therein and that it will do and perform all acts and things necessary or desirable to assure that the interest on the Notes will, for federal income tax purposes, be excluded from gross income.

In rendering the opinion in this paragraph 2, we have relied upon and assumed (i) the material accuracy of the Village's certifications, statements of intention and reasonable expectations, and certifications of fact contained in the Tax Certificate with respect to matters affecting the status of the interest on the Notes, and (ii) compliance by the Village with the procedures and certifications set forth in the Tax Certificate as to such tax matters.

3. Under existing statutes, interest on the Notes is exempt from personal income taxes of New York State and its political subdivisions, including The City of New York.

We express no opinion as to any other federal, state or local tax consequences arising with respect to the Notes, or the ownership or disposition thereof, except as stated in paragraphs 2 and 3 above. We render our opinion under existing statutes and court decisions as of the date hereof, and assume no obligation to update, revise or supplement our opinion to reflect any action hereafter taken or not taken, any fact or circumstance that may hereafter come to our attention, any change in law or interpretation thereof that may hereafter occur, or for any other reason. We express no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, we express no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters, including, without limitation, exclusion from gross income for federal income tax purposes of interest on the Notes.

We give no assurances as to the accuracy, sufficiency or completeness of the Preliminary or Final Official Statement or any proceedings, reports, correspondence, financial statements or other documents, containing financial or other information relative to the Village which have been or may hereafter be furnished or disclosed to purchasers of said Notes.

Very truly yours,

APPENDIX D

FORM OF CONTINUING DISCLOSURE UNDERTAKINGS

UNDERTAKING TO PROVIDE CONTINUING DISCLOSURE

Section 1. Definitions

"Securities" shall mean the Issuer's **$265,000 Public Improvement Serial Bonds-2026 (Federally Taxable)**, dated November 17, 2026, maturing in various principal amounts on November 1 in each of the years 2027 to 2031, inclusive, and delivered on the date hereof.

Section 2. Obligation to Provide Continuing Disclosure. (a) The Issuer hereby undertakes, for the benefit of Holders of the Securities, to provide or cause to be provided either directly or through Munistat Services, Inc., 12 Roosevelt Avenue, Port Jefferson Station, New York, to the EMMA System:

(i) (A) no later than six (6) months after the end of each fiscal year, commencing with the fiscal year ending February 28, 2027, the Annual Information relating to such fiscal year, and (B) no later than six (6) months after the end of each fiscal year, commencing with the fiscal year ending February 28, 2027, the audited financial statements of the Issuer for each fiscal year, if audited financial statements are prepared by the Issuer and

then available; provided, however, that if audited financial statements are not prepared or are not then available, unaudited financial statements shall be provided and audited financial statements, if any, shall be delivered to the EMMA System within sixty (60) days after they become available and in no event later than one (1) year after the end of each fiscal year; provided further, however, that the unaudited financial statement shall be provided for any fiscal year only if the Issuer has made a determination that providing such unaudited financial statement would be compliant with federal securities laws, including Rule 10b-5 of the Securities Exchange Act of 1934 and Rule 17 (a)(2) of the Securities Act of 1933; and

(ii) in a timely manner, not in excess of ten (10) business days after the occurrence of such event, notice of any of the following events with respect to the Securities:

(1) principal and interest payment delinquencies;

(2) non-payment related defaults, if material;

(3) unscheduled draws on debt service reserves reflecting financial difficulties;

(4) unscheduled draws on credit enhancements reflecting financial difficulties;

(5) substitution of credit or liquidity providers, or their failure to perform;

(6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices of determinations with respect to the tax status of the Securities, or other events affecting the tax status of the Securities;

(7) modifications to rights of Securities holders, if material;

(8) Bond calls, if material, and tender offers;

(9) defeasances;

(10) release, substitution, or sale of property securing repayment of the Securities, if material;

(11) rating changes;

(12) bankruptcy, insolvency, receivership or similar event of the Issuer;

Note to clause (12): For the purposes of the event identified in clause (12) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Issuer in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer;

(13) the consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

(14) appointment of a successor or additional trustee or the change of name of a trustee, if material;

(15) incurrence of a Financial Obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer, any of which affect security holders, if material; and

(16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

(iii) in a timely manner, not in excess of ten (10) business days after the occurrence of such event, notice of a failure to provide by the date set forth in Section 2(a)(i) hereof any Annual Information required by Section 3 hereof.

(b) Nothing herein shall be deemed to prevent the Issuer from disseminating any other information in addition to that required hereby in the manner set forth herein or in any other manner. If the Issuer disseminates any such additional information, the Issuer shall have no obligation to update such information or include it in any future materials disseminated hereunder.

(c) Nothing herein shall be deemed to prevent the Issuer from providing notice of the occurrence of certain other events, in addition to those listed above, if the Issuer determines that any such other event is material with respect to the Securities; but the Issuer does not undertake to commit to provide any such notice of the occurrence of any event except those events listed above.

Section 3. Annual Information. (a) The required Annual Information shall consist of the financial information and operating data for the preceding fiscal year, in a form generally consistent with the information contained or cross-referenced in the Issuer's final official statement relating to the Securities under the headings "THE VILLAGE OF NORTHPORT," "DEMOGRAPHIC AND STATISTICAL INFORMATION," "INDEBTEDNESS OF THE VILLAGE," "FINANCES OF THE VILLAGE," "TAX INFORMATION" AND "LITIGATION" AND IN APPENDIX A.

(b) All or any portion of the Annual Information may be incorporated in the Annual Information by cross reference to any other documents which are (i) available to the public on the EMMA System or (ii) filed with the SEC. If such a document is a final official statement, it also must be available from the EMMA System.

(c) Annual Information for any fiscal year containing any modified operating data or financial information (as contemplated by Section 7(e) hereof) for such fiscal year shall explain, in narrative form, the reasons for such modification and the effect of such modification on the Annual Information being provided for such fiscal year. If a change in accounting principles is included in any such modification, such Annual Information shall present a comparison between the financial statements or information prepared on the basis of the modified accounting principles and those prepared on the basis of the former accounting principles.

Section 4. Financial Statements. The Issuer's annual financial statements for each fiscal year, if prepared, shall be prepared in accordance with GAAP or New York State regulatory requirements as in effect from time to time. Such financial statements, if prepared, shall be audited by an independent accounting firm. The Issuer's Annual Financial Report Update Document prepared by the Issuer and filed annually with New York State in accordance with applicable law, shall not be subject to the foregoing requirements.

Section 5. Remedies. If the Issuer shall fail to comply with any provision of this Undertaking, then any Holder of Securities may enforce, for the equal benefit and protection of all Holders similarly situated, by mandamus or other suit or proceeding at law or in equity, this Undertaking against the Issuer and any of the officers, agents and employees of the Issuer, and may compel the Issuer or any such officers, agents or employees to perform and carry out their duties under this Undertaking; provided that the sole and exclusive remedy for breach of this Undertaking shall be an action to compel specific performance of the obligations of the Issuer hereunder and no person or entity shall be entitled to recover monetary damages hereunder under any circumstances. Failure to comply with any provision of this Undertaking shall not constitute an event of default on the Securities.

Section 6. Parties in Interest. This Undertaking is executed to assist the Purchaser to comply with paragraph (b)(5) of the Rule and is delivered for the benefit of the Holders. No other person shall have any right to enforce the provisions hereof or any other rights hereunder.

Section 7. Amendments. Without the consent of any holders of Securities, the Issuer at any time and from time to time may enter into any amendments or changes to this Undertaking for any of the following purposes:

(a) to comply with or conform to any changes in Rule 15c2-12 (whether required or optional);

(b) to add a dissemination agent for the information required to be provided hereby and to make any necessary or desirable provisions with respect thereto;

(c) to evidence the succession of another person to the Issuer and the assumption of any such successor of the duties of the Issuer hereunder;

(d) to add to the duties of the Issuer for the benefit of the Holders, or to surrender any right or power herein conferred upon the Issuer;

(e) to modify the contents, presentation and format of the Annual Information from time to time to conform to changes in accounting or disclosure principles or practices and legal requirements followed by or applicable to the Issuer or to reflect changes in the identity, nature or status of the Issuer or in the business, structure or operations of the Issuer or any mergers, consolidations, acquisitions or dispositions made by or affecting any such person; provided that any such modifications shall comply with the requirements of Rule 15c2-12 or Rule 15c2-12 as in effect at the time of such modification; or

(f) to cure any ambiguity, to correct or supplement any provision hereof which may be inconsistent with any other provision hereof, or to make any other provisions with respect to matters or questions arising under this Undertaking which, in each case, comply with Rule 15c2-12 or Rule 15c2-12 as in effect at the time of such amendment or change;

provided that no such action pursuant to this Section 7 shall adversely affect the interests of the Holders in any material respect. In making such determination, the Issuer shall rely upon an opinion of nationally recognized bond counsel.

Section 8. Termination. This Undertaking shall remain in full force and effect until such time as all principal, redemption premiums, if any, and interest on the Securities shall have been paid in full or the Securities shall have otherwise been paid or legally defeased pursuant to their terms. Upon any such legal defeasance, the Issuer shall provide notice of such defeasance to the EMMA System. Such notice shall state whether the Securities have been defeased to maturity or to redemption and the timing of such maturity or redemption.

In addition, this Agreement, or any provision hereof, shall be null and void in the event that those portions of the Rule which require this Agreement, or such provision, as the case may be, do not or no longer apply to the Securities, whether because such portions of the Rule are invalid, have been repealed, or otherwise.

Section 9. Undertaking to Constitute Written Agreement or Contract. This Undertaking shall constitute the written agreement or contract for the benefit of Holders of Securities, as contemplated under Rule 15c2-12.

Section 10. Governing Law. This Undertaking shall be governed by the laws of the State of New York determined without regard to principles of conflict of law.

IN WITNESS WHEREOF, the undersigned has duly authorized, executed and delivered this Undertaking as of November 17, 2026.
